

DALLAS DOTS

DALLAS, Aug. 1.—An old saying, "When the cat is away the mice will play" seems applicable to the Dallas correspondent the past week. While away attending the North Carolina Press Association jubilee convention at Asheville, N. C., the Dallas correspondent has been busy with the training features and news happenings in the city. The above explanation accounts for the delay in publishing the Dallas news.

An attraction that drew several hundred people to the city park was the advertising covey of the Beach Wonder Remedy Co., and their free vaudeville acts and variety show, something similar to the Rexall Specialty. Geo. Sosa, tonic and Beach's wonder oil met with great favor realizing a handsome sale through the Dallas Drug Co., where these goods are now sold.

Dr. J. L. Oats, the lecturer, assisted by Mrs. Oats; the blackfaced comedian, D. D. Lockboy; vaudeville acts by Mr. and Mrs. Billy Jones; Mr. Jones an unusually good ventriloquist, composed the party. Mr. Jones used the baby doll that was used by his father who was the first English ventriloquist in America, and he also instructed the audience just how to make a doll for this use.

The various contests were entered into with zest by the volunteers from the audience causing much merriment.

A double attraction Saturday night brought a record breaking crowd to the park when the Dallas Brass Band gave its first performance assisted by Messrs. Rhyme, Morrow and Helton of Gastonia and their instructor, Mr. W. W. Francis. Twenty gallons of cream was sold and ten or fifteen more could have easily been disposed of.

Mr. Francis and the boys have the hearty commendation of the whole city. Just keep it up. The next public concert will be at the Rhyme-Pasour reunion Tuesday, Aug. 8.

Mr. G. W. Dettler left for Boone Tuesday to resume his work, after a short visit with home folks from Sunday.

Mr. Dettler is engaged in the installation of the water plant in the State Appalachian Training school and in conversation stated that the grading was now in progress for the building of the \$85,000 or \$90,000 college and that the summer school had entered upon its second term with an attendance of about 500.

A message from Miss Lottie Burnside, of Pomona, states she will arrive in Dallas Friday to be the guest, for a few days, of Miss Willie Webb. Miss Burnside was a former member of the school faculty here.

Messrs. Lee Burns, T. S. Summey and E. N. Queen were special guests. Dr. and Mrs. S. A. Wilkins had as their guests Sunday, a cousin, Miss Jane Tillinghast of Enstover, S. C.

Miss Willie Hoffman, popular Dallas, young lady, daughter of Postmaster Will Hoffman and Mrs. Hoffman, is at home on a two-week vacation from the Roper Hospital, Charlotte, S. C., where she is in training. Accompanying Miss Hoffman home was her friend, Miss Genevieve Williams, also in training at the Roper Hospital.

A delightful visitor in the city from Wednesday till Friday, was Mrs. F. M. Russell, of Charlotte, guest of Mr. and Mrs. J. P. Hoffman.

COOPER RUNNING AGAINST SATAN AND ALL HIS WORKS

NASHVILLE, Tenn., Aug. 1.—(By The Associated Press).—When the voters of Tennessee go to the polls tomorrow to cast their ballots for candidates in the primaries they will find on the ticket for the senatorial nomination in the Democratic party the name of Noah W. Cooper. Mr. Cooper, in his own words, is "not running in this race for the Senate against anybody but Satan and all his works."

"We have such a big job in America to beat the devil that we have but little time to fight each other," Mr. Cooper declared in speeches delivered to Tennessee audiences. His platform, he told the voters "is but a part of the old time religion which kept America in partnership with God and which must be put into our national life to save us from ruin." He advocated use of the Golden Rule as the solution for industrial problems.

Mr. Cooper said that if elected he would carry to the United States Senate sixty-six gospels, similar to the "Gospels of Righteousness" given him by members of the Women's Christian Temperance Union as "a symbol of their wish that we might all join hands and hearts and votes to help America quit drinking with Satan from the poison pots of death and to drink anew with the God of our fathers from the healing fountains of eternal truths."

"There will be one for every Senator," the candidate announced. "It will remind them that we must get right with God in order to get right with each other and bind the world in universal brotherhood."

Mr. Cooper opposed war as "an insult to Christianity" and urged strict observance of the Sabbath.

"America was born and bred a Sabbath keeping nation," he declared. "All our early customs and laws provided that all government and industrial business for profit should stop on Sunday. Upon that diet our nation grew great. But now America has become a Sabbath breaking nation. Our capital city of Washington and our great interstate commerce, the biggest in the world, has been captured by the devil of Sabbath breaking. And Congress has consented to it. The devil laughs and God frowns as witness our nation prostituting the Sabbath to unholy purposes."

"If our nation were to license stealing, lying or murder we should think it mighty bad. Yet our nation is practically licensing Sabbath breaking in every line of commerce, and it is just as sure to ruin our nation, as that God lives unless we have religion enough to stop it. The Bible tells us over and over that the prostitution of the Sabbath to unholy purposes will bring God's wrath upon any nation. Israel France and Germany went to ruin that way. The Lutheran preachers told Germany that her Sabbath breaking, unless soon stopped, would soon ruin her. Germany broke the Sabbath until they were running every known business every day and Sunday too. Then they broke into hell and the aping world was dragged in with them. Breaking the Sabbath schools a nation into breaking everything good. The devil has America in this school."

"I decided to give Cardui a trial and found it was just what I really needed. It made me feel much stronger soon after I began to use it. I began to eat more, and the nervous weak feeling began to leave. Soon I was sleeping good."

"Cardui built me up as no other tonic ever did. I used Cardui with one daughter who was puny, felt bad and tired out all the time. It brought her right out and soon she was as well as a girl could be. We think there is nothing like Cardui."

Do not allow yourself to become weak and run-down from womanly troubles. Take Cardui. You may find it just what you really need. For more than 40 years it has been used by thousands and thousands, and found just as Mrs. Mabe describes.
