

NEWS OF PISGAH

(Correspondence of The Daily Gazette)

PISGAH, Oct. 20.—How we are enjoying these pleasant days. Farmers are busy, wondering just how many more days of warm sunshine we will have. How happy we should be when we see the beautiful world God has given us, and the numerous blessings falling every day.

Together with the fine autumn weather comes the jolly Halloween. Last Saturday afternoon Miss Ruby Falk, the efficient Junior Leader of the Junior Society of Pisgah, was hostess to the members of the Society in the Sabbath school room at Pisgah church. The name was beautifully decorated with autumn leaves and daisies, and the atmosphere was festive. Apples were suspended by strings and quite a few were fortunate enough to be able to bite one. Marshmallows in the center of a long string which was wound around the tongue seemed to please the children most of all, until the smaller ones were invited to sit around a small table and the larger children on higher chairs behind them and home made ice cream and cake was served, and of this the children are elaborate in their expressions of delight. While still seated Miss Falk asked all over twelve years of age to rise, and while they remained standing, she in a most pleasing manner promoted them to the Intermediate society.

Miss Helen Wilson who was the guest of the afternoon, gave an appropriate Halloween story and delighted her hearers. Miss Falk was assisted by her assistant, Mrs. T. L. Falls. The children and parents are loud in their expressions of praise and appreciation of Miss Falk's leadership.

Rev. and Mrs. J. B. Hood attended the foot ball game in Charlotte Saturday. They were accompanied home by their sons, W. B. and C. L. Hood who played with Erskine.

Messrs. G. Anthony and William Whitehead are also at home from Erskine. They will return Tuesday morning.

Messrs. Lindsay Pearson, Harry Whitesides, James Whitesides, Harry Falls and Paul Hood who are attending Piedmont High school spent the week-end with home folks, returning Monday.

Mr. and Mrs. Eugene McNeil, of Clover, S. C., attended services at Pisgah last Sabbath and were guests at dinner of Mr. and Mrs. T. L. Falls. Other visitors to church last Sabbath were Mr. and Mrs. Wylie Carroll, Mrs. Will Clemmer, Miss Mary Clemmer, Miss Mary Love, Mrs. Will White and Mr. Banks White, of Gastonia, Mrs. John Henry and Mr. George Henry, of Crowder's Creek.

County Agent L. B. Altman and Mr. Bartel, of the State Department, and his assistant, were guests at the O. K. Dairy last Saturday.

Little Miss Margaret and Master E. B. Altman, Jr., were guests of little Miss Jennie Falls at her home last Saturday.

Little Miss Louise Falls, of West Gastonia, was guest for the week-end of her cousins, Misses Wynona and Elanina Whitesides.

Rev. A. T. Lindsay has returned from Memphis, Tenn., where he visited Rev. E. P. Lindsay, who was critically ill but is much improved.

Mr. and Mrs. Fred Anthony visited Mr. and Mrs. Elmer Spencer, of Gastonia, last Sabbath day.

OLNEY LOCALS.

(Correspondence of The Daily Gazette.)

OLNEY, Oct. 20.—On yesterday we had a large congregation and many visitors. Among them we note Misses Zoe Rathford and Ruth Dixon.

Mrs. S. S. Morris, Misses Helen and Jennie Lee Morris and Mr. Stephen Morris were also visitors.

Mr. S. A. Robinson and son Alex, were also with us. Mr. Robinson came down to talk to us about the approaching drive for Davidson. This he did in a most forceful and interesting way.

At night we had a fine sermon on "The Churchless City." Mr. Tate stressed the immorality of the present times. The daily newspapers that print in glaring headlines the leathome and repulsive crimes that are being committed over our country these days. His sermon was spoken of by many as a master piece.

On next Thursday a party from this church plan to visit our orphanage at Durham. We wish to invite any in the church who are interested in the institution to join our party, bring a picnic lunch and meet at the manse at seven o'clock as we plan to spend the day making the trip in automobiles.

Next Saturday afternoon the Woman's auxiliary will hold its monthly meeting at the church at two o'clock.

Last Saturday night the Intermediate and Junior Christian Endeavor Societies had a most enjoyable Halloween party—all found their way to the home of Miss Edith Robinson, president of our Intermediate Society, at the home of her father, Mr. Tom E. Robinson, though in my last news letter the press made me say the party was to be given by President of International C. E. Society and would be at home of Mr. Sam Robinson. This was no doubt due to your correspondent's writing an almost illegible hand. But the children came and came in wonderful costumes and make ups. Two groups who added much to the merriment in their costumes were Rev. T. G. Tate and Mr. Charles Farris.

