## WE WIN AGAIN!

The Game with Va. A. & M. at Charlotte.

Score, U. N. C. 32. Va. A. & M., 5.

This game was played at Charlotte on the 16th. We think that 32 to 5 should prove that we don't have spasms from fear. The game was full of fumbling though luckily for us, our fumbles did not cost us much. The Blacksburg team played fast, snappy ball, showing good coaching. For them Hart, Johnson and Ingles played the best game. Carolina's playing was not as fast as it should have been and her interference was very ragged at times. Collier, Baird, Merritt all broke through well and tackled hard and the rushing of Stephens and Moore was of a high order.

Halves of twenty-five minutes were played.

Gregory wins the toss and takes the west goal with the wind. Capt. Ingles kicks the ball off 32 yards, but the gain is only two as Baird brings it back 30. Then Stephens keeps it up five more, Moore fails to gain, but Stephens adds 5. Then Moore makes 7, Baird 4, Collier 5, Stephens then makes 10, Moore 12 and Wright 5. But here A. & M. braces up prettily and the next three downs gives them the ball for the first time as Moore, Butler and Stephens only make 2 yards.

Capt. Ingles makes 5 yards in 2 rushes, Eskridge adds 3 when he is very prettily tackled by Moore. Daskill adds  $\frac{1}{2}$  yard, Ingles 1 and Patrick can't find a hole. So it is our ball. Moore starts off with 8, Stephens adds  $\frac{1}{2}$  yard and Moore scores the first touchdown of the game after a very pretty run of 30 yards. Gregory held and Butler puts the ball between the posts.

Score 6 to 0.

Time eight minutes.

Ingles kicks off 40 to Moore who returns 17. Baird makes 1, Stephens 14, Moore 2, Collier 5, Moore 4, Wright 5 and Baird 4 yards. But here the pretty rushing stops and Butler fumbles. But Gregory regains the ball after a loss of 5 yards. This makes the first down and Stephens fails to gain. But he then gains 17 yards and goes in touch. Then Moore makes 5 and Butler 3 yards. Then Moore loses a yard. But it makes no difference for the next rush, behind beautiful interference Stephens goes 30 yards and scores the second touchdown in 5 minutes. Butler kicks goal and the score, U. N. C. 12, A. & M. 0.

Ingles kicks 40 yards to Stanley who brings it back 12. Collier and Butler go through for 8 and 4 and Stephens 3, being tackled in touch. The ball is brought 15 yards in when Stephens adds 13, Moore and Butler make 6 between them and Moore there fumbles. Luckily Butler picks it up and makes 12 when he is forced in touch. Stephens adds six; Baird takes the ball but the whistle is blown and A. & M.

is called offside. So we get 10 yards. Wright makes 4 but Moore fails to gain. Stephens makes 10 and once again Moore fails to advance the ball. Stephens lost 1 yard and then made 7; Butler makes 4, Moore adds 6, then 4 and then a touchdown. Butler punts out to Gregory but the ball is accidently touched to the ground and the ball is blocked.

So the score is 16 to 0 and the time is ten minutes.

Ingles kicks off 45 yards to Stephens who comes back 33, Butler punts poorly, only 20 yards, to Daskill. Ball is put down for a scrimmage and Carolina is offside, with a penalty of ten yards and time is called with ball in center of the field.

In the second half. Butler kicks off 35 to Martin and he brings it back nine. Daskill and Ingles add 9 each but their fumble lets Butler get the ball. Stephens loses 1 yard, Moore loses 2 so Butler punts it 30. As Daskill catches, Merritt throws him hard, he loses the ball and Gregory gets it. Moore makes ten, then sixteen and then a touchdown. Butler kicks goal, and the score stands 22 to 0.

Time 3 $\frac{1}{2}$  minutes.

Ingles kicks 41 yards to Butler and he brings it back half as much. Stephens then makes one and Moore adds 14, Baird 3, Collier 2, Moore 5, Stephens 3 and Moore 4. Stephens then goes round for 15 but Mr. Mahan claims that Merritt has tripped Ingles. So we are set back 25 yards and keep the ball. Moore fails to gain, then makes 4, then Stephens 1, Stephens 6, Moore  $\frac{1}{2}$ , and Baird 25. The ball is passed to Butler for a kick. He makes a bad fumble but picks it up and goes around left end 41 yards. Stephens fails to gain. But the next rush, he makes the star run of the game, behind the prettiest interference, 40 yards and a touchdown. But his nice run results in a wrenched shoulder so Nicklin goes in at half. Butler punts out but fails to reach goal. Score U. N. C. 26, A. & M. 0.

Time 7 minutes.

Ingles kicks 20 to Wright who gains 7. Nicklin adds 4 but Mr. Dodsworth calls foul for holding by Collier, so ball goes over.

