### CARNIVAL OPENS MONDAY WEEK

ADVERTISING AGENT ANNOUNCES SEVERAL NEW AND THRILLING ACTS.

E. A. Kennedy, advertising agent and local contractor for the Johnny Jones Carnival Company, is in the city making arrangements for the opening of that company for a week's engagement at Genth Park, commencing next Monday, April 14. The carnival will be under the auspices of New Bern Steam Fire Engine Company, No. 1.

Mr. Kennedy states that the company has this time a number of features that it did not have when here last September. It is featuring this season Oscar V. Babcock in his sensational death loop and flume act. This is said to be a great thriller and to be immensely popular with the people.

Babcock's act is a free attraction as is also the act of Thomas Quincy and wife who do a double high dive into a shallow tank of water from a height of 104 feet. The latter is also a new attraction and is said to make the folks who attend sit up and take notice.

Another new one and the only thing of the sort on the road at this time is the celebrated motordome. This is a motorcycle act participated in by two daring riders and is a first rate act in every respect. It is a paid attraction. "The show is up to our usual high standard, and then some," said Mr. Kennedy in talking about the coming big event. "The people may come expecting the high class of entertainment that the Johnny Jones aggregation always gives, and they will not go away disappointed," he added.

The people of Beaufort do not like to see the Hollowells leave, but wish them good luck in their new home. F. Roland Bell, who has been with the Beaufort Drug Co. for some time, will succeed Mr. Hollowell as manager and druggist.—Beaufort News, April 4.

### CARDUI WORKED LIKE A CHARM

After Operation Failed to Help, Cardui Worked Like a Charm.

Jonesville, S. C.—"I suffered with womanly trouble," writes Mrs. J. S. Kendrick, in a letter from this place, "and at times, I could not bear to stand on my feet. The doctor said I would never be any better, and that I would have to have an operation, or I would have a cancer."

I went to the hospital, and they operated on me, but I got no better. They said medicine would do me no good, and I thought I would have to die. At last I tried Cardui, and began to improve, so I continued using it. Now, I am well, and can do my own work. I don't feel any pains."

Cardui worked like a charm. There must be merit in this purely vegetable, tonic remedy for women—Cardui—for it has been in successful use for more than 50 years, for the treatment of womanly weakness and disease.

Please try it, for your troubles.
