JOHN L. LEWIS IN WASHINGTON BEFORE HOUSE

(By The Associated Press.)
WASHINGTON, April 3.—Armed with all the arguments and statistics that have been assembled by the United Mine Workers of America to support the action of the union in suspending work in the nation's coal mines, John L. Lewis, international president of the mine workers, was in Washington today to appear before the House Labor Committee and to confer with government officials regarding the strike.
 In appearing before the House committee Mr. Lewis will address his remarks directly to the subject of the committee's hearing, the bland resolution to direct presidential appointment of a commission to study the coal industry, but questions planned by committee members are expected to lead the mine workers' president into various aspects of the strike situation.
 Mr. Lewis said today he was quite satisfied with progress of the strike, and although recognizing that today and the next few days to come will provide the first test of the effectiveness of the walkout predicted "there won't be a single return to work this week from the 600,000 men who went out."

TWO KILLED WHEN PLANE CRASHES TO EARTH

MACON, GA., April 1.—W. L. Fisher, who was injured yesterday afternoon at Central City Park, when a blazing aeroplane, he was piloting, crashed to the earth, causing the deaths of John J. Costa, of Anthony, Kas., and Ray Roundtree, known as Jules Deveraux, 32, of Portland, Ore., automobile racers, is in a critical condition. Doctors express grave fears for his recovery.
 The three men had been appearing here with a flying circus staged by Mena Beady and had started an aeroplane for Andalusia, Ala., when a downward current drove the shaft of the machine against one of the guy ropes holding a smokstack of the M. D. & S. railroad shops. The machine, unable to proceed, burst into flames and crashed to the ground. When the three men were extinguished they had been badly burned. Costa and Roundtree died late last night.

SLEEPS LIKE A CHILD AND GETS UP FEELING FINE

She Never Expected to Feel As Well As She Does Now, Says Schoolfield Resident—Health was Completely Broken Down From Stomach Trouble.

Mrs. Thomas Dabbs, 74 Clatham Ave., Schoolfield, Va., says:
 "My health broke down entirely as a result of stomach trouble and I just kept getting worse all the time. Finally my stomach got so weak all I could force down was a cup of coffee and a little piece of bread. My nerves gave out and I ached all over, especially in my back and shoulders.
 "I never expected to feel as good again as I do now and I can truthfully say that Tanalee has been a wonderful blessing to me. My digestion is perfect, I sleep like a child all night long and get up in the morning feeling fresh and happy now."
 Tanalee is sold in Gastonia by J. H. Kennedy Drug Co., and by leading druggists everywhere.

The station master, hearing a cry on the platform, ran out of his room just in time to see the express, disappearing around the curve and a disheveled young man sprang and several overturned milk cans and the contents of his traveling bag.
 "Was he trying to catch the train?" asked the station master of a small boy who stood by admiring the scene.
 "He did catch it," said the boy, happily, "but it got away again."
 "My son," said the old gentleman who was giving his boy a little fatherly advice, "just remember that there are no short cuts to fame."
 "Yes, father."
 "Even the baseball star who earns a reputation as a home-run king has to touch all the bases."—Birmingham Age-Herald.

STAGE FOLK OUT OF JOB, HAVE TURNED DOMESTIC SCIENCE TALENTS TO ACCOUNT.

To provide work during the unusual period of depression in the theatrical world, Hilda Sping, Margaret Allen and Anita Clarendon, all well-known on the stage, opened an exchange in New York City for handwork of idle stage women. This was followed by a restaurant, called The Stage Door Inn, with food cooked and served by women on the stage without engagements. The restaurant's clientele is largely of stage folk. The photograph shows (left to right) Fanny Davenport waitress; Major S. H. Moore, and Emma Frohman, sister of Daniel Frohman, theatrical producer.

CLEVELAND CHURCH TO ERECT \$1,500,000 STRUCTURE

CLEVELAND, O., March 28.—Plans for the erection of a twenty-story building to cost approximately \$1,500,000 have been announced by trustees of the First Presbyterian (Old Stone) church. The building will be erected on Ontario street, adjoining the church which is one of Cleveland's landmarks. It will occupy space on which the chapel stands at present, and will have a frontage of 100 feet on Ontario street and extend back about 170 feet on West 2nd street.
 No change is contemplated in the main church building, which has stood at Ontario street and Public Square for over ninety years.
 The proposed new building will be used for Sunday school parlors, offices, dining room, committee rooms, etc., in such part as is required by the church, and the remainder will be arranged for office purposes for the general public. It is expected the rental from the latter will be sufficient to maintain Old Stone church indefinitely in its present location.
 Dr. A. B. Meldrum, the present pastor, is the fifth who has officiated at Old Stone church since its foundation. Rev. Dr. Meldrum will complete twenty years in that position on May 15.

VETERAN OF CIVIL WAR REVEALS HEALTH SECRET

Tells of Wonderful Remedy That Has Kept Him Fit for Thirty Years

The Civil War ended more than fifty years ago, and the veterans of that great conflict are rapidly passing. The soldiers of that period endured many hardships, were exposed to the elements and in many cases, were illy fed. These conditions led to chronic ailments of all kinds, such as rheumatism, lumbago, sciatica, constipation, heart trouble and diseases of the kidneys and liver.
 One veteran, Mr. Abram

Arnold, R.F.D. No. 2, Campbell, N. Y., now in his 77th year and hale and hearty, tells how he has kept himself in good health. He writes:
 "I have made use of Dr. A. W. Chase's medicines for 25 or 30 years and during that time they have never failed to do all that is recommended of them. I am a veteran of the Civil War—almost 77 years old, and was through fifteen hard fought battles, but am still living with the help of Dr. A. W. Chase's Tonic

Pills. I have a bad heart, and find these pills of wonderful benefit for this trouble. Anyone wishing further particulars may write me, and I will gladly reply, as I want people to know of this wonderful remedy."
 You can buy Dr. A. W. Chase's remedies at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M. D., are on each box. This is a trade mark for your protection against imitations.—Advertisement. 3
