

BESSEMER BRIEFS.

(Correspondence of The Daily Gazette.)

BESSEMER CITY, Jan. 2. — Mr. Buford Beam and Miss Minnie Morrow took their friends by surprise and married over to Gastonia Thursday and were married at four p. m. by Dr. J. C. Galloway at his home. They planned to keep it a secret for some time, only the immediate families taken into trust, but as all secrets will, it leaked out. Mrs. Beam is the second daughter of Mr. and Mrs. Porter Morrow, prosperous farmers on route two. She is now a member of the Sunnyside consolidated school faculty, the position she has held for several terms, and is a young woman of many accomplishments. Mr. Beam is held in high esteem by his friends and is a prosperous farmer. The young couple have many friends who extend best wishes.

Miss Eva Matthews and Mr. Robert S. Ormand attended a reception in Cherryville Friday night, given by Mr. Ormand's class mate at N. C. College, Mr. George, at the elegant home of his parents, Mr. and Mrs. John J. George.

The school here will not resume duties until next week, the reason for the extended vacation being that some radiators will be placed in several of the basement rooms and fitted up for classrooms, and other necessary repairs.

Miss Louise Lang is spending the holidays at Camden, S. C.

The young people had a great time here Saturday night watching the old year go out. Several watch parties were given and towards the midnight hour everything came out, and such celebrating! The mill whistles blew, all of the church bells rang, the band played and other demonstrations given.

A family reunion that was very much enjoyed was given at the home of Mr. Zach T. Payne last Tuesday. A large number of friends were also invited. A splendid dinner, so much that the crowd there with their enormous appetites were not able to affect it. Mr. Payne is the father of ten sons. An especially interesting feature was the weighing of father and sons, whose combined weight was 2,047 pounds. The heaviest tipped the scales at 250 pounds. Mr. Lee Payne of Lexington, S. C., was present and spent several days here visiting relatives and friends.

Mrs. Alexander Morrow and little son, D. A. Jr., and Mrs. Lee were the guests of their parents, Mr. and Mrs. C. C. Kiser last week.

The young folks are leaving for their colleges and positions Tuesday to their respective places. Miss Mary Ormand to South Point school, Miss Mary Harrill to High Point, Miss Rena Harrill to Queens College, Miss Elton Gamble to Rosedale, Mrs. Presley Morrow, Mrs. Ralph Arrowood to Fairview, Miss Maggie Kiser to Mt. Olive, Miss Beth Froneberger to Pigeon, Miss Bonnie Botts, Miss Mary Froneberger, Miss Elizabeth White to Hickory, Miss Carrie Kiser to Red Springs, Miss Alma Kiser and Miss Maude Rhyme to N. C. College for Women, Mr. Clyde Kiser, Mr. John Ormand, Mr. Lee Peeler to University, Mr. Robert S. Ormand N. C. College at Raleigh, Mr. James Ross Caldwell to Erskine at Due West, S. C., Miss Tuh Caldwell to Indian Trail, Mrs. Buford Beam to Sunnyside, Miss Lizzie Harmon to Little Mountain, Miss Eva Matthews to Queens at Charlotte.

BESSEMER CITY, Jan. 2. — Mr. Smith who lives near here has a pet bound which was taken with hydrophobia and bit three of his children. They are taking the Pasteur treatment at home.

Miss Ruth Davis has returned from Kings Mountain where she spent some time visiting relatives.

Mr. Charles Davis left for his work Wednesday at Marshall after spending Christmas here with his family.

A camp for the road-workers is being built in the grove on Mr. Ormand Ormand's farm, getting ready for the food-building.

Miss Mary Froneberger, Miss Bonny Botts and Miss Elizabeth White were the guests of Miss Ruth Froneberger at a delightful dinner party, Saturday at one p. m.

Miss Katherine Sullivan, of Spartanburg, S. C., is spending a few days with Miss Bonny Botts on her way to Lenoir College where she is a student. Miss Botts will entertain at a lovely dinner Monday at 6 p. m. Her guests invited to meet Miss Sullivan are, Misses Mary Froneberger, Selena Davis, Ethel Hawkey, Elizabeth White, Beth Froneberger and the honor guest, Miss Sullivan.

Mrs. Philip Allen and children of Cranerton spent a few days with her sister, Miss Mattie Service this week.

Mr. and Mrs. Brady Forbes and family of Crowders Creek spent Wednesday here with friends.

CRAMERTON

(Correspondence of The Daily Gazette.)

CRAMERTON, Jan. 2. — Mays mills resumed work Wednesday morning, having allowed only three days for Christmas holidays to the delight of all breadwinners.

Mr. and Mrs. Stewart W. Cramer have gone to Rockledge, Florida for their annual mid winter vacation. Mr. Cramer says he prefers that section to the fashionable resorts as he can secure real rest and recreation.