Games were played, apples bobbed for, delicious refreshments consisting of little pumpkin pies, little cakes and ice cream, were served. The rooms and hall were decorated with black and orange crepe paper, miniature jack o' lanterns, autumn leaves, etc. The front porch had a shock of corn husked on each side with pumpkins, and pumpkin Jack o' lanterns grined at the approaching guests from porches and even at the mail box by the roadside. Made was enjoyed, the children's singing, Misses Kathleen and Elizabeth Robinson dressed as witches sang a Halloween song. After singing our Christian Endeavor song—"Since Christ has given us rest"—the children recited the home in dream of ghosts, hobnobbed, sipped, etc.

On Tuesday night the Senior Christian Endeavor Society will have a Halloween social at the manse.

Don't Be Bald

How To Make Hair Grow Strong, Thick and Lustrous.

If your hair is falling out, don't wait another day, but go to J. H. Kennedy Drug Co., and get a bottle of Parisian Sage, the truly efficient hair grower.

Don't say: "It's the same old story; I've heard it before," but try a bottle at their risk. They guarantee Parisian sage to stop falling hair and stimulate a new growth, banish all dandruff and almost instantly stop scalp itch, or money back.

Parisian Sage contains just the elements needed to properly invigorate the hair roots. It's a prime favorite with discriminating women because it makes the hair so soft and lustrous, and appears twice as abundant.

Parisian sage is inexpensive and easily obtainable at all drug stores.

HEALTH and WEALTH

Considerable information has been published recently about the discovery of the wonderful effects made upon the human system by the element known as VITAMINES. These discoveries led to a series of yeast preparations that have been tried in all the leading hospitals with wonderful results.

While these tests were being made and the public was enjoying the remedial effects of yeast tablets, a group of pharmaceutical chemists in Chicago and Indianapolis were experimenting to increase the benefits of the yeast VITAMINES tablets to the fullest measure—they felt that the limit had not been reached. The result is the YEASTOLAX—the world's

GREATEST HEALTH YEAST TABLET

YEASTOLAX is the world's greatest health yeast laxative. It is the latest scientific development of palatable yeast. It is not only rich in Vitamines, but also embodies a highly valuable, health building laxative—a quality none of the other yeast tablets possess. It comes in a tasty, tablet form—very pleasant to take and delightful in its effect. Children like it and are greatly benefited by it. If you suffer from

"RHEUMATISM," CONSTIPATION, INDIGESTION, ECZEMA, BRONCHITIS, BOILS OR IMPURE BLOOD

or if your nerves are affected in any way; or you desire to have a fine, clear healthy complexion; or if your stomach is not in good condition we want you to try a package of our MARVELOUS HEALTH-BUILDER, YEASTOLAX.

Among its various elements, YEASTOLAX contains the highest and most potent VITAMINES, which the scientific world has found to be absolutely necessary to bodily vigor. People all over the country have found great relief through its use, and now feel the joy of perfect health and vitality. YEASTOLAX also has the properties of being non-grippingly and mildly laxative, possessing fine stomach regulating power, the effects of which you feel very quickly.

The laxative ingredients embodied in YEASTOLAX are most happily combined with the other vital body building elements, which makes this tablet more desirable than any other eatable yeast compound hitherto offered.

By keeping up your vitality and vigor through the use of YEASTOLAX your system will be put in a position to fight off the hosts of invading germs that are persistently endeavoring to entrench themselves in the human body; to eat into the system and destroy life itself. It cannot be too emphatically made clear that everyone owes it to himself and family to keep as healthy, and fit as possible. The human organism is a wonderful machine adapted under normal conditions to find a balance of health. But because of our modern methods of refining foods (destroying their health-building vitamins) and our general way of living, our bodies are not given half a chance, with the result that invading germs and infections find it frequently an unguarded and easy prey.

The BEST VITAMINE YEAST

Water-soluble Vitamins B, contained in rich proportion in YEASTOLAX, is an element which has the power of building up the bodily nerves and tissues to resist disease, and is positively essential towards offsetting the evil effects on the health of civilization. The highly refined stomach regulating properties injected into YEASTOLAX makes

it positively a body builder of the finest kind. If you have a weak or delicate stomach or a stomach that is in any way out of order, YEASTOLAX will relieve you wonderfully, making you feel like a new person.

Just as a special inducement—to give the introduction of YEASTOLAX—we will give for a limited time to any person who will mail \$1.00 to cover the cost of a liberal sized package of YEASTOLAX.

ABSOLUTELY FREE 50,000.00 RUBLES

The Russian Ruble recently was worth 55¢ per ruble, giving the above a value of \$27,500.00.

Save this money; many a great fortune has been built up by buying foreign money after wars. It is rumored that \$50,000,000,000.00 worth of rubles has been discovered in Russia, and the press is calling attention to vast American projects of oil and other industries that are being directed towards Russia. The Chicago Tribune on Sept. 12th calls attention to the new canal which has just been opened for shipping between Russia, Germany, Persia and Central Asia, affording a new source of raw materials for the Russo-German combine, especially oil, manganese and copper and opening up the rich Persian and Central Asian trade to Germany and Russia. Think what this means. Surely you cannot afford to pass up the opportunity to acquire these Rubles.
