"BE FRANK AND ADVERTISE " "He frank and advertise," was the was O'Sullivan or something like advice given public utility companies by

P. H. Gudsden, of Philadelphia, president of the American Electric Railway Associations at a meeting of the Indiand Public Utility Association in Indiminantis a few days ago.

And what is true of public utilities like gas, light, telephone and telegraph service and electric railway service is The Associated Press is exclusively equally as true of any commodity that the public wants or ought to have. The otherwise credited in this paper and also advice that Mr. Gadsfen gives to disproductors of public utilities is so applicable to the general field of advertising

that we are quoting how further: "Frankness must go hand in hand with advertising else advertising fails. Therefore, be prepared, when you begin presenting your story to the public, to tell the whole truth about your business to everyone. As the only customer of the public utilities, the public is entitled to know all about their business and any public utility which cannot stand the searchlight of honest public inquiry can-We have given our hearts away, a sordid not hope to obtain help through favorahie public sentiment. Put your house in such order that you will fear the questions of no man.

Advertise by every possible channel and hit the line hard Tell your story everywhere that there is blank space which you can fill

"Micke it plain that the public utility problem is the problem of every man, woman and child who uses your service So might 1, standing on this pleasant strive by frank statement to convince consumers that you are trying to do the lost thing for their general good and that it is in their own interest, if nothing else, that they should enlist themselves in your cause. The way to pe complish this result is not to make the mere statement that it is your intention to give good service, or to submit to the public a large indigestible volume of statistics and then sit down and wait for the millennium. The thing to do is to explain your situation in understandable

terms to just as many folks as possible. If you have a good case and will tell the whole truth about your situation in a simple and convincing manner and give

Brandon Tynan has stepped into the role of "The Vagabond" in George Cohan's melodramatic farce, "The Tavern." Arnold Daly has been playing this part, which is the lead of the piece, and has made a definite success of it. No reason has been given for the change. Mr. Daly simply states that Mr. Cohan has been he is going to revive one of his old Successes.

he is carrying his figures with him country exports some part of its fin-

ished products," he says, "and pretty some essential raw materials." Oh, well, as someone said sometime previous to this, "It's a small world, after all."

erally will be disposed to criticize sharply the action of the commission in thus slighting the hospital.

Mr. Seely's hospital at Asheville will accommodate about 40 or 50 patients when completed. According to the best information available in Gastonia, the blue prints for the building have not even been prepared. It will be many months, before Seeix's hospital will be able to function at all. In the meantime crippled children all over the State are begging for help and treatment. Only yesterday, Mr. Babiagton received a letter from a poor little childranted boy who has never walked in his life asking. how soon be could gain admission by the hospitala

The Grante believes that the people of the State will not allow the hospital tar of the all bud bestomic related a new the thus singlifed.

#### MOVING

It is an attlieuity that we us got ting out the next few editions of The Gazette as a explained elsewhere in the more natual spuelles in operation than day's paper. Fellow newspapers will. appreciate our position, even if the average realizations not. One landype machine is a quarter of a mile away from the make up norm. Another is online comball yorn industry. The completely "hers decombat." Parts of county had been known as possessit are scattered ail over the shop and on the road from tars one to the other. For two weeks a man from the factory has even greater decht upon her industrial been installing a new Duplex printing growth to consider it as the unit and not press in our new building and we don't know whether it will run or not when he gets it un.

We could, with very good grace, have discontinued publication for a day or two, but there is a certain pride in doing things in the face of handicaps. We shall not stop as long as there is a roof over one of the buildings, and if it came to the worst, we could print a paper out in the street.

#### THE FEDERAL RESERVE.

Attention is called to an article on the Federal Reserve Bank. It is one of . Long chaplain, the strongest arguments we have seen, Federal Reserve Bank.

#### it deserving circulation through the best available advertising medium you are certain to rally the public to your support."

#### GASTONIA.

fine varus even as Grand Rapids is for furniture, Detroit for automobiles, and Akron for automobile tires. When a city reaches a place commanding the heights in an industry, it is well to let the world know it .- Charlotte Observer.

#### AMERICAN LEGION ELECTS NEW OFFICERS

At a meeting of the American Legion held Saturday night, officers were elected as follows: R. G. Cherry, post commander; W. L. Balthis, vice a mininder; page three of today's Gazette from the E. B. Denny, post finance officer; H. A. New York Commercial, in defense of Query, post historian, and Rev. R. C.

At a meeting of the officers and a speal committee this afternoon, plans will in explanation of the functioning of the he inaugurated for a special observance " Washington's birthday.

Now that some one else has achieved courage to sue Town Toples been tried before but without much success. Mrs. Blanche Bonaparte, wife of Jerome Napoleon Bonaparte, of New York, Newport and Palm Beach, is the latest entrant into the ring. Her husband is the greatgrandson of the King of Westphalia, brother of the great Napoleon. Mrs. Bonaparte alleges that her health and nervous system have been impaired by Town Topics charges at various times that she was "vain and foolish" with an "undue desire" to have her photograph taken.

The information that one-fifth of our industrial and agricultural population depended for its livelihood on foreign trade is an actually startling piece of news to most of us. The great U. S. A. dependent upon any other country in the world or any other people's money? Ha! We should say not! But O. K. Davis, of New York, Secretary of the National Foreign Trade Council, declares that it's true-and then proceeds to prove it. Mr. Davis is devoting himself pretty heavily just now to making every business man in the land ap-

. . .

"Big Bill" Edwards, Collector of Customs, has a cheery easy going manner, but when he issues an edict. there is little use in further discussion. So discovered the theatrical ing ticket brokers to stamp their names and addresses on the back of the tax, and the total of the two, "I ertainly did." said Mr. Edwards. "The law has been in existence for a long time. It is now going to be enforced." "But-but-well, when must we start this?" cried the crowd. "Immediately, and the penal provisions will be invoked," and Mr. Ed-

One of the sad things about being separated from one's wife, according to some men, is that it is expensive. Alimony or support added to what they have to pay strangers to do their cooking cuts deeper into their checkboks than the old "partnership" arrangement did. But now along comes the New York Tax department with a decision that a man who does not live with his wife can't take the \$2,000 income tax exemption. "Only \$1,000 allowed in that case," it says. "The alimony or allowance you have to pay your wife comes under personal expenses and is not deductible."
