HARDING'S LEADERSHIP IS KEYNOTE OF THE FALL CAMPAIGN OF INDIANA G. O. P., SAYS BEVERIDGE

Party's Nominee For Senate, A. J. Beveridge, Predicts Glorious Victory in Fall Elections—Praises Record of Republican Party and Leadership of Harding.

(By The Associated Press.)

INDIANAPOLIS, Ind., May 24.—Efficient and wise management of the nation's affairs, both domestic and international, and substantial results in relieving "the evils of eight years of democratic misrule" were claimed for the Harding administration in an address here today by Senator Watson, Republican, Indiana, before the Indiana Republican State convention.

For years it has been the custom of Indiana Republicans to have the key note of the national campaign sounded before them, and Senator Watson's speech, which was discussed in advance with President Harding, will be incorporated in the party literature for the Congressional campaign this fall.

Senator Watson praised the executive, legislative and diplomatic record of the present administration and flayed the recent Democratic administrations as "debt-incurring, deficit creating, bond-selling, surplus-wasting, factory-closing, industry-paralyzing, prosperity-destroying, social-oppressing, and catastrophe-producing."

"We are not responsible for all this waste," he declared. "We did not produce all this wreckage. We did not incur these debts. We have not piled up this mountain of obligations, and those gentlemen who are responsible for all this riotous orgy of extravagance and all this upsetting of industry and unsettling of financial conditions, now stand and jeer at us because in fourteen months we have not overcome all the evil they produced in eight years."

"We have not yet accomplished all that we have set out to do," he continued. "We have not cured all the ills and corrected all the mistakes and overcome all the evils of eight years of democratic misrule, but certainly we have taken long strides in the right direction and assuredly if the Republican party cannot adjust matters, what hope is there in turning to the organization that caused all the disaster in the beginning?"

Reduction of taxes and appropriations, reorganization of the Shipping Board, agricultural relief, the tariff and diplomacy of the present administration were emphasized by Senator Watson.

INDIANAPOLIS, Ind., May 24.—Indiana Republicans, meeting here today for their state convention, heard party leaders sound the keynote for the fall campaign.

Senator Watson, in an address which he had discussed with President Harding before leaving Washington, presented the claim that efficient and wise management of the nation's domestic and international affairs had brought about substantial results in relieving "the evils of eight years of democratic misrule."

A. J. Beveridge, the party's nominee for United States senator, praised the Harding administration, declaring that "America is to be congratulated on an official record so splendid."

Mr. Beveridge said that the convention marked the beginning of "our long and glorious advance toward a common victory in November."

"During the coming battle and there after we Indiana Republicans will strive in generous rivalry," Mr. Beveridge said, "until we with our brothers and sisters in other states set the highest of all the standards of loyalty to, and love for that noble leader of our party throughout the nation, the President of the United States, in whose admirable administration we take such pride, that wise, steady, patriotic, broad-visioned statesman, the typical American and faithful republican, Warren G. Harding, and to him as our captain we pledge our fealty and support."

"The supreme and only immediate duty at hand in domestic affairs is to restore American business to full strength and vigor. The reduction of government expenses, so well and efficiently begun by President Harding, must be continued until the last trace of extravagance is cut out."

"The laws of taxation must be still further revised until they are made wholly consistent and harmonious with economic law, so that capital, the lifeblood of the business, may flow freely through the veins of industry and the arteries of trade."

"It has been the glory of republican statesmen that they were guided by fundamental principles and never by shallow expediency."

"In short, the work to be done for the revival and permanent health of American business, and therefore, the general and enduring prosperity of the American people, involves the observance of familiar economic, moral and moral maxims established by the whole course of human experience."

IMMENSE CROWD HEARS SENIOR CLASS EXERCISES

"Travels With Aeneas," Is Playlet Produced—Class History, Statistics, Etc., Are Read—Dr. W. W. Orr to Speak This Evening.

Class night exercises were held at the Central school auditorium Tuesday evening. The largest crowd yet present at any of the closing exercises turned out for the program. Many were unable to get into the auditorium.

The program, "Travels With Aeneas," was cleverly planned and executed. During the unraveling of the plot, the class data, history, etc., were given as follows: Statistics, Womra McCombs. History, Rachel Henderlite. Poem, Carrie McLean Taylor. Will, C. K. Marshall, Jr. Prophecy, Blanche Pugh. Prophecy, Violet Chester.

