THE VIRGINIA GAME.

Interesting Notes About the Game.

The Line-up of the Two Teams.

Before the TAR HEEL comes out again the great game with the University of Virginia toward which we have been bending all our football energies, will be played and the right of championship decided for another year.

Manager Carmichael reports that all the preliminary arrangements and contracts have been made. The game will be played at West End Park, Richmond. The gridiron will be enclosed with a picket-fence, and no one except the players and officials of the game will be admitted into the enclosure. The Chief of Police has been seen by Manager Carmichael and an ample force secured to keep the crowd back. Mr. Carmichael speaks very highly of the gentlemanly treatment he has received at the hands of Virginia's Manager, Lewis C. Williams, and of Manager William's sincere desire to arrange everything so as to secure fair play.

While both teams are weaker than the respective teams of last season, they are both in good condition and playing for all they are worth; so the contest will be hard fought. In three evenings' practice lately Virginia scored 96 points on her scrubs. Our team recently scored 60 points in one evening.

What will be the exact line up for the game is not certainly known yet; as best we can judge, it will be something like the following:

Virginia.		Carolina.
Clarke (Capt.),	R.E.	White,
Moore,	R.T.	Bennett (Seagle),
Davis,	R.G.	Carson (Bagwell),
Wallace,	C.	Joyner,
Johnson,	L.G.	Neville,
Somoskeoy,	L.T.	Wright (Capt.),
Martin,	L.E.	Whitaker,
Hoxton,	Q.B.	Green,
Morrison,	F.B.	Belden,
Groner,	L.H.B.	Haywood (Busbee),
Dabney,	R.H.B.	Butler,

The team will leave Wednesday morning and return Friday. It is expected that ten thousand people will witness the game.

Chapel Hill High School.

A notice of Mr. John Canada's preparatory school appeared in one of the TAR HEEL'S earlier issues, but since that time we have been more able to note its successful year. The need of such a school in the village has long been felt and the young boys and girls of the vicinity are fortunate in having the instructions of such an efficient corps of teachers. Mr. Canada acts as headmaster and is assisted in some classes by his brother. The primary classes are managed by Mrs. Wilson and Miss Loula Hendon, both of whom have had much experience in this line of work.

In a few years the school will probably be not only a day school but its patronage may be widened to include all this part of the State, and so a first class preparatory institution may be established in connection with the University.

Freshman-Sophomore Game.

These notorious enemies met upon the gridiron last Saturday, and the Freshmen evened up a few old scores by defeating the Sophomores 6 to 4.

It was a battle royal, the plucky little Fresh. rushing the arrogant Soph. and vice versa, with demon like energy. In the first half the Freshmen had the game their way and succeeded in scoring a safety and a touchdown, although goal was missed. In the second half the Sophomores braced up and made a touchdown, but failed goal.

The game is called at 3 o'clock, the Sophomores kicking off. The ball is rapidly advanced by Shuford, Robinson, Woodard and Bolden, and if looks as if the Freshmen must make a touchdown; but as they cross the line, the ball is fumbled and Connor falls on it scoring a safety.

The Sophomores kick from twenty-five yard line. The Freshmen buck line with good results and Shuford and Woodard make long gains. Bolden gains around left end and Robinson is pushed over for a touchdown. Woodard fails to kick goal. Score, '00 6; '99 0.

Soon after this, time is called, and the first half is over.

The Sophomores in the second half play harder ball and rush down the field rapidly. Winston, Harris and Davis gain and the latter at last makes touchdown. Winston misses goal. Score, '00 6; '99 4. Time is now called and the Freshmen have won by the narrow margin of two points.

For the Freshmen, the work of Shuford, Robinson, Woodard, Bolden, and Adams deserves special mention. For the Sophomores, Hardin, Davis, and Harris played the game.

Philological Club.

The Philological Club will meet in the English lecture-room on Tuesday evening, November 24, at half past seven o'clock.

The following papers will be read:

The use of the Final Verse by Catullus.—Mr. Linscott.

Unity of Time and Place in Le Cid.—Mr. May.

How to use Die Hamburgische Dramaturgie.—Mr. Toy.

On two verses of Tibullus.—Mr. Harrington.

