PROVIDENCE NEWS

The death of Mrs. Luella West last Sunday afternoon came as a shock to the entire community. She leaves six children, a husband, mother, father, two sisters and a host of friends to mourn their loss. Mrs. West was a Christian, having joined the Missionary Baptist church at the age of 14. She was never happier than when rendering some neighbor a service.

Born, to Mr. and Mrs. R. H. Carroll, on last Friday morning a ten-pound boy. Mrs. Carroll is now the happy mother of 12 fine children, all of whom are living. She and her husband are to be congratulated. We have found from observation that large families are always happier than small ones.

Providence graded school is growing. The present enrollment is 93. We are still hoping that the time is not far off when Dan River shall have a good school, too.

Those on the Honor Roll in the first and second grades are: Nettie Daves, Mary Buckner, Preston Dunevent, Margaret Lester, Harry Bray and Elizabeth Hodges.

The many friends of Mr. and Mrs. L. A. Godson will be glad to learn that their infant son, Neal, is improving.

Mrs. Annie Bell Goodson is convalescing from a fall, we are glad to note.

Rev. W. S. Tillman and wife are the happy occupants of the new nine-roomed parsonage. They moved in Wednesday, October 19th. Providence church is proud of its parsonage and is deeply grateful to the pastor for his untiring efforts in erecting such a beautiful building. It behooves us as church members to stand by such a progressive leader.

There's no "time out" for Buick

The referee's whistle shrills . . . "time out!" . . . The game halts, pending a player's return to the "line-up".

When you attend the big football games this year, notice the predominance of Buicks—for men and women who like action, like Buick. And hundreds of thousands of Buick owners can testify that there is no "time out" for Buick.