These are published in full in "The Spinner," the high school annual which is just off the press. This year's Spinner is said to be by far the best publication yet produced by a high school class. Ben Ratchford is editor-in-chief and C. K. Marshall, Jr., business manager. The graduating exercises will be held this evening. Dr. W. W. Orr, of Charlotte, will deliver the literary address to the graduates.

Following is the program for tonight: Invocation, Rev. J. W. C. Johnson. Chorus, "Spring time," Girls' Glee Club. Salutatorian, Evelyn Boyd.

Introduction of Speaker, Carl Underwood, Class President. Commencement Address, Dr. W. W. Orr, Charlotte.

Chorus, "In A Gondola," Lingers, Boys' Glee Club. Presentation of the R. B. Babington Prize, A. E. Woltz.

Presentation of Diplomas. Chorus, "Spring time," Girls' Glee Club. Salutatorian, Ben Ratchford.

Valleyictory, Ben Ratchford. School Benediction, Graduating Class. Graduates. Annie Blair Anders, R. B. J. P. MORGAN ATTENDING CONFERENCE OF BANKERS

(By The Associated Press.) PARIS, May 24.—Leading bankers from many nations, with J. P. Morgan as the American representative, were in Paris today to discuss financial means for the settlement of the European situation, with a loan to Germany considered as one of the first measures necessary.

Informal discussions among the financiers preliminary to the meeting indicated that a loan to Germany must be of considerable magnitude to bring about a real settlement and assure that a fresh crisis will not spring up within a few months.

The figures mentioned ranged from \$500,000,000 to \$2,000,000,000, the latter apparently meeting with the most favor. Such a loan, however, would be contingent, it is understood, upon a decisive revision downward in the cash reparations payments demanded from Germany.

GEN. WOOD SAFE AFTER 36-HOUR ABSENCE

MANILA, P. I., May 24.—Leonard Wood, Governor-General of the Philippines, is safe after being missing 36 hours in the Yacht Apo following a typhoon, according to word received here early today. The yacht was reported to have taken refuge on an island near Mindoro, where the Governor, accompanied by his wife and daughter, had gone Saturday on an inspection trip.

Since the typhoon keen anxiety had been felt for the safety of General Wood and his family. The Apo is a small yacht and vessels generally in the vicinity of the island of Mindoro were driven helplessly before the storm. For two days efforts to reach the Apo were unavailing.

MARINE BAND TO GIVE A CONCERT TONIGHT

WASHINGTON, May 24.—The marine band, known as "The President's Own," will give a radio concert at 8 o'clock tonight, through the Anacostia naval station. The concert will last for one hour and it is expected will be heard throughout the eastern section of the United States and part of Canada.

The station will use a wave length of 412 meters and the signal, Nef.

CORONER POSTPONES INQUEST INTO DEATH OF PETERS, SAID TO BE ONE OF BLACK MAIL TRIO

Many Points in Confession of Ward, Millionaire Baking Company Official, Are Not Clear to Officials—Say Peters Was in Ward's House Night Before He Was Shot.

(By John Paul Lucas.)

WHITE PLAINS, N. Y., May 24.—Coroner Edward Fitzgerald, has postponed the inquest into the killing of Clarence Peters, described by Walter S. Ward, millionaire baking company official, as one of a blackmailing trio. Ward characterized Peters as a blackmailer in his confession of shooting the former sailor near Kensico reservoir recently.

The inquest has been put off until the coroner's investigators can clear up several points in the Ward confession with which Mr. Fitzgerald, in the light of late developments, is far from satisfied.

The police have been told by C. W. Eckhardt, owner of an estate bordering Kings Road, where Peters' body was discovered by William Griggs and Richard Short that no bullet wound was found until they had opened the coat and vest which were part of the clothing. Griggs and Short also told the police that only the shirt and undershirt showed evidence that a bullet had pierced them.

The men also declared that traces of only one car were found at the spot and Short, who lives near, declared that he heard but a single automobile rush north along the road about four o'clock that morning, the time set by Ward for the affray with the blackmailers. Another contradiction which officials insist must be cleared up is the failure to find but one empty shell near the body, although Ward declares that nine shots were fired between the time he shot Peters and exchanged shots with the other two men, "Ross" and "Jack," who fled.

The New Rochelle police have further complicated matters by insisting that Peters, shot on the morning of May 16, was in Ward's house the night before during a card game. They say that Ward went for a ride on the morning of the 16th, but returned to his house at 2 o'clock and not at 4, as stated by the authorities who say that they got the 4 o'clock time from Ward.

