

LOWELL LOCALS

(Correspondence of The Daily Gazette.)
LOWELL, Nov. 1.—On Friday afternoon, and evening, the Woman's auxiliary of the Lowell Presbyterian Church had a Bazaar. There were many pretty things for sale in the fancy war line, and many good things to eat at the tables, chicken salad, oysters and other accessories. The ladies did well if you judge by the numbers who were at the Bazaar. It was held in the Manse.

Saturday Mrs. W. Eddleman entertained at a home dinner, her guests were Mrs. R. A. Miller, who has been visiting in Lowell for some days, Mrs. Dr. Eddleman of Gastonia, and Mrs. G. A. Sparrow. Later in the afternoon Mrs. Miller left for a visit to Pipeville, en route to her home in Rockhill, S. C.

Friday and Saturday evenings we had Dr. Henderlite, of Gastonia with us. He preached two very fine sermons at the Covenant Presbyterian Church.

Sunday the Lord's Supper was celebrated. The music was very fine that day, especially a vocal solo by Miss Ivy Titman, with violin obligato by Miss Ralph Groves, and Miss Edith Robinson at the organ. The church was beautifully decorated with autumn roses, which are very lovely now.

Sunday was a great day with the Baptists, for the "County Singing" met with them. This was held in the Graded School building, as the auditorium is a very large room. I cannot estimate the number present, but the auditorium was full and the halls were full, and there were nearly as many children outside in the autos and on the grounds. And as for autos, it seemed as if there were hundreds. The singing was largely done in groups, groups from different churches went up on the stage, and sang a number of hymns. These meetings are a splendid way to get together, and such a help to congregational singing.

There will be a Hallowe'en party at the Annex on Hallowe'en night, and many of the spooks in town will be on a frolic.

On Monday evening the night class in Domestic Science at the School served a "breakfast." This class is doing fine work, and it is a very good idea to serve a meal, as it teaches the girls just what would be put on a well regulated table. This was a well balanced meal and beautifully cooked and served, and the girls were allowed to invite two guests, who were Miss Edith Robinson and Mrs. G. A. Sparrow.

The school has hot lunches served now, Miss Eaves plans a fine hot menu, and milk, for each day, and quite a number of the children take lunches, these are charged for at the lowest of wholesale prices, and nothing made from them at all. This is all done in the Domestic Science room.

One day last week, Mr. and Mrs. W. P. Eddleman and their sons, Masters Billie and John Holland, went on a visit to Lucia, to see Mr. and Mrs. J. H. Beatty and family.

The Lowell Woman's Club will meet at 3 o'clock, in the school auditorium, Friday. The program is in charge of Mrs. Holland Hand, chairman of the buildings and grounds committee. There will be a special Arbor Day program.

Last Saturday afternoon a party went from Lowell to the Orthopaedic Hospital. The party consisted of Prof. and Mrs. Y. J. A. Smith, Miss Smith and Miss Eaves. Miss Smith went to entertain the children at story hour. These story hours are a delight to those household children, and it is interesting to see their faces brighten up at any pleasure.

HIGH SHOALS NEWS

(Correspondence of The Daily Gazette.)
HIGH SHOALS, Oct. 31.—Our school is progressing nicely under the leadership of our efficient principal, Mr. L. V. Lyda.

Miss Flora Lee Elmore, who is taking a business course at King's Business College in Charlotte, spent the week-end with her parents.

Miss Edith Hudson, a member of the teaching force here, has been quite ill at the home of Mrs. G. C. Frye, but is able to be back on duty today.

Mr. and Mrs. F. L. Lazenby had as their guests Sunday Mr. and Mrs. J. H. Rutledge, of Dallas, route two, and Mr. J. G. Lazenby and family, of Lincolnville, route two.

Mrs. A. Q. Kale and Mrs. Pace, of Hendersonville, were Gastonia shoppers Friday morning.

Mr. Robert Kale, who holds a position in Charlotte, spent the week-end with homefolk.

Rev. J. O. Ervin filled the pulpit at the Methodist church Sunday night for the last time. The people are sorry to give him up but wish him success in his new field. He goes to Rutherford station.

High Shoals had quite a surprise last Thursday when Mr. T. E. Robinson, of Gastonia, came up and carried away as his bride Miss Lillie Robinson, one of High Shoals' prettiest and most lovable young women. A host of friends wish for them a bright and happy future.

Mrs. Pace, of Hendersonville, who has been visiting her daughter, Mrs. L. V. Lyda, left Saturday for home. During her month's visit Mrs. Pace, by her kindness and cheerfulness, has won many friends who regret for her to go back to the Land of the Sky.

