An attractive display is arranged in one of the windows of W. H. & D. P. Stowe's furniture store showing the articles which the Ladies' Aid Society of the First Baptist church will sell in their sale on Saturday. Besides all kinds of wearing apparel, home-made cakes and dressed chickens will be offered. The ladies will also have for sale during the day ice cream and cake, sandwiches and home-made candy. It is hoped that the people of the community will give the ladies a good patronage, as they have made extensive plans for making the sale a success.

Mr. and Mrs. S. M. Cox are visiting the latter's parents, Mr. and Mrs. John Tate. They are on their way to St. Petersburg, Fla., where Mr. Cox will play ball this summer.

G. C. ELLIS, Com.

Whooping Cough.

This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, cocaine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.

Parents

While the children are making money of their own during vacation time teach them the lesson of thrift. Teach them to save a part of all the money they get. Bring them in the bank and open a savings account for them and let them deposit their own money in it.

It will be a lesson they will never forget, and one that will be invaluable to them in the future.

Lay Them Right Over the Old Shingles

WHEN your shingle roof must be replaced you need no longer suffer the houseful of dust and dirt, litter, annoyance and expense of ripping off the old shingles. Leave them where they are and lay Johns-Manville Asbestos Shingles *right on top of them*. Then you'll have a roof that is fireproof and everlasting; you'll get the benefit of the splendid roof insulation afforded by the old shingles and, most important of all, you will have re-roofed for the last time.

RE-ROOF FOR THE LAST TIME WITH JOHNS-MANVILLE ASBESTOS SHINGLES

Lay Johns-Manville Asbestos Shingles right over the old wooden shingles and you eliminate roofing troubles and expense for all time because Johns-Manville Asbestos Shingles will last as long as your building stands. They're all mineral—nothing in them to rot or burn; they will not warp, curl or split; they never need paint; they're easy to lay and they are most attractive in appearance.

Does your roof need replacement? If so, it will pay you to get full information about this method of re-roofing with Johns-Manville Asbestos Shingles. See us at once. We can do the work for you quickly, easily and economically.
