## THE CLIMAX! THE FINISH!! THE END!!!

### A GENUINE CLOSE OUT SALE \$75,000 STOCK INVOLVED

Men's and Boys' Clothing,  
Ladies' and Misses' Ready-  
to-Wear, Shoes, Dry Goods,  
Furnishings and Notions.

### My Message I'm The Man

I was sent here to close out this stock in the shortest possible time in order to raise money to satisfy present creditors. I must raise the cash without delay, therefore with an utter disregard for costs in mind, I will throw this entire stock into the maelstrom of this furious selling campaign without reservation. I came here from Minneapolis, Minnesota, having been given full power to proceed in an honorable manner and close out this stock at once. Believe me when I say, "I'll do it." Your hard-earned dollars will feel at home when they mingle with the bargains that I'll offer. In all fairness I invite you to visit this sale and let your own eyes see the visible proof of my statements.  
George L. Bush, Merchandise Attorney and Adjuster

#### THE REASON.

With creditors pressing for their money I am forced to sacrifice my stock and sell it for what it will bring to raise cash to satisfy them. I am going to close out my entire stock of Men's and Boys' Clothing, Ladies' and Misses' Ready-to-Wear, Shoes, Dry Goods, Furnishings and Notions and quit. It is my intention to open a first-class cut-price, cash and carry grocery store at my present location as soon as this stock is sold out. Mr. George L. Bush has been given full charge of this sale and I feel confident that he will completely close this stock out in a very short time. I am helpless and must take my loss and will do so without a murmur.

E. FROHMAN.
