

Don't Forget to Side Dress

After you have the plants well started, insure a crop by feeding it. For cotton, provide enough

POTASH

to make more bolls, good fibre, and to keep the bolls from falling and for corn, help the plant make the starch that fills the ear. Try 200 lbs. per acre of mixture of equal parts of Kainit, Acid Phosphate and Nitrate of Soda, or 5-5-5 goods. Insure against cotton rust by side dressing of 200 lbs. Kainit per acre. Right side dressing prolongs the activity of the plants and produces a full crop of bolls that stay on. It makes sound, heavy corn and fine fodder. **Potash Pays.**

ARREST CARRIER FOR MAIL THEFT

Norfolk Man Said To Have Had Letters Hidden On His Person.

WENT BLINDLY INTO TRAP

Detective Sent Marked Coins Through The Mail And Watched Carrier.

Norfolk, May 23.—Charged with secreting, embezzling and destroying mail matter, Davis W. Arrington, a letter carrier of the Norfolk postoffice, was arrested yesterday and held under bond of \$500 for his appearance before United States Commissioner Percy S. Stephenson at 10 o'clock today for preliminary hearing. Arrington was taken into custody by F. R. Barkley, a detective of the postoffice department at Washington, who was sent to make investigation of numerous complaints reported by Major C. L. Wright, postmaster.

Arrington was first taken into the postmaster's private office. He is said to have made a full and frank confession of the charges. Postoffice officials say they found concealed in his clothes 139 pieces of mail-matter, in cluding special delivery letters, ordinary letters, postal cards and packages, together with a special delivery letter mailed by the detective in Richmond, which contained two marked one-dollar bills and a marked fifty-cent coin.

It was this letter that led to Arrington's apprehension, according to the detective. It was addressed to Mrs. Mary R. Swanson, 432 Thirty-fourth street, Norfolk, Va. Through the street address was drawn a lead pencil mark and the letter was re-directed to 810 Reservoir avenue, which is a vacant house.

Detective Barkley, assisted by B. E. Albertie, the local postoffice detective, traced the letter as it went through the postoffice, falling into Arrington's hands for delivery. When he came in from his route the letter was not returned. Then Barkley proceeded to search him.

Over 450 complaints of lost letters, many of them containing money, some as much as \$50, had come into the hands of the postmaster within the past few months. The complaints were increasing at an alarming rate when Major Wright decided to go to Washington and lay the matter before the Postoffice Department. Last Monday he made a personal report and Mr. Barkley was assigned to work on the case with the local detective. He arrived Tuesday and expects to return to Washington tonight.

WOMAN COULD NOT WALK

She Was So Ill—Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Pentwater, Mich.—"A year ago I was very weak and the doctor said I had a serious displacement. I had back-ache and bearing down pains so bad that I could not sit in a chair or walk across the floor and I was in severe pain all the time. I felt discouraged as I had taken everything I could think of and was no better. I began taking Lydia E. Pinkham's Vegetable Compound and now I am strong and healthy."—Mrs. ALICE DARLING, R. F. D. No. 2, Box 77, Pentwater, Mich.

Peoria, Ill.—"I had such backaches that I could hardly stand on my feet. I would feel like crying out lots of times, and had such a heavy feeling in my right side. I had such terrible dull headaches every day and they would make me feel so drowsy and sleepy all the time, yet I could not sleep at night. After I had taken Lydia E. Pinkham's Vegetable Compound a week I began to improve. My backache was less and that heavy feeling in my side went away. I continued to take the Compound and am cured. You may publish this if you wish."—Miss CLARA L. GAUWITZ, R. R. No. 4, Box 62, Peoria, Ill.

LILLIE HARRELL IN SAVANNAH, GA.

Beaufort Girl Who Ran Away From Home Has Been Located.

SAYS SHE IS REPENTANT

Father Has Forwarded Money To Cover Her Travelling Expenses.

Lillie, the sixteen-year-old daughter of Mr. and Mrs. J. H. Harrell of Beaufort, who disappeared from her home on the afternoon of Sunday, May 11, while her parents were attending the unveiling of a monument by the Woodmen of the World at Morehead City, has been located at Savannah, Ga. The young woman is repentant of her rash act and wants to return home. Her father has forwarded the money necessary to pay her fare to Beaufort and she will probably arrive there Sunday morning.

After leaving Beaufort, Miss Harrell came to New Bern and went to the home of a friend to spend the night. For various reasons this friend refused to let her remain there and she left the house. Where she spent the night is not known but on Monday morning she was again seen and after that, although the police, assisted by the young woman's father, made a thorough search, they failed to find any trace of her.

The police finally came to the conclusion that she had left the city and abandoned the search. The young woman's father believed that she was endeavoring to reach Waycross, Ga., to join Dr. J. T. Dixon of that place, with whom she is said to have been corresponding, and had friends in that city watch for her.

Last Wednesday, Mr. Harrell received a letter from a woman at Savannah, Ga., stating that his daughter was at her home and that she was repentant and wanted to return. The writer of the letter stated that she was acquainted with Dr. Dixon, for love of whom the young woman left home and that he has a wife and several children.

The doctor had been in communication with the girl and had given her the address of the woman in Savannah,
