THE LEHIGH GAME.

We Are Defeated, 24 to 6.

After a long and exhausting trip, the 'Varsity eleven arrived at South Bethlehem, Penn., about 11 A. M., Wednesday, Oct. 31, and on the same afternoon, met the team of Lehigh University on their own grounds. The two teams lined up as follows:

Lehigh (24)	North Carolina (6)
Best,	L. E. Rankin.
Houston,	L. T. Pugh.
Keys,	L. G. Guion.
Haldwin,	C. Sharpe.
Secerra,	R. G. Collier.
Tick,	R. T. Moore.
OKeson,	R. E. Baird.
Saltzman,	Q. B. Merritt.
Holderness,	
Thurston,	R. H. King.
Trafton, (capt.)	L. H. Denson.
Fitzgerald,	F. B. Stephans.
Umpire, Heffelfinger of Yale.	Referee, Marsh of Lafayette.
Linesman, Smith of Lehigh.	

We take the following account of the game from the *Bethlehem Times*.

Lehigh 24, University of North Carolina 6. That was the score. And it was an exciting, hard fought game, despite the large score. In fact, more exciting games of football have been on Lehigh's gridiron this season than ever before. Lehigh only won over her superior all around playing.

The rain kept away what was expected to be the greatest crowd of the season, but fortunately ceased long enough for the game to be played. The oval was quite muddy, and was dotted with small pools of water. A few hours before the game it was a veritable lake. Yet under these exciting circumstances, Lehigh won, and it was a brilliant victory, too, for her opponents played football like demons.

Two 35 minute halves were played, Lehigh scoring 12 points in the first half and a like number in the second, while the visitors made their only points near the close of the game. Several times Lehigh lost the ball on downs on the very point of scoring, and as often blocked the visitors and secured the ball when dangerously close to their goal. It was not a kicking game. The ball was too heavy to punt. Both teams forced their ground by hard work, the greater part of which was done by Capt. Trafton and Guion.

Play began shortly after 3 o'clock, with the visitors guarding the west goal and the high wind in their favor. Lehigh punted to the five yard line, Baskerville gaining 10 yards. The Carolina backs worked the ball back to the center of the field, where Trafton secured on a fumble. Trafton shot around the right end for 20 yards, but was called back and the ball given to the visitors for holding. Lehigh's line blocked hard and the visitors were forced to kick. The ball became Lehigh's on the 45 yard line. The ball was soon carried into the visitors' territory to be lost on a fumble.

Baskerville kicked to 30 yard line. "Brace up boys," cried Captain Trafton, and, imbued with new life and vigor, to all appearance, the leather was carried down to the visitors' goal line, Thurston going over with it on the last run of 10 yards. It was a difficult goal that Fitzgerald kicked.

The ball was soon on Lehigh's 20 yard line, carried there by Stephens's 30 yard run. Lehigh secured it on downs and Trafton made 30 yards in two runs. Then Houston and Keys were brought out of the line and made big gains. The ball was lost on the 15 yard line. Being near their goal, the signal was given to kick. The ball was blocked by OKeson's clever interception of it and Houston fell on it. He was five feet from a touch down and with half the visiting team on his back crawled over the line with the ball. It was on this misplay that Lehigh scored her second touchdown. Again goal was kicked.

In the early part of the second half the first pretty play of the game took place. Thurston secured the ball on a double pass from Trafton and ran 35 yards before he was downed. Trafton added 20 more on a left end run, and just one half dozen plunges at the line were made before Houston was shoved over for the third touch down. Goal was kicked.

After hard work from the kick off, the Carolinians by mass playing and bucking the line got the ball to Lehigh's 10 yard line. Guion dashed at the left end like a tiger, and succeeded in carrying Best, who tackled well, over the line with the ball. It was the visitors' first points. Goal was kicked.

Thurston and Trafton by successive runs a few minutes later had the ball close to the visitors' goal. After a little clever playing Thurston planted the ball down again for a touch down and Fitzgerald kicked goal. It was after this play that the visitors got the ball on their 10 yard line for off side play and Guion made his phenomenal run of 70 yards, Holderness throwing him on the 15 yard line. Lehigh got the ball here and had worked it close to the visitors' goal, and another touch down was inevitable. But time was called.