Neither the gun said by Ward to have been used by Peters was found when the body was discovered, nor is the gun Ward himself used in the hands of the authorities. Last night Ward was asked where he had met Peters, but he declined to answer. He was annoyed by a question: "Do you know what became of the revolver which Peters used?"

"Don't try to trap me," he said. "The authorities are said to be doing everything in their power to locate the missing 'Ross' and 'Jack,' but so far as can be learned no description of the men or general alarm has been sent out."

COLUMBUS CITIZENS READY TO SPEND MONEY AND LIFE IF NECESSARY FOR ORDER

COLUMBUS, Ga., May 24.—Re-dedication of the people of Columbus to the cause of civic loyalty and not only pledging their entire resources but "life blood" if necessary, for the preservation of law and order in the community, was the spirit of the massmeeting held last night by 1200 citizens in protest against the placing of a bomb on the porch of Mayor Dinnon early Sunday morning and threatening letters received Monday by city officials.

Indignation against the anarchistic demonstration against the mayor and the present form of government of the city prevailed throughout the meeting, which was attended by people from every walk of life.

The following is the resolution adopted at the meeting: "Whereas, the recent attack upon the mayor of the city of Columbus, though made upon the individual, was in spirit and in fact a blow at the foundation of our government itself, regardless of the form of that government; and

"Whereas, while protection of person and property is the paramount duty of government, there also rests in peace, upon the citizens, as well as in war, the reciprocal duty to at all times protect that government from the assaults of its enemies;

"Therefore, be it resolved, by the citizens of Columbus and Muscogee county, in massmeeting assembled, that we do hereby offer to organized governments of our city, county and ourselves, our services, our means and ourselves, to the end that the guilty may be punished, anarchy suppressed, the reign of law restored.

"Be it further resolved, that we commend the authorities for their efforts already begun and now in progress; we respectfully recommend and urge that in the effort to detect and punish the culprits the cost be not considered, that if it be necessary to increase the maximum, we stand ready and willing to bear the burden."

To Mr. Gardner's bid must be added the bids of Michael & Bivens and Guinain Co., making a total of \$351,649.00 as the cost of the building exclusive of heating and furniture.

NEGRO ESCAPED AFTER ROPE WAS AROUND HIS NECK

(By The Associated Press.) IRVINGTON, Ga., May 24.—Jim Deason, negro, is believed to have snatched from a mob after a rope had been placed about his neck and today he is reported to be attempting to elude a sheriff's posse and reach Marion to take refuge in a "moon proof jail."

Deason, convicted of attacking a white woman, was taken from the jail here yesterday morning, after a battle between jail attaches and a mob. He was placed in an automobile, a rope about his neck. The automobile soon afterwards crashed into another machine and the occupants were thrown out. Deason is said to have recovered first and made a hasty exit from the scene.

Irwine county officers who visited the scene of the automobile accident said they were convinced that Deason escaped. Several farmers in the vicinity reported having seen him, running bareheaded across country.

Bloodhounds were brought to Wilkinson county today and this morning search for Deason was renewed.

After scouring the surrounding country yesterday afternoon and throughout the night Sheriff Payer and several possees dispersed and returned to their homes without having seen any trace of the negro. The posse which renewed the hunt today is said to be composed mostly of the woman alleged to have been assaulted by Deason.

There is an air of mystery connected with the disappearance of the negro, and in some quarters it is believed he was disposed of by the mob. The sheriff and his officers, however, at first declined to take any stock in the reports that the negro escaped following an accident to the car in which he was being carried away, said today they were convinced that Deason had eluded the mob.

NELSON FATHER TELLS OF HIS LOVE FOR GIRL WHO MARRIED HIS SON

Thomas S. Nelson, Millionaire Slate King, Weeps as He Describes Affection For Lincoln-ton Girl Who Came to His Home as Bride of His Son, Romeyn Nelson.

(Charlotte Observer.)

WINDSOR, VT., May 23.—Thomas S. Nelson, "slate king" of Vermont, wept like a child as he poured out a heart-tugging story of his great love and admiration for "Little Nell," his temperamental daughter-in-law from the south, who has involved himself and his wife in a \$20,000 alimony suit.

"Little Nell," bride of the slate king's son, Romeyn, second year Harvard law student, charges she lost Romeyn's love, affection and support because of the interference of his wealthy parents, Thomas S. and Kate Nelson.

Tomorrow the case will be resumed by the defense in the United States district court.

"Little Nell was sworn to me right up to the day this terrible affair came into the courts," Nelson said to the writer on the porch of the local club, by the hotel, unburdening himself as the tears flowed unrestrainedly.