Eskridge gains 3, and is thrown hard by Baird. Ingles makes 2, then 1, Daskill 1; Ingles 3, Daskill 7, and Eskridge one yard. Then a double pass between the halves gives them four more but Capt. Ingles fails to gain. He fumbles the ball but Mr. Adams decided that it was lost, so it is first down. Then by Collier's and Baird's good work, Eskridge loses 3; again he tries but Merritt makes him lose 1 more, and Ingles is unable to gain; so the ball is Carolina's on downs. Moore fumbles, but Nicklin picks it up and goes 20 yards before he is thrown in touch. Then on the 1st down, Nicklin makes 1, then again 1, and Butler is unable to add the needed 3. A. & M.'s ball on downs. Daskill makes 1 yard, Johnson 7,

Daskill 4, and Eskridge fails to gain twice in succession within Carolina's five yard line. So it is our ball at our own goal Moore makes 7, yards and Butler punts, A. & M. makes a fair catch and Ingles holds the ball for a try at goal; Wutts kicks prettily and the ball sails 43 yards between the posts. Score Carolina 26, A. & M. 5. Had Mr. Adams watched the play closely, he might have thought with many others, that Capt. Ingles failed to put it on the ground.

Butler kicked off 35 yards and Martin returned the kick to the middle of the field. Baird makes 25, being tackled in touch, Nicklin loses  $\frac{1}{2}$  yard and then fumbles letting A. & M. get the ball. Collier breaks through and downs the quarterback and Capt. Ingles is thrown with a loss of 3 yards. Martin passes it for a kick but it goes over Daskill's head and Moore gets it.

Nicklin fumbles and Hart gets it. Merritt then gets Ingles from behind and throws him hard. He drops the ball and Merritt takes it over for a touchdown. Butler kicks goal. Score 32 to 5.

Ingles kicks 45 to Butler who returns 20, Nicklin adds 25 and time is called with ball in center of field.

The football team's trip to Charlotte was quite a pleasant one. The clever management of the Buford was, as ever, kind and courteous and the North State Club kindly invited both Carolina and Blacksburg to enjoy the use of their comfortable club rooms. And this we did with pleasure.

Also the Y. M. C. A. extended its hospitality to all and especially to the players after the game.

### Tennis Association Meets.

The Tennis Association held its first annual meeting, Tuesday afternoon at 2 o'clock. The following officers were elected:

D. R. Bryson Pres., E. K. Graham, Vice-Pres., F. B. Johnson, Sec. and Treas.

It was moved and carried that we have an inter-collegiate tournament at Chapel Hill next Spring. The following have been written to in regard to same; Universities of Va., Miss., Ala., Ga., Sewanee; Vanderbilt, Washington and Lee and Richmond College.

Of these Va. and Miss. have been heard from and these are heartily in favor of the tournament and hope to be represented. Let all tennis players join the Association so we can have a good tennisteam.

## Mass Meeting.

Speeches by Members of the Faculty and Football Team.

Wednesday night there was a mass meeting in the Chapel to show, as Mr. Carmichael put it, that there was still some college spirit here, and toward the accomplishing of this end the meeting was certainly a howling success.

First, of course, upon the programme came Dr. Venable with his usual happy combination of serious advice and anecdotes, which must be some kind of chemical combination as the Dr. seems to be the sole proprietor of the only original. After him came Profs. Alderman, Gore, Dr. Battle, Prof. Williams, Dr. Baskerville, Mr. Home and Mr. Butler and football was treated psychologically, historically, pedagogically, &c., on down the list.

Capt. Gregory came next and then amid deafening cheers Trenchard was called forth and addressed the meeting, then came the various members of the team.

We are sorry we cannot give a detailed account of the speeches for some of them were the most unique and original efforts of the kind we have ever heard—speeches of every possible description from Jim. Baird's beautifully poetic description of how in after years he would fondly gaze upon the picture of the undefeated team of '95 down to Nick's characteristic "what's'emalla." The meeting was simply an expression of the pride the faculty and student body feel in the team's record during the year, and what they hope and expect of it in the game with Virginia. Good advice to the team was freely administered by Mr. Trenchard, Drs. Venable, Baskerville, and others. The team was assured of the hearty support of the student body and made to feel the great interest we have in the coming game.

Finally with three cheers for the team and the 'Varsity yell the meeting adjourned.

### Y. M. C. A.

The Young Men's Christian Association closed its Week of Prayer with a special service on Sunday afternoon.

Mr. W. J. Brogden spoke of the work of the Association in the cities, giving the needs of the young men that go to the cities to live, and telling how the Association supplies that need.

Mr. Shannonhouse followed with an account of the college work. He made a brief review of the movement, showing how it had grown, so that it is to be found in the colleges in all parts of the world.

The International Committee and our duty to it, was presented by Mr. J. S. Thomas. The Committee is made up of forty-two business men of the country, who have the weight of the work in the United States and Canada.