The grounds around the Baptist church school house, and Dr. Miller's home have been regraded, the terraced part next the sidewalk has been sodded and the upper parts sowed to grass. Shrubs, and trees have been set in such a way as to add beauty to the surroundings. The Hotel block has also been leveled and seeded to rye preparatory to sowing grass in the spring. This removes the last unsightly objects along the main street. Though necessary while the building program was being carried out they were a source of annoyance to Mr. Cramer far more than to anyone else as he takes great pride in seeing everything neat and attractive.

Miss Ruth Willis entertained on Friday night in honor of two girl friends, of Charlotte who are spending the week-end with her. Games were indulged in until a late hour and refreshments completed the program.

Mr. Raymond W. Morris, of Baltimore, Md., who has been spending his holiday vacation with his mother and sister at the Cranerton Inn has returned to Baltimore.

Australian engineers have invented switches for use in railroads where three rails are laid to accommodate cars of different gauges.

MRS. POOLE SAYS SHE COULDN'T LIFT HER RIGHT HAND AT ALL

"When I began taking Tanlac I had rheumatism so bad I couldn't walk and now I haven't a trace of it and am as active as ever in my life," said Mrs. M. W. Poole, Edgewood, Va., Roanoke, R. F. D.

"My back and shoulders hurt me especially, and my muscles were so sore I couldn't bear so much as the weight of bed clothes on me. I couldn't raise my right hand and I suffered so much at night I couldn't sleep."

"When I began taking Tanlac I had been in bed three weeks, and as wonderful as it may seem, it is true that by the time I had finished the third bottle I was entirely free from rheumatism. I'm well and strong now, thanks to this wonderful Tanlac."

Tanlac is sold in Gastonia by J. H. Kennedy & Co. and by leading druggists everywhere.

TEN RULES FORD OWNERS TO ADOPT.

(Bristol Herald Courier.)

"How do you keep your Ford from being stolen?"

In the past two or three weeks since purloining flivvers seems to have become a profession or a highly developed art this question has frequently been asked. At least one or two cars are stolen daily and naturally owners are getting more and more interested in means to keep their sheet iron bronchos tethered in safety.

A careful study of the situation has brought forth a sure remedy for the trouble. Observance of the following ten rules will be a certain guarantee against Fords being stolen:

1. Remove the motor from the car and put it under lock and key.
2. Next chain and padlock all four wheels to an immovable body.
3. Drain the gasoline tank and fill the tires with dynamite.
4. Electrify all metal parts with 100,000 volts.
5. Set large bear traps on the front and back seats.
6. Put the car to sleep with ether.
7. Station armed guards on each side of the car.
8. Fill the tonneau with ferocious bulldogs.
9. Build a barbed wire fence around the space in which you park.
10. Go to bed and sleep in peace.

These rules have never been known to fail. Close application to them will save owners the expense of wiring of ferals in nearby towns to be on the watchout for the stolen cars.

FRENCH PRESS TAKES LITTLE NOTICE OF CONFERENCE

PARIS, Dec. 31. — The French press has taken little editorial notice of the proceedings at the Washington conference, its comment consisting of brief references to the general situation, and being usually critical of England's position. There has been no detailed comment since early this month and the news of the conferences itself has been held to brief agency despatches.

ATHENS, Dec. 31. — The Greek ministry of finance announced that the British Government has authorized the completion of a loan to Greece of 15,000,000 pounds sterling on condition that the greatest part of the amount possible be used in the purchase of English products.

DEATHS

ROSE MARY MILLER.

Dr. Oscar L. Miller, surgeon of the Orthopaedic Hospital, and Mrs. Miller have the profound and heartfelt sympathy of a host of friends in the great bereavement they sustained in the death Saturday night at the Johnson-Fisher Hospital, Atlanta, of their little two and a half year old daughter, Rose Mary. The little body was brought to Gastonia, accompanied by the sorrowing parents, on No. 36 Sunday morning and was taken to the Miller home at the hospital where funeral services were held Sunday afternoon at 3:30 o'clock. Rev. Dr. J. H. Herdette conducted the services, following which the little body was tenderly laid to rest in Hollywood Cemetery. The pall-bearers were J. H. Separk, A. G. Myers, Ed. C. Adams and W. E. Baltis.

Last October this bright and unusually attractive child developed a spinal trouble and, despite all efforts to arrest the disease, grew gradually worse. Two weeks ago she was taken to Atlanta for treatment by Dr. Mike Hoke but it was found impossible to do anything for her.

Fruit is picked from the ground and deposited in a basket as a new machine is wheeled over it by hand.

Colds Stop Quick.

