

# School Books and Supplies

We have in stock practically all the books used in the city and county schools in every grade, including the high school. In some grades the supply of State adopted books is limited, so pupils would do well to supply themselves at once.

**ALL SCHOOL BOOKS ARE NOW ON SALE**

Our line of school supplies is the biggest we have ever had and is complete in every respect.

## Absolutely Spot Cash

The margin of profit on school books and supplies is so exceedingly small that we cannot charge anything in this line. We have established a rule that all school books and supplies must be paid for over the counter. There will be no deviation from this rule. Please do not embarrass us by asking for credit. We would have to refuse your request and we would not like to be put to the necessity of doing this.

## Tire Mileage Increased and Cost Reduced—for Small Cars

You can buy Goodyear Tires today at prices which are no higher than they were ten years ago.

And from these tires you can now obtain more actual mileage due to advancements made by Goodyear in their construction since 1910.

The present cost of Goodyear mileage therefore is decidedly less and this fact applies to all the line, including the 30x3-, 30x3½- and 31x4-inch size Goodyear Tires built especially for small cars.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—get exceptional mileage at very low cost.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread **\$2350**

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread **\$2150**

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size in waterproof bag **\$450**
