PART OF FUND COLLECTED IS USED TO PAY FRENCH BANKERS' LOAN.

WASHINGTON, D. C., Sept. 4 .-Provisional President Carranza, of Mexico, made possible a considerable loss to his treasury when he closed the port of Vera Cruz, according to administration officials to-day. It was the customs receipts of the port because of the order ultimately will be orne by the Carranza government Part of the Vera Cruz duty collecions are pledged to redeem a loan advanced to former Dictator Hertua ov French bankers.

The remainder of the family col ected under American supervision are mpounded, to be returned to the Mexican treasury at a later date, after the cost of administration has been deducted.

State Department officials point out that the order of Carranza evidently was aimed by the provisional President to delivery commerce from Vera Cruz to points under the control of the Mexican authorities, and thus increase the customs returns paid diectly to his government.

The conference was confined closely to the question of opening and to a discussion of foreign and domestic exchange situation. Delegates furnished such information as they possessed, but left the board without much concrete knowledge as to the exact situation throughout the country. A committee was named to consider foreign and domestic exchange and formulate a plan by which American obligations to Europe can be adjusted without taking gold out of the country.

There are some incidental discussion of the general financial situation and of the recent steps taken by the treasury department to issue additional bank currency. In consequence of the meeting. there will be no effort on the part of the re-erve board to name the class "C" directors for the reserve banks for some ime.
