Hardwick may appoint a showed great improvement over those retemporary successor to the junior senator sulting during the preceding administrato serve until the genral election November 7. The governor, who now is in Canada, has telegraphed the eexcutive DO NOT UNDERSTND THAT department that he will return to Atlanta to take the matter under consideration.,

W. J. Vereen, chairman of the state democratic executive committee, has the Associated Press.)-Paris news disa candidate for the unexpired term in | Long, of the American navy, had gone primary be ordered.

In the event the chairman does not call a primary, the state democratic convention, which convenes in Macon carly, next month, is expected to endorse a candidate for election, it was stated in political circles.

-Among those being mentioned as can didates for the unexpired term are for-mer Senator Hoke Smith, Governor Hardwick, recently defeated by Clifford M. Walker for re-election; Clark Howell, national denseratic chairman of Georgia. and H. H. Dean. None of these, how ever, has authorized the use of his name stating that it would not be proper to discuss the matter at this time.

One of the most exciting campaigns in the history of Georgia politics will de velop for the senatoral toga, it is being predicted. But overshadowing the con-test will be influence of the late "Sage of McDuffic," recollections of how he

only "made and unmade" high officials during the past thirty years, of how he laughed whenever defeated and of the times during his last campaign he was carried on a litter, but never failed to keep his speaking engagements.

## STRUCK TRAIN, IS DRAGGED HALF-MILE AND STILL UNINJURED

CINCINNATI, O., Sept. 27. 'And, that is all there is to it,' suid Blair Runan, employee of the Ohio state highway commission, as he lit a cigarette and walked away.

In twenty minutes the remains of what was once a five ton automobile truck was cleared from the Pennsylvania tracks and the New York flier proceeded on its way ... "Some persons are born lucky," mused the engineer. "Here is a fellow in a truck hit by a train going 65 miles an hour and not a scratch." The motor truck which Runyan

was driving was hit by the train when at Kings Mills, Ohio, yesterday. The engine of truck was thrown more than two hundred feet and the truck, filled with gravel, was dragged a half mile, while the engineer made frantic efforts to stop the train.

senator for faithful and efficient the carly yesterday in Washington.