The work of Trafton and Thurston behind the line was all that was expected. The work of the entire team shows that they have begun playing winning ball again. For the visitors the coaching of Capt. Baskerville and the running and tackling of Guion were features. The southerners are quick, snappy players, much stronger in the aggressive than defensive.

Overheard at the Trinity game—*Visitor*—Why does the team have such gay stockings?

U. N. C. Man—So they will be loud enough to keep them awake during the game with Trinity.

Rutgers 5, Carolina 0.

To tackle a team such as Lehigh on one day and then try Rutgers on the next was just a little more than our team could successfully manage, and so they were defeated by a score of 5 to 0. The playing while hard was not up to that of the day before. In looking over the list of the separate gains, we are struck with the fact that there were very few long runs and whatever distances gained were by hard and continued trying for one, two and three yards with an occasional longer run. The longer gains were made by Collier 7 yards; Collier, 15 yards; Denson 7 yds; Baskerville 10; Denson 15 and Stanley 9. The longer runs for Rutgers during the first half were made by Gabe Ludlow 7 yards; Geo. Ludlow 7; Geo. Ludlow 20.

When time was called Carolina had the ball on Rutgers', eighteen yard line and the score was 0-0.

In the second half Denson gains 8; Stanley 10; Stanley 7. Gains are made for Rutgers by Geo Ludlow 25 yards; Gabe Ludlow 10 and then 7; Van Dyck kicked a goal from the fifteen yard line. Time 19 1/4 minutes.

Baskerville then kicks the ball over the goal line and time is called. Score 5-0.

The game was a hard fought one and the great number of times that the ball changed sides on four downs or on fouls is very noticeable. We hope that we may meet them on the field again when we are in better trim.

University Gun Club.

The latest departure in the student life of the University, is a real, live, Gun Club, which some of the sports are getting up. A trap, and five hundred clay pigeons, have been received, and the first shoot took place on Thursday afternoon, on the field east of Athletic Park. Organization will be perfected this afternoon at present, the following constitute the club: Atkinson, Bridgers, Bryson, Gatling, Henderson, Long, N. C., McRae, L., Page, Weaver, and Winston, H. T. Six more members will be added in order to make the membership sixteen.

U. N. C. 20, Georgetown 4.

While our team did not bring home all the victories we desired, yet they did gain the one which it was most important for them to win. The game was called at 3:30 and the ball was given to Carolina. Baskerville kicked off and Mahoney, the big half-back of Georgetown, gains much of the distance by runs of 7, 5, 10 and 4 yards. Georgetown is then held for three downs, and is forced to kick. Guion gets the ball. Collier then makes 3 and Pugh 30 yards. Then by short gains the ball is slowly advanced and Collier makes a touch-down. Gregory holds the ball and Baskerville kicks the goal. Score 6-0.

Georgetown kicks off and Carolina catches and rushes the ball twenty yards. Then by hard rushing Carolina gains thirty-five yards and Baskerville is hurt, but very grittily plays on. Georgetown returns the ball 18 yards by hard rushing and then Carolina gains it on a fumble. By two nice runs, one of 15 yards by Stephens and one of 26 by Guion, and several shorter ones Stephens makes the second touch-down and Baskerville missed a very difficult goal. Score 10-0.

For the next touch-down Moore and Guion each carry the ball 15 yards, and by shorter gains Moore made the third touch-down and Baskerville kicks the goal. Score 16-0.

Neither side scored during the rest of the half.

The second half was opened with a kick off by Georgetown. North Carolina carries it back a few yards, when it is again lost to Georgetown and Murphy makes 12 and Bohem 10 yards, and by shorter rushes it is advanced to the 3 yard line, when North Carolina takes it and carries it back for 25 yards, but the ball goes over and by a series of plays Murphy scores a touch-down for Georgetown but he fails at the goal. Score 16-4.

The ball is quickly carried across the line by Stephens for another touch-down and Baskerville missed the goal. Score 20-4.