Wedding bells rang again Sunday when Mr. Garland Hovis claimed Miss Besse Robinson for his bride. On the same afternoon Mr. Pervie Hovis and Miss Agatha Friday were quietly married. Their many friends wish them a happy, successful future.

Among the Gastonia shoppers Saturday were Mr. Tolly Coniger, Misses Myrtle and Catharine Clouger, Mr. and Mrs. L. V. Lyda, Mr. and Mrs. Clyde Armstrong, Mr. and Mrs. F. L. Lazenby and Misses Ora Koener and Thelma Lazenby.

"On land and sea, at home and abroad, the Red Cross carries on its great work for humanity by day and by night. What it has done in the past is an augury for what it can do in the future. I know of no more worthy object for contribution than that of the Red Cross. I trust the membership Roll call beginning on Armistice Day will be thoroughly successful. It has been well said that the sun never sets on the Red Cross."—Admiral R. E. Coontz.

N. C. LUTHERANS WILL MEET AT KINGS MOUNTAIN

North Carolina Evangelical Synod Announces Annual Meeting For November 14-19.

(Charlotte Observer.)

The annual synodical meeting of the North Carolina Evangelical Lutheran Synod will be held at Kings Mountain November 14-19, at St. Matthews church.

The North Carolina synod is unique among churches for the reason that there is no election for president, the present head of the organization, Rev. John L. Morgan, of Salisbury, being a permanent officer on a large salary. The secretary of the synod is always the pastor of the church in which the future convention is to be held. This year this office is held by H. Grant Schaffer, pastor of St. Matthews church, Kings Mountain.

The North Carolina synod included 100 ministers and 125 lay delegates and large attendance is expected at the Kings Mountain gathering.

Delegates from Charlotte will be as follows: Rev. John F. Crigler, pastor, of St. Mark's church; and Rev. W. A. Lutz, pastor, of W. L. Dixon, lay delegate, from Holy Trinity church.

ROOSEVELT'S SISTER ISSUES APPEAL TO WOMEN VOTERS

WASHINGTON, Oct. 31.—Mrs. Corinne Roosevelt Robinson, sister of the late Theodore Roosevelt, issued through republican headquarters here today an appeal to the women of the country to vote for republican nominees for the Senate and House.

"President Harding has conscientiously carried out his pre-election promises," said Mrs. Robinson's statement. "Some people say he has failed to take steps to form an association of nations, which he declared it was his desire to have. People who feel that way have not read with care the results of the conference held last November for the limitation of armaments. That conference alone has done more for the possibility of peace amongst the nations of the world than the League of Nations has accomplished in the last four years."

WEATHER OF ALL SORTS ON TAP IN UNITED STATES

CHICAGO, Oct. 31.—Weather of several unseasonable varieties but generally favorable continued in many sections of the United States.

Chicago for several days has enjoyed the balmy breezes and sunshine of a glorious Indian summer, which lingers longer than usual.

In Wyoming the ranchers are digging themselves out of the snow and liking it. They say it helps the grass on the summer range.

On the Yukon, where winter generally has a strong grip by this time, the river is open. All the tributaries are free of ice and the rush on the main stream makes no impediment for boats. It is the latest season on record in the north country and dredges in the Yukon are expected to work until Christmas.

SFORZA RESIGNS.

PARIS, Oct. 31.—(By The Associated Press.)—Count Sforza has resigned his position as Italian ambassador at Paris to Premier Mussolini. He explains that in his view the new government should have in such posts men in thorough accord with its policies.

"I express for the new government the most cordial good wishes," the ambassador's telegram reads, "but in a foreign policy which is really a policy and not simply a group of likes and dislikes everything is interdependent and men who on all subjects are in accord with the ideas of the new government should occupy these most delicate posts."

GREATER LORAY.

(By U. P. Taylor)
Loray, where the sun shines brightest,
And a greater Loray where sadness never comes.

Loray, where fate touches lightest,
And a greater Loray where people stand as one.

United is Loray's greatest slogan
To help each other in time of need,
United in respect to the rights of others
Each one trying to do the noblest deed.
To the church attaches those who live at Loray.

And from there a prayer is lifted to the skies.
In gratitude to God for many blessings.

Where the spirit of Greater Loray never dies.

Life will have its little jokes.
The ex-kaiser says he is the happiest man on earth.

