

## WHITE YOUTHS ARE NOW FREE

Jury Returns Verdict Of Not Guilty In Hard Fought Case.

JUDGE GIVES GOOD ADVICE

Urges Sam Small And Berkley Harker To Be Better Boys.

Yesterday's session of Craven County Superior Court was taken up almost entirely with the case in which Sam Small and Berkley G. Harker, white youths of this city, were charged with the larceny of several boxes of tobacco from the Norfolk Southern Railway Company.

This case was begun on the previous day and was hard fought by both the attorneys for the prosecution and also counsel for the defense. A large number of witnesses were placed on the stand and the taking of evidence consumed considerable time. The arguments were begun yesterday afternoon just after court had taken a recess and these continued until about 4:30 o'clock and it was at least 5 o'clock before the jury were given the case. After being out for more than an hour they returned a verdict of not guilty.

Before Small and Harker were released from custody Judge O. H. Allen had a heart-to-heart talk with them in which he warned them against evil companions, late hours and urged them to keep "the straight and narrow path" in their walk through life. Just before the close of the day's session Charles Spencer, colored, charged with the murder of Alice Hargett, colored, on the night of December 26, 1912, was brought into court and formerly presented. The solicitor is only asking for a second degree verdict in this case and Spencer entered a plea of not guilty. The defendant is represented by J. Leon Williams and the case will be taken up this morning.

## WANTS BECKER TO HAVE NEW TRIAL

BRIEFS FILED WITH SUPREME COURT JUSTICE GOFF OUTLINING INTENTIONS.

New York, June 11.—Briefs were filed with Supreme Court Justice Goff yesterday outlining the contentions of Joseph A. Shay, who has made application for a new trial for former Police-Lieutenant Charles Becker, convicted of the murder of Herman Rosenthal, and by District-Attorney Whitman, who is opposing the move. Mr. Shay's brief followed the outline

of the oral argument which he made to the justice last week. He laid the strongest emphasis on the contention that he has discovered new evidence to show that Sam Schepps was an accomplice, and that Becker was not present in Forty-second street at a time when he is alleged to have had a conversation there with Jack Rose.

Assistant District-Attorney Rubin prepared the reply, which took up in detail and carefully analyzed Mr. Shay's twenty affidavits and seven statements. Mr. Rubin contended that each of the affidavits might be brought under one of the following heads, which would preclude its acceptance by the court as newly discovered evidence.

1. That it was not newly discovered.
  1. That it was cumulative.
  3. That it was contradictory of other statements made by the same witness.
  4. That it was not calculated to change the verdict if presented to a jury.
- Mr. Rubin presented statements which directly contradicted many of those made by the new witnesses for Becker.

## ELOPEMENT HAS TRAGIC ENDING

MAN WENT OFF WITH ANOTHER'S WIFE IN DECEMBER, BOTH MURDERED.

Ironton, Ohio, June 11.—The identity of the man whose body was found alongside that of a fashionably dressed woman near Russell, Ky., was established when George Steele recognized it as that of his father, George Steele, Sr., of this county.

This has led the authorities to believe that the body of the woman is that of Mrs. Andrew Forrest of La Grange, Ohio, as she was last seen with Steele crossing to the Kentucky shore in December, 14, 1912.

The man's over coat and the woman's furs were thrown over the bodies, while the man's head was resting, on the arm of the woman.

Both Steele and Mrs. Forrest were prominent in this section and their simultaneous departure last December caused a flurry in social circles here.

Forrest filed suit for divorce against his wife, charging that she eloped with Steele.

A coroner's jury returned a verdict that the body of the woman was that of Mrs. Forrest and that she and Steele were murdered by a party or parties unknown. It was found that the man's skull was crushed in several places and that he had been shot through the side, while the skull of the woman had been shattered. The man's watch and quite a large sum of money he is said to have had when he disappeared were missing. His pocket book was found on the body, but it was empty. Steele was 46 years of age and the father of 12 children. Mrs. Forrest was 34 years old.

Despite the inclemency of the weather the Sunday school of All Saints' Episcopal chapel picniced yesterday at Ghent park. There were about seventy-five members of the school together with their mothers, brothers and sisters participating in the event and in the estimation of all the event was one of the most pleasant ever participated in by them.
