

Wherever you find well dressed women you'll find good shoes. SELZ Shoes meet all the requirements of women of fashion.

Selz Shoes for women at from \$3.00 to \$5.00 have the style that such particular dressers desire and demand, and they have that perfect comfort that only comes in such a carefully designed shoe.

The style of a shoe is apparent the minute you see the shoe; the comfort is experienced when you wear the shoes. You can get both in Selz shoes—you should not be satisfied with but one of the two. You should get satisfaction for your shoe money, and with these Selz shoes we're offering satisfaction means style, natural fit and sufficient service.

If you wish to know when you buy how good Selz Shoes are read the guarantee that goes on every pair of Selz Shoes. It makes your shoe-buying a certainty.
