

DRIVING PILING FOR BIG BRIDGE

STEEL AND CONCRETE STRUCTURE TO BE ERECTED OVER JACK SMITH'S CREEK.

A force of workmen are now engaged in driving piling for the erection of a steel and concrete bridge over Jack Smith's creek at a point near the property owned by the company who are soon to open up a new suburban section near Glenburnie Park. The contract for this work was awarded to Charles Cook and he is supervising the operations. Another force of men are engaged in clearing up the land to be opened up and are also preparing to open a boulevard.

Mrs. Winston of Franklinton, who has been quite ill for several days, was somewhat improved according to the last information which came from her bedside. Her father, Mr. L. H. Cutler, who was called to Franklinton on account of her illness, has returned but Mrs. Cutler is still with her.
