I'd walk a mile

The pleasure is worth it. There's no substitute for Camel quality and that mild, fragrant Camel blend.

The fellow who smokes Camels, wants Camels. That's because Camels have a smoothness, a fragrance and a mildness you can't get in another cigarette.

Don't let anyone tell you that any other cigarette at any price is so good as Camels.

Let your own taste be the judge. Try Camels for yourself. A few smooth, refreshing puffs and you'd walk a mile for a Camel, too.

We are all interested in the growth and prosperity of Gastonia. To assure the continued development of our city, every individual as well as every business enterprise should put a shoulder to the wheel.

Our industries are what make our city great. But industries cannot expand without capital, which in most cases must be drawn from the accumulated savings of many people.

Every man or woman who opens an account with this bank is not only helping himself or herself by taking advantage of the efficient service we offer in the handling of commercial and savings accounts, but is also helping to develop the industries of Gasto-

It is part of our service to bring capital and legitimate uses for it together, so that it will work to the best advantage for both owner and user.

Every business man should have a strong. service-giving banking connection. If you wish to make such a connection, consult us.