"I did all in my power to reconcile the two," he continued. "I loved Nell as if she were my own little girl, and she is still as sacred to me as she was on the day Romeyn brought her to me and said, 'Father, meet my little wife.'"

"It's a terrible sorrow for me to have my wife and my son and our personal affairs dragged into the courts and newspapers at my time of life. I'm an old man, I've made my money, but every dollar I've made I've worked for and come by honestly. This is the first time in my life my name has ever appeared in the headlines.

"My wife is as good a woman as ever lived, in spite of everything Nell's lawyer brings in against her. She's a woman who would never hurt anybody. She's just been through an operation and she is not well. This court affair is the greatest sorrow that has ever come into my life."

Romeyn took a seat on the porch, and the slate king proceeded: "No, I don't blame Romeyn either. Only I wish he had come to me. I never knew what the trouble was between the two. I don't know to this day. I'm just waiting for the moment they call Romeyn to the stand to tell his story, and for the first time this day's daddy will know why he has entered suit against Nell and why he doesn't go on living with her."

"We had a courtship by correspondence," Romeyn, 23-year-old student, said. "Nell sure could write wonderful letters. They won me completely. We corresponded for four years. I was 19 when we eloped. Nell, I don't know how old Nell is. She never told me. I think she must be 29."

"What gets me is this stuff they are trying to pull about me being a loafer. I'm not a loafer. I used to work in the quarries and now I'm studying law. Brown-eyed, fragile Nell swept by in her blue and salmon dress. The couple were mute.

"Just a couple of quarreling kids," the elder Nelson muttered.

The girl, Mrs. Nelson, was a Lincolnton, N. C., girl and married young Nelson in Charlotte. She was a Miss Rad-sill.

GENERAL ASSEMBLY TO MEET IN MONTREAT

Presbyterians Next Year Will Hold Meeting at Big Assembly Grounds Near Asheville. CHARLESTON, W. VA., May 23.—Among the items of business of special importance transacted by the general assembly of the Southern Presbyterian church today was the selection of Montreat, N. C., the summer assembly grounds of the church as the place of meeting for the assembly of next year; the adoption of that part of the report of three standing committees of foreign correspondence by which the assembly retains membership in the federal council of the churches of Christ in America, and the adoption of a substitute recommendation by which it withdraws all financial support to the council; action by which the body remains a member of the general council of the Presbyterian and Reformed churches in America, and the adoption of the report of the standing committee on publication and Sabbath school work one item of which included the resolution for a period of three years of R. E. Magill, of Richmond, N. C., as secretary and treasurer of the executive committee of publication and Sabbath school work, which position he has filled for the past 20 years.

PASSENGER RATES ARE NOT AFFECTED BY THE DECISION; WILL GO INTO EFFECT JULY 1

Cut Amounts to 12 1-2 Per Cent in Southern Territory—Commission Holds That Railroads Are Entitled to Earn 5 3-4 Per Cent on Value of Their Property—Reduction Was Necessary in Order That Business Might Be Stabilized.

WASHINGTON, May 24.—Reductions in freight rates averaging about 10 per cent were ordered today by the Interstate Commerce Commission in a decision resulting from its inquiry into the general rate structure of the nation.

The cut in freight rates was fixed by the commission at 14 per cent in eastern territory; 13 1-2 per cent in western territory and 12 1-2 per cent in the southern and mountain Pacific territories. All reductions ordered are effective July 1 and constitute a greater cut than was generally expected.

The commission in ordering the decreases—which are on a horizontal basis—held that the nation's railroads are entitled to earn 5 3-3 per cent on the value of their property rather than the approximate six per cent fixed as a reasonable return in the transportation act of 1920.

Transportation charges on passenger travel and Pullman charges were left unaffected by today's decision. Agricultural products will not be affected by the reduction granted under the commission's order today. The reduction of 16 1-2 per cent made in the western hay and grain rates last fall and the voluntary 10 per cent cut made in all agricultural products by railroads January 1 will be substituted for the decision on these commodities.

The Interstate Commerce Commission today decided that railroads are entitled to earn 5 3-4 per cent on the value of railway property, compared to the six per cent which was made the reasonable return standard under the transportation and ordered railroad rates in eastern territory cut approximately 14 per cent, effective July 1.

In Western territory the cut was approximately 13 1-2 per cent and in the southern and mountain Pacific groups approximately 12 1-2 per cent, also effective July 1.

The commission's rate cut was made horizontally and removes a percentage of the general increases given to all railroad rates in 1920.

