**DELIGHTFUL BANQUET
 TENDERED DAUGHTERS**

Delegates to U. D. C. Convention at New Bern Mingle Pleasure With Business—To Elect Officers Today.

Greensboro News.
 NEW BERN, Oct. 13.—Following a delightful banquet in the reception rooms of the Centenary Methodist church last night, tendered by the New Bern chamber of commerce, which formally opened the convention, the second day's session of the North Carolina division, United Daughters of the Confederacy, got under way this morning with a business session, followed in the afternoon by a historian's conference and an automobile ride about the city and environs.

The session was presided over by Mrs. Felix Harvey, of Kinston, president of the division. A number of important matters, including reports of committees were disposed of, following which the delegates were the guests of the Woman's Club at a delightful luncheon. The luncheon was more in the nature of a love feast, and was informal.

This afternoon at 2 o'clock, Miss Lowry Shuford, of Gastonia, presided at the historian's conference. From 2:30 to 4:30 another business session was held, followed by the trip about the city. Both of the business sessions were routine in character.

The evening was designated as children's evening, and a pleasing program was presented at the high school auditorium. This entire program was conducted by the children themselves, the Children of the Confederacy taking a prominent part.

A fitting climax of the day was the reception tendered the Daughters by the members of the Order of the Eastern Star. Mrs. Josephus Daniels and Mrs. Thomas W. Bickett were the guests of honor.

The sessions tomorrow will be replete with interest. They will begin at 9 o'clock in the morning and will last until late in the afternoon, winding up with a boat ride down the Neuse river. A memorial service will be held at noon by Mrs. T. A. Woodard, chaplain, followed by the calling of the roll of the departed. Luncheon will be served at the parish house. The election of officers will take place in the early afternoon.

The delegates express themselves as very much pleased with their entertainment in New Bern. Hundreds of them have been taken into private homes. Many small social features for individual guests not on the programs, are adding much to the enjoyment of the occasion.

Constipation.

The beginning of almost every serious disorder is constipation. If you want to enjoy good health keep your bowels regular. This is best accomplished by proper diet and exercise, but sometimes a medicine is needed and when that is the case you will find Chamberlain's Tablets are excellent. They are mild and gentle in their action, easy and pleasant to take. Give them a trial. They only cost a quarter.

**HARDING CHALLENGED
 TO DEBATE WITH COX**
 (By The Associated Press.)

NEW YORK, Oct. 13.—On behalf of Governor Cox Senator Pat Harrison, of Mississippi, today issued a formal challenge to Senator Harding to meet the Democratic presidential candidate in joint debates on the subject of the league of nations.
 Acting for the speakers' bureau of the

Democratic national committee, of which he is chairman, Senator Harrison wired Senator Harry S. New, who occupies a similar position in the Republican organization offering to cancel any speaking engagements heretofore made for Governor Cox in order to bring the two candidates together.

Continuing he included any and all Republican speakers in a blanket challenge to meet other Democratic speakers who, he said, would be willing to use

a portion of their meetings from now until election day to discuss Senator Harding's position on the league with any one who cared to debate the point.