TRAIN NO. 35 TO GAIN HOUR AND 45 MINUTES

Express and Mail On Nos. 35 and 44 Will Be Handled On Nos. 135 and 44.

(Greensboro News.)

The Southern Railway Company will cut off an hour and 45 minutes in the running time of passenger train No. 35 between Washington and Atlanta, under a new arrangement which becomes effective Sunday, November 5. On this date, trains Nos. 135 and 44 will be operated all the way through between Washington and Atlanta, and all the express and mail, if not all of the mail, now handled on Nos. 35 and 44 will be handled by Nos. 135 and 44. These two trains will also handle day coaches and Pullmans between Washington and Atlanta, but will make the stops. Previous announcement had been made that next Sunday the schedule of No. 35, the New York-New Orleans limited, would be lightened so as to reach New York at 12:00 p. m. daily instead of 1:00 p. m. as at present.

No. 135 will leave Washington at 8:20 p. m., same as at present, and arrive at Danville at 4 p. m.; Greensboro about 5:35 p. m.; Charlotte at 9:40 p. m. and Atlanta at 6:25 a. m., eastern time.

No. 35, now leaving Washington at 9 a. m., will leave at 11 a. m., or two hours later; reach Danville at 6:05 p. m.; Greensboro about 7:30 p. m.; Charlotte at 10:45 p. m., and Atlanta at 6:40 eastern time. This train will take the place of 43 between Danville and Charlotte, and will take up the connection from Goldsboro reaching Greensboro at 7:20 p. m. This new arrangement will be a great help in this respect; will enable passengers east of Greensboro to go straight through to Atlanta and points beyond; a thing not possible prior to the war. There has been insistent demand on the part of the public for this service and this gives eastern passengers dining car service south from Greensboro.

Train No. 44 will leave Atlanta at 8:20 p. m., and reach Charlotte at 4:10 a. m., and continue north on the same schedule as at present; reaching Greensboro at 7:40 a. m. and Washington at 7:35 p. m. The addition of a through Pullman from Atlanta to Washington on this train will permit a man from Atlanta, coming to Greensboro, to make a night trip and get here in time for work the next day, while the seats north of Greensboro should be highly desirable.

Similarly, the addition of Pullmans to No. 135, southbound, will give more space available to business men of this section desiring a night trip to Atlanta, or for connections out of Atlanta.

Nos. 35 and 44 which will be exclusively passenger trains and operating on a fast schedule, will carry Pullman cars between New York and New Orleans; New York and Birmingham; New York and Columbus; Charlotte and Atlanta; Asheville and Atlanta; Greenville and Atlanta; and probably a Washington and Atlanta car.

"The Red Cross is the first line of defense for humanity. It is intelligent; it is economical; it is a power for peace. It promotes the cause of civilization. Every man who loves his fellow man will support it."—Hon. Calvin Coolidge.

REV. B. M. BRIDGES GIVES FACTS IN HIS CASE

It is doubtful if there has ever been a medicine endorsed by so many ministers of the Gospel as has Tanlac. Indeed, there is scarcely a faith, creed or denomination in all the land in which one, or more, of the clergymen has not publicly expressed their indebtedness to the Premier Preparation for the benefits they have derived from its use. One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely known and beloved Baptist preacher, residing at Mooresboro, N. C., whose statement follows: "Tanlac has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to anyone who is in a rundown condition. For ten years past I have had such a severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very little sleep or rest. "It seems that I took nearly everything trying to get myself right, but nothing helped me until I ran across Tanlac. My nerves are so much better now that my sleep is sound and refreshing. I enjoy my meals and have also gained weight. I can say from experience that Tanlac is a splendid medicine and tonic, for it has built me up wonderfully. "Tanlac is sold by all good druggists.

Don't be disappointed

IF we know human nature, we can predict right now that next Fall there'll be a big rush for ARCOLA, the wonderful new hot-water heating-system with a radiator in each room. Last Fall the same thing happened and thousands of last-minute buyers were disappointed, there was such an ARCOLA shortage. This week is the time to order ARCOLA, when we have more time to install it.

Save money on ARCOLA now. (These figures, though rough, will show how reasonably ARCOLA can be completely installed—despite the fact it pays for itself in the fuel it saves.) 3-Rooms Arcola with 2 radiators \$225 4-Rooms Arcola with 3 radiators \$300 5-Rooms Arcola with 4 radiators \$375 6-Rooms Arcola with 5 radiators \$450 Phone or call and we'll gladly give you the exact cost of putting ARCOLA in your home—but, for your own good, do it now before the Fall rush.
