# Gastonia Is a Good Place to Live ---AND YOU CAN MAKE IT BETTER

What makes one city grow faster than others around it?—not altogether the location, the facilities for manufacture and transportation, etc.

THE BIG THING IS the kind of men and women who compose its civic body. The way they do THINGS.

All we need to realize, is the basic principles which make for CIVIC and BUSINESS GROWTH, and GENERAL PROSPERITY.

Right now, these can be summed up in: BUILD MORE, WORK MORE, EARN MORE, SAVE MORE, and BUY MORE. There are hundreds who have been planning to build homes. You should do this, NOW that building costs are DOWN, and give jobs to hundreds who are now out of employment.

There are thousands who have put off buying, failing to realize that PRICES ARE DOWN,—some so low that they are

due for a rise! BUY NOW.

There are some who think that they can buy better or cheaper in other cities, without giving their local stores a chance. You owe it to yourself to TRY GASTONIA STORES FIRST. They can match values and prices with any stores ANYWHERE,—and THEY PERSONALLY GUARANTEE YOU SATISFACTION. The dollars you spend in Gastonia add to Gastonia's PROSPERITY.
