

THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble.

My husband asked me to try Cardul. I felt better after the first bottle, and now I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardul. Cardul is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

Not Entitled to Sympathy.

We cannot discover much sympathy for the American woman in London who, in the present high-cost-of-living era, refuses to be fed gratis.—New York Herald.

PAINS IN THE STOMACH

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1.00. Recommended by all druggists.

Chamberlain's Cough Remedy has won its great reputation and extensive sale by its remarkable cures of coughs, colds and croup. It can be depended upon. Try it. Sold by all dealers. (Adv.)

Literature Was Safer.

Another mistake Julian Hawthorne made was in giving up the writing of novels to begin composing fiction for mining stock dealers.

QUICK RELIEF FOR RHEUMATISM.

George W. Koons, Lawton, Mich., says: "Dr. Detcheon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, and had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by Bradham Drug Co. (Adv.)

If you require food for thought, go to the public library and get a free lunch.

You judge a man not by what he promises to do, but what he has done. That is the only true test. Chamberlain's Cough Remedy judged by this standard has no superior. People everywhere speak of it in the highest terms of praise. For sale by all dealers. (Adv.)

Wanted Holiday Fare.
An English lad went to visit his two Scotch cousins last summer during his vacation. His breakfast every morning consisted of plain oatmeal, and he became thoroughly tired of it. One morning when he felt that he could endure it no longer he said:
"Say, Freddy, don't you ever have milk with your porridge?"
Freddy turned to his brother and grinned. "Eh, James," he said, "the lad thinks it's Christmas."—Everybody's.

Mr. Cleveland's Portrait.
During his first administration, says Hillary A. Herbert in the Century, Mr. Cleveland, disliking a certain portrait of himself painted at that time, had it relegated to the garret. President Harrison caused it to be brought down. In his second term Mr. Cleveland spoke facetiously of the portrait and asked Tom Reed if he did not think that one who had twice been elected president was entitled to have two portraits. "Well, y-e-s," said Reed in his well known drawl, "if he has grown any handsomer."

No Sympathy
"He lost money in a wheat deal."
"Then I haven't a grain of sympathy for him."—Baltimore American.

PARENTS' WEEK TO BE OBSERVED SOON

EVERY PARENT URGED TO VISIT SCHOOLS BETWEEN APRIL 28 AND MAY 2.

The week from April 28th to May 2nd will be "Parents Week" at the graded school and during the week every parent is urged to visit the school and see the work done. There will be no special exercises held but the work just as it is done every day in the school room can be seen.

Visitors are welcome at any time and all times but each year for the past four or five, we have had "Parents Week" and given a special invitation to every one to visit the school.

A committee representing the Woman's Club visited the schools on Thursday and spent several hours in looking over the situation and the needs of the school.

The Committee consisted of Mrs. Harry Marks, Mrs. C. R. Thomas, Mrs. D. E. Henderson, Mrs. Clyde Eby, Mrs. J. P. C. Davis, and Mrs. S. L. Dill, Jr. These ladies visited every room in school and will make a report of their visit to the Woman's Club.

The W. C. T. U. of the State of North Carolina has offered five dollars in gold for the best declamation on temperance. We have quite a number of enthusiastic young speakers who are busy choosing speeches. Up to date there are ten contestants. On some Friday night before commencement this contest will take place and the money will be awarded on the night of the graduation exercises. The boys of the 7A and 8B grades are taking part in this.

The contestants for the Henderson medal are also busy memorizing some of "The World's Famous Orations" in preparing for the Declamation contest, which will be held during commencement week. The contest is open to the boys in the High School.

Lida Guion, Hattie Dill, Katherine Bell and Mary Belo Moore, four pupils of Miss Windley's Physical Culture class, delighted the primary grades by giving a Danish folk dance on Friday morning. These little ladies went through the figures beautifully and it was thoroughly enjoyed by everyone.

Another number which pleased the children was a vocal solo, "Mr. Bumble's Pray", sung very sweetly by Mary Deppe, a tiny maid from the 27 Grade.

On Tuesday, the pupils of the 27 Grade had a "spelling bee" covering the work of the term. They spelled for fifty minutes and at the end of the period the following were standing: Annie Lupton, Bertie Warren, Eloise Peterson, Jimmie Robinson, Frederick Nelson, Charlie Pugh, Furney Dupree, Herbert Ireland and Charlie Lockyer.

THE TEMPTATION TO SPEND
Some people say they cannot help spending their money because there are so many temptations at hand. The fact is, however, that the merchant would prefer not to sell an article than to do so and afterwards learn that it was unnecessarily purchased. The progressive merchant likes to sell what the people really need. Do not think that you are conferring a favor when you buy unnecessarily. If you buy prudently, you will have a fair proportion of your income left at the end of each week or each month. Surplus money should at once be deposited with this bank where it will earn interest at the rate of four per cent. per annum.
