

HOME OF J. M. McMULLEN ENTERED BY THIEF

automobile and some merchandise, including some overalls and groceries, which, it is reported, Mrs. Trollingers has identified as some of the goods stolen from the Trollinger store.

And it is said that the automobile found cached with the merchandise has been identified by its owner from Siler City.

From the fact that "Duck" volunteered the information to the man for whom he was working that he had broken into Mr. J. B. McMullen's home and stolen the shot gun and shells it is surmised by some that he must not be right bright, and does not realize the enormity of the offense of breaking into a house. The only thing that can be done with a stupid person like that who has

a mania for taking what does not belong to him is to keep him in confinement, so it is said by students of society.

BARTLETT YANCEY JUNIOR IN ROUSING MEETING SAT. NIGHT

(Continued from Page 1)

ville goat with the utmost dignity were Henry Hooper and R. L. Barts. In all more than 75 Juniors were present.

Following the initiation, a fraternal hour was enjoyed. Cigars, cream and cold drinks were passed around. Every one declared that the time was a great one and everybody enjoyed the occasion to the utmost.

It is related that Bartlett Yancey Council is just now entering on a season of real fraternal enthusiasm. The Council has

now on its roster 46 names, and fraternal insurance in force has reached the aggregate amount of \$23,000. It is expected that the fall and winter program of the Order will be a greatly expanded one, and that the membership will be largely increased.

At present the following line of officers are directing the affairs of the Council: A. L. Wood, counselor; T. C. Christenbury, vice counselor; T. T. Foster, chaplain; W. P. Aldridge, recording secretary; Bruce Bradner, financial secretary; T. H. Hatchett, treasurer; R. W. Reagan, warden; J. C. Rudd, inside sentinel, and Joe Powell, conductor.

MRS. THACKER SENDS GREETINGS

Editor Caswell Messenger: Some dear friend sent me a sample copy which I appreciated so much that I want to subscribe. I am sending herewith \$1.50 for a year's subscription.

I was born and reared in Caswell county. The Messenger aroused happy thoughts of the dear old friends that have passed away, whose descendants are dear to my heart.

I left there in 1880 and settled in Forsyth county, which has become precious to me, with my children and grandchildren. My parents, husband, one brother and sister have passed away. Still I cling to new Forsyth, the old Forsyth having passed.

While we have good schools, roads and automobiles I can't see any improvement in the morals of the people. Some one said Caswell county is the best place on earth. Did they mean religion was the reigning factor? I hope so, or else that prosperity is giving the Devil the lead. I would love to hear from some one on that subject.

Come up, friends and see our beautiful Forsyth. You will find me on Highway Number 60, which leads out from Winston, seven miles from Winston.

Mrs. Nettie J. Thacker. Winston-Salem, N. C., R. F. D. No. 7.

America has just discovered the real South—a potential Empire of Industry that is coming into its own with tremendous strides. The backbone of this realm curves through the mountainous and fertile States of Tennessee, Alabama, Georgia, and the Carolinas, with their vast stores of natural resources lying ready for industrious hands to fashion into fortunes.

The South of today, known only recently to the great majority of those outside its boundaries, is not an over-night creation. Its development is owing to no magic save that of hard work applied to a wealth of natural resources paralleled by few regions in the world.

NOTICE

I am calling your attention to the fact that all who have not paid their Taxes for the year 1925 must settle on or before August 1st, 1926. I realize that our crops were poor for the year 1925, and I hope you all realize and know that I am bound to settle for the 1925 Tax before I can get the new books, and unless the Taxpayers can get the Commissioners to make some provision until the new crop is gathered, I will be compelled to make an effort to collect 1925 Tax.

Yours truly,
J. H. GUNN, Sheriff.

DRY GOODS CLOTHING AND SHOES FOR THE ENTIRE FAMILY!

Stronger and Stronger Grows

the Far-Reaching Ability of This Nation-Wide Institution To Save the Public Money!

Every Man and Woman Knows

that large savings in the cost of goods are to be had when ordered in large quantities. A \$1,000,000 order for Shoes, for example, will buy each pair at a far lower price than if a comparatively few pairs are ordered.

Buying for 745 Department Stores means unusually large orders, always commanding the lowest possible cost consistent with the high standard of quality we insist upon.

Selling for cash only and thus hav-

ing the cash to pay the manufacturer, we always get the added discounts which cash-buying obtains.

Manufacturers, as is easily understandable, are glad to go to extremes in putting such quality of materials, finish and workmanship into the goods ordered in such large quantities by us for only by producing goods that measure strictly up to our high standard can they hope to obtain further orders.

This means much to you! In our peerless buying power rests a saving power for you which is not duplicated. You can verify the superior quality and savings to be had at this Store; at any J. C. Penney Company Store wherever it may be located, by making comparisons whenever most convenient to you.
