All That is Smart in Fall Apparel for Women and Misses

BORROWED from the rich browns of autumn for the new fall frocks—the delightful Fallon Shades. Beautiful in themselves, and so well matched by the smart accessories that complete the fashionable ensemble.

THE FROCK HAT AND SHOES

The Frock Has a New Silhouette. It may be one of several—all advance fall models. The frock pictured smartly presents the new three-quarter length tunic, inspired by the three-quarter coat. Subtle movement is attained by a side drapery. Satin with a real lace yoke.

The Pumps are Topped with Bows, and these autumn bows are first in favor with the fashionable. Of kid, to harmonize with the marron ensemble.

The Fallon Hat is After Reboux. A new success for Reboux. It is marron smartly accented with beige. Copied in fine two-tone soleil velours.

WOMEN'S NEW FALL FOOTWEAR

Already the social gayeties of fall and winter are under way and nothing is more important in woman's attire than that she be properly and fittingly shod. There is wide variety in our new stock of women's shoes. There are styles and leathers for street, dress, country and sport wear. Smart oxford types and dainty slippers. Fashionable shades and tones, the shoe or slipper for every occasion.
