BUDGET OF LIVE NEWS

ITEMS FROM BELMONT

(By Mrs. Adelaide S. Beard.) BELMONT, 6:05 P.M. 6b. Dr. Frazer Delivers Magnificent Address At Graduating Exercises.

The graduating exercises for the class of 1922 for the Belmont high school were held in the East school auditorium Monday night. The class exercises were very creditably carried out by the members of the class, all of the young people doing their parts very well.

The feature of the evening was the magnificent address by Rev. Dr. W. H. Frazer, president of Queens College, who made one of the finest talks ever heard in Belmont.

Taking as his subject 'Education That Is Required To Meet The Present Day Demand,' he stressed the inadequacy of the present system of education to fit young people for the present critical situation of world affairs.

'Education,' said Dr. Frazer, 'must be more broadening, and take in boys and girls from all walks of life, as a great deficit in our education is that people are not properly prepared to appreciate and take advantage of the wonderful discoveries and scientific wonders of the world today.'

This he said was one of the main things holding back the wheels of progress.

Lately he brought out the necessity of an educational system that would make our young people strong in character and help them to stem the tide of immorality that is bearing down on the young people of today, and change the demand for immorality on the screen and the printed page and demand the pure in pleasure and pastimes.

Dr. Frazer said that the most important thing in education is to give the young people a sense of purpose and to give them a sense of responsibility.

GRAMERTON

(Correspondence of The Daily Gazette.) GRAMERTON, May 10. — The Gramerton public schools closed the most successful year of their history on last Friday. The work throughout the year has been characterized by a spirit of earnestness rarely found and each teacher has worked faithfully to raise the standard of her grade.

On Friday evening the sixth and seventh grades gave the beautiful drama, 'The Dream of Queen Esther.' They were assisted by the fifth grade pupils, who gave a Swedish folk dance in costume and by the fourth grade, who gave a Holland folk dance in costume.

The Gramerton baseball team played the Margraves team at Kings Mountain last Saturday afternoon. The game was a lively one and three double plays were made by the Gramerton team and two by Kings Mountain. It looked like the visitors would lose until the sixth inning, when with two men on bases 'Shorty' Hawkins drove a liner into right field, scoring both men.

A fine baby boy came to make his home with Mr. and Mrs. Play Roberts on Saturday morning. It is needless to say that the parents are proud of him.

Ruth Nuttall had the misfortune to break her arm while playing on the ladder at the school grounds last Friday evening and the little daughter of Lawrence Stone also broke her arm about 15 minutes later while playing on the sidewalk.

Mr. and Mrs. Ray Dixon moved from Rex to Gramerton on Monday and will take up work at the Mays mills.

Large advertisement for United States Tires. Text: 'Never before could you get so much tire worth for \$10.90. CAR-OWNERS who bought a 30 x 3 1/2 "Usco" for \$10.90 last Fall have discovered this by now— Nobody before ever got so much tire value in the neighborhood of ten dollars. They never had to question the quality—with the makers of U. S. Royal Cords behind it. They couldn't help admiring the price—spontaneously made to meet the new economy times. Today a number of other 30 x 3 1/2 tires have come into the popular \$10.90 price range originally established by "Usco." So it might be well to remember just what the "Usco" Tire is in case you are in the habit of comparing. In "Usco" you get responsible quality. \$10.90 is today's price. But the quality was fixed long ago—the same "Usco" performance tire users have been buying and using and buying again for years. A tire that would be high value at more than \$10.90. At \$10.90 it is unapproached. First to establish the new popular price \$10.90. United States Tires are Good Tires. Copyright 1922 U. S. Tire Co. United States Tires United States Rubber Company.