The commission in its decision declared a general reduction in rate levels "as substantial as the condition of the carrier will permit," will tend to stabilize conditions, "of all business."

"Transportation charges have mounted to the point where they are impeding the free flow of commerce," the commission's decision, which ordered a far greater reduction of rates than had been anticipated in many quarters, said, "and are thus tending to defeat the purpose for which they were established that of producing revenue which would enable the carriers to provide the people of the United States with adequate transportation."

Passenger rates and pullman car charges were left unaffected by the decision which applied to freight rates exclusively.

The rate cut averages approximately an actual 10 per cent decrease in rates. Only two members of the board, Commissioners Lewis and Owsen, dissented, holding that the adjustments should have been made in commodity rates rather than on a horizontal basis. Chairman McHardy and other commissioners accepted this view in a supplemental opinion, concurring with the majority.

The order of the commission fixing the new level of rates defined the percentages of reduction as follows: "In the eastern group, also between Illinois territory and between Illinois territory and the eastern group, 26 per cent instead of 40 per cent authorized in the decision last cited (the rate increases of 1920.)"

"In the western group and between the Western group and Illinois territory, 21 5-10 per cent, instead of the 35 per cent so authorized.

"In the southern and mountain Pacific groups, 12 5-10 per cent instead of the 25 per cent so authorized.

"On interterritorial traffic except as otherwise provided herein 20 per cent instead of the 33 1-3 per cent so authorized."

The majority opinion reviewed the recent history of rate regulation and set forth summaries of arguments made by shippers in favor of reductions and carriers against reductions. It expressed the conclusion that "assumption that railroad rates can or should be stabilized on the present high basis is futile."

The majority further said that "until the public is convinced that there is little likelihood of immediate further material reductions in prices or transportation charges, confidence necessary to normal business will to that extent be impaired."

Explaining the reason for adopting a horizontal method of reducing freight rates, the commission said that while alterations in price levels had unequally affected different commodities, "the needs of commerce cannot be met if rates are to fluctuate with market prices of commodities."

Its conclusion was that "reduction should be made generally upon all commodities in substantially equal ratio."

Commissioner Potter in a separate opinion

opinion concurring with the majority, declared that the fixing of "the percentages mentioned, xxx, is in effect a requirement that present rates and charges shall, generally speaking, be reduced 10 per cent—certain reductions heretofore made to be treated as part of such 10 per cent reductions."

DR. BRUNER PREACHES ON SUBJECT, "SOUL WINNING"

Raleigh Pastor Preaches Strong Sermon at Morning Service at First Baptist Church Today—Services Twice Daily.

Dr. Weston Bruner preached the second sermon of the meeting which began at the First Baptist church yesterday morning, at 10 o'clock today, taking for his subject, "Soul Winning." He stated as his belief that the purpose of the church is the redemption and training of the world and said that during the past year Southern Baptist churches had added to their membership 261,000 souls, due to the spirit of evangelism and loyalty to God's word. He placed special emphasis on the work of Christians in soul-winning using the Bible as the necessary handbook; a list of clear convictions as the working tools and the necessity of planning the work—a business man plans his daily work.

In addition to this, a true worker must believe firmly in the reality of sin and the need of conversion, as must have a passion for souls as he has for the success of his own business and he must be a true believer in prayer.

Dr. Bruner is a passing speaker and held the close attention of his hearers. He is one of the successful preachers and pastors of the denomination, having held important pastorates in Washington for a number of years and is now pastor of Tabernacle Baptist church in Raleigh.

Services each morning at 10 o'clock and at 8 in the evening.

COUNTY MARKET TO OPEN ABOUT JUNE 7TH

Will Be Located in Willow School at Corner of Marietta Street and Second Avenue.

Gastonia's market will open on or about June 7, it was announced today by Miss Nell Pickens, home demonstration agent. The privilege of using the Willow School property as a market place for the summer months has been secured through the courtesy of the Gastonia School Board. The school is very conveniently located for the purpose, being on the corner of Second Avenue and Marietta Street, in a residential part of the town. One room of the school building will be fitted up as a rest room, since this is one thing badly needed in the town for the comfort of our visitors.

The local committee is very anxious to have the co-operation of the people living in the town and in the country, in making a success of the undertaking, believing that it will be of mutual benefit to all concerned.

The price of the products will be left to the producer and consumer. The State Department of Marketing has agreed to send each week quotations of prices from every town in the state, running a market for the information and guidance of those who may desire this help.