Breaks up a cold in six hours; nothing gives quicker relief in coughs and colds than Hyomei. Goes right to the spot and kills the germs. Money back if it fails. J. H. Kennedy & Co.

OUR CITIZEN'S DEMANDS

Fully Complied With—A Gastonia Resident Furnished It.

There are few items which appear in this paper more important to Gastonia people than the statement published below. In the first place, it is from a citizen of Gastonia and can be thoroughly relied upon. In the second place, it indisputably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully:

E. A. Smith, Grocer, W. Franklin Ave., Gastonia, says: "I have had some trouble in the past with my back and kidneys. My back ached a good deal and I felt tired out and run down. I got Doan's Kidney Pills and began taking them. Doan's made me feel like a different person. The aches and pains left me and I was entirely cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Smith had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The Dawn of the New Year

To Our Many Friends and Patrons,

whom we have served for the year just passed we extend the sincere wish for a most

Prosperous and Happy New Year

and may we serve you even still better in the future than in the past.

H. SCHNEIDER

Food Remittances, Instituted by Hoover, Save Many Russian Families from Death

WIDE WORLD PHOTO

The package shown at the right means life to 800 Russian families like this one, consisting of father, mother and eight children, which the photographer snapped as they were in flight from their home in the heart of the famine zone. The smiles on the faces of the youngsters are due to the fact that the cameraman found some white rolls in his grip sack and passed them out before he posed the refugees alongside the road.

Tens of thousands of the inhabitants of the vast territory swept by drought are fleeing they know not where, in search of something to eat. The total population of the famine area is about 15,000,000, according to Colonel William N. Haskell, director of the American Relief Administration's Mission to Russia, while as many more inhabit the food shortage belt and are rapidly nearing a state of starvation.

That's where the package in the picture comes in. When the American Relief Administration discovered that its free mass feeding of 1,200,000 Russian children this winter would not even take care of half of the little sufferers, not taking the grown-ups into consideration at all, Herbert Hoover, chairman of the organization, broached to the Soviet authorities the feasibility of instituting a Food Remittance system whereby friends and relatives residing in America could purchase for adult famine victims at an expenditure of from \$10 to \$50, a maximum quantity of the most highly nutritional food and receive assurance that it would be delivered to the adult persons they designated in

the quantity of food that is delivered by the Food Remittance plan. Besides that, the American Relief Administration assumes all the risk from the time the Food Remittance is purchased in America until the food is delivered to the adult recipient at a warehouse in Russia.

Applications to purchase Food Remittances may be made in person or by mail to the Russian Department, American Relief Administration, 42 Broadway, New York City. The applicant receives a blank which he must fill out according to instructions and return to the A. R. A. with a money order. Remittances may be purchased in units of \$10 up to \$50 for delivery to individuals, and up to \$500 for delivery to recognized groups and institutions.

NEW INTEREST PERIOD
JANUARY 1ST.

A new interest period begins in our Savings Department January 1st.

All deposits made on or before January 7th draw interest from the 1st at 4 per cent, compounded every three months.

The CITIZENS National Bank

FIRST PHOTO FROM DISASTEROUS WRECK ON READING ROAD. Local passenger trains met head-on on the Newton branch of the Philadelphia and Reading R. R., about 16 miles from Philadelphia. Twenty-two are dead and many hurt. Wire communications and rescue work were both delayed by a severe snowstorm. Few persons were killed in the first impact but it is believed that many were cremated, alive, in the blaze because of the wooden coaches.

THE ROAD TO HEALTH

A few more points may enlist you in the great army of chiropractic enthusiasts.

If you wish to know about chiropractic, the ONLY man who will give you correct information is the Chiropractic Doctor, for he is the only one who KNOWS. He is interested in your welfare and can prove to you that his statements are true. Chiropractic can make you well.

You can readily see how enthusiastic I am about this wonderful science. I have unlimited confidence in it. I am positive that you will derive wonderful benefits, because I know and because I see health restored under my hands. My patients tell me with smiling faces that they are better. I can show you testimonials, or better, I can introduce you to my patients who have suffered such afflictions as Rheumatism, Gout, Sciatica, all varieties of Kidney, Stomach and Intestinal troubles, chronic Headaches, Head noises, Fainting, different Nervous disorders, Hysterical Epilepsy, Heart troubles and difficult Breathing, Asthma, Constipation, Female troubles and all varieties of Paralysis. All these cases are on record and all will testify to health restored by Chiropractic Spinal Adjustments. How can this help but make me confident of my methods of healing the sick?

Therefore, if you wish to find out about Chiropractic, come to me. Do not make the mistake of going to a medical man. He may know medicine, but he is as ignorant on Chiropractic as any layman, and therefore, cannot tell you the truth.

Yours very sincerely,
DR. J. C. SMALL
