A Scheme on Foot.

It is said that an electric car company of Pennsylvania is trying to get the contract for running a line in Durham, and if practicable to prolong it to Chapel Hill. This will be a great convenience and the citizens of Chapel Hill will probably be willing to help in promoting the plan. It will make railroad connections at Durham very easy, and so the idea will probably not delight the directors of our lightening express to University Station.

Try some of our good tobacco; 3 Kings, Marburg's Pickings, Golden Sceptre, English Bird's Eye, Middleton's No. 219, Pride of Riedsville and Marburg's Maryland Club Mixture.—N. C. Long & Bro.

An Entertainment.

The primary department of the Chapel Hill Graded School gave an entertainment in Gerrard Hall on Thursday evening, for the purpose of obtaining some funds with which to fit up the room of the elementary grade.

The program consisted of songs, piano solos, recitations, banjo solos, and various miscellaneous numbers. Messrs. Mechling, Lake, Elliott, and Dey assisted in the musical selections, and Miss Rachel Sims conducted the recitations and exercises by the smaller children.

The primary department of the school is superintended by Miss Loula Herndon, of Chapel Hill, who has been for some years a successful teacher of the younger children in the village.

All present enjoyed the performances very much and hope they may be again able to see what has been dubbed the "Canadian Dramatic Club," after the headmaster, Mr. J. W. Canada, '96.

We have just opened a nice lot of tan colored, monkey grain leather belts. They are extra wide with double buckle.—N. C. Long & Bro.