At the east end of the New West building there is a very ugly hole that should be attended to.

The Seniors Win the Class Championship.

The series of games to decide the class championship in football has at last been completed, and the Senior team comes out with first honors. The game between Seniors and Meds was given to the Seniors, because Mechling, the Med half-back, was ruled off and his place could not be filled. However, an exhibition game between Seniors and Meds, with Mechling included, has been arranged and will be played this afternoon; the result of course will not affect the championship.

The team which now boasts the proud title of "Class Champion" is ably captained by Mr. A. T. Allen, and successfully managed by Mr. John Andrews. The picture of the team will be placed in the *Hellenian* and a trophy cup now being made by Mahler Sons of Raleigh will be presented.

The line-up of the champions of '96 is as follows: r.e. Smith, D. B.; r.t. Crinkley; r.g. Nichols; c. Howard, I. N.; l.g. Underhill; l.t. Lentz; l.e. Boddie; q.b. Canaday; r.h.b. Allen (Capt.); l.h.b. Candler; f.b. Kluttz. Subs. Mangum, Graves, Whitener and Wright.

Others who have shown class spirit and worked hard for the success of the team are Messrs. Connor, Williams, Newby, Long and Shepherd.

The Senior class had no idea of winning the championship when it entered the contest, and the result shows what hard, conscientious work will accomplish. In making its final bow the team desires to acknowledge its indebtedness to Mr. Joel Whitaker for valuable instructions and suggestions.

Historical Society.

The November meeting of the Historical Society took place on Tuesday night in the Historical room.

Instead of the usual reading of papers the audience was shown some of the valuable relics, historical and otherwise, that have been collected during the University's existence.

Dr. Battle, from his wealth of history and reminiscence, made the meeting a most interesting one by his explanations. We shall not attempt to describe the various things shown as they will soon be arranged and exhibited in the library. Glass cases will be set up beyond the Mangum collection of Japanese relics.

Dr. Battle stated that the collection of autograph letters was one of the largest and most valuable in the South; he also said that the collection of copper coins was quite complete.

Altogether the meeting was a most enjoyable one and the attendance quite large.

The evening train now arrives at 5:50 instead of 6:20.

Mr. Sayford begins the Y. M. C. A. Services.

On Wednesday night the series of meetings for the Y. M. C. A. was commenced by Mr. S. M. Sayford, the college evangelist of the United States. By way of introduction Mr. Sayford gave a short history of the work. How it had its birth at Amherst College, how it had grown in power and influence; and how at present nearly every educational institution in America has its Christain organizations. Several personal experiences in connection with the work were related in such a manner that the importance of Christain work among college men could not fail of being firmly impressed upon the audience. In Tuesday night's talk, attention was called to the true meaning of "What is being a Christain?" Verses from the New Testament were read showing what qualifications a Christain must possess, according to the standard set up by Christ. The speaker then impressed upon his hearers the fact that Christianity cannot be argued into a person, but must come from the quickening power of the Holy Spirit. Then he spoke with some force, bringing to the minds of his hearers that, all searching for peace and happiness were misdirected unless sought for in the religion of the Lord Jesus Christ.

Increase of attendance and interest shows that Mr. Sayford has already made a very pleasant impression upon the students. We are delighted to have such an earnest Christain worker among us. A man who comes to us with the burden upon his heart of the salvation of college men. Mr. Sayford's manner of speaking is very attractive. Every person in the audience is made to feel that a personal relation exists between himself and the speaker. We consider ourselves fortunate in securing him; and under his leadership there can be but one result—the winning of many lives for higher and nobler expression of manhood, and great increase of spiritual energy and devotion in the University.

The University Record.

The University Record is now in type and will be issued next week. We are informed that for all students paying their subscriptions before the issue of the *Record* the price will be twenty-five cents. After the issue, the full price, fifty cents, will be charged. The managers wish as many as possible now to secure low postage rates. Subscribe at the Registrar's office.

We clip the following bit of interesting information from the *Charlotte Observer*:

"His numerous friends in Charlotte were pleasantly surprised last night by a visit from President Geo. T. Winston, of the University of Texas, who is passing through the State on a visit, in behalf of his University, to all of the great seats of learning in the North and Northwest.
