One wouldn't think, offhand, of gloves as being a subject for intense controversy. But such they seem to have become among a considerable portion of Manhattan's population. I'm speaking now of women. Society and near society has been, and still is, all stirred up over the question of whether or not one must wear gloves throughout an evening or thrust them earelessly, onto the floor, Even the Vanderbilt family itself is split on this serious matter. Mrs. Hamilton M. K. Twombley, one of the most exclusive of the Vanderbilts, never bares her fair arms in public, while Mrs. Harry Payne Whitney, another Vanderbilt, rarely bothers with gloves. Other equally formidable names can be quoted on either side. But the person who has created the most of a sensation is Mrs. John Barrymore, the ex-Mrs. Leonard Thomas, who has started the fad of wearing short gloves with short deeves! That is quite enough to give people of Gaston county is through the any of man shock,
