COLORED WOMAN WAS THE VICTIM

MISSILE THROWN AT COACH

Negro Boy, Supposed To Be One Who Caused Accident, Now In Jail.

Nancy Jane Morris, a colored woman whose home is near Maysville, while enroute to this city on the Atlantic Coast Line train was painfully injured yesterday morning when she was struck by a missile thrown by a colored boy.

The affair occurred near Ravenswood, a small station between Maysville, and Pollockville, at a time when the train was going at a comparatively slow speed. There were two colored boys near the track and one of these threw the missile which caused the havoc. Engineer Howard witnessed the affair and at once brought the train to a stop and he and conductor D. J. George alighted from the train and went in pursuit of the miscreants. One of the boys, Arthur Blackledge, was caught carried back to the train, brought to this city and turned over to the police.

The woman had several cuts on her face and one of her eyes was injured. Medical attention was rendered her as soon as the train reached the city and the physician who dressed her wounds stated yesterday afternoon that he did not think they were serious and that there was very little danger of her losing the eye which was injured.

Blackledge told the police that he and another boy were throwing rocks at a telephone pole and had no intention of striking the train. However, the offense is a serious one and he will

be held until his companion can be apprehended. This is not the first time that this train has been "rocked" and the railway people are determined to prosecute the offenders to the full extent of the law, making an example of them for others who might pursue their tactics.

WHITE SHAD ARE PLACED IN WATERS OF NEW RIVER.

W. H. Ramscur of Beaufort who is connected with government fish hatcheries at Edenton passed through the city yesterday morning enroute to Jacksonville. Mr. Ramscur had with him four hundred thousand white shad which he intended planting in New river. Last Monday he visited New Bern and placed more than half a million of this species of fish in the waters of Neuse and Trent rivers.

PAINS IN THE STOMACH

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1.00. Recommended by all druggists.

Consolation can be found in the dictionary, but is an inferior variety.

COUGHS AND CONSUMPTION

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by all druggists. (Adv.)

WOMAN SUFFERED TEN YEARS

From Nervousness Caused by Female Ills—Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Auburn, N. Y.—"I suffered from nervousness for ten years, and had such organic pains that sometimes I would lie in bed four days at a time, could not eat or sleep and did not want anyone to talk to me or bother me at all. Sometimes I would suffer for seven hours at a time. Different doctors did the best they could for me until four months ago I began giving Lydia E. Pinkham's Vegetable Compound a trial and now I am in good health."—Mrs. WILLIAM H. GILL, 15 Pleasant Street, Auburn, New York.

"Doctor's Daughter Took It." St. Cloud, Minn.—"I was so run down by overwork and worry that I could not stand it to have my children talk close or walk heavy on the floor. One of my friends said, 'Try Lydia E. Pinkham's Vegetable Compound, for I know a doctor's daughter here in town who takes it and she would not take it if it were not good.'"

"I sent for the Compound at once and kept on taking it until I was all right."—Mrs. BERTHA M. QUICKSTADT, 727 6th Avenue, S., St. Cloud, Minn.

Lydia E. Pinkham's Vegetable Compound may be relied upon as the most efficient remedy for female ills. Why don't you try it?
