A SAD DEATH

Young Mr. Whitehead Passed Away Sunday Night.

It is with deepest sorrow that we chronicle the death of our fellow student Mr. Edwin A. Whitehead, which occurred in the Infirmary at one o'clock Sunday morning. Mr. Whitehead was a son of Mr. W. T. Whitehead, of Scotland Neck, Halifax County. He entered the University as a freshman last September. He was a young man of remarkably fine physique, being about six feet tall and weighing 175 pounds, and played on the '01 football team. On the fourth day of March he was taken sick with acute rheumatic fever. He was soon removed from his room to the Infirmary, where he received the tenderest care and closest attention. His case continued to grow worse, and his father and two brothers, one of whom is a practicing physician in Suffolk, Va., were called to his bedside. It soon became evident that human skill could be of no avail, and on Sunday night after an illness of nearly six weeks, he succumbed to the great destroyer. The doctors said he died of endocarditis, a complication of the primary disease. On Monday morning at eight o'clock a short but impressive service was held in the Infirmary by Dr. Hume, after which the body, followed by a large concourse of students and members of the faculty, was borne to the railway station to be taken to his home for burial.

Mr. Whitehead had been for several years a consistent member of the Baptist Church, and while at the University, attended its services with scrupulous regularity. It is the misfortune of the writer not to have known Mr. Whitehead personally. The many who did know him speak in highest terms of his spotless character and noble disposition. We extend our most heartfelt sympathy to the sorrowing family.

Cadets from U. N. C.

It is gratifying to all of us to hear of the success of old U. N. C. boys. No matter if they were in college before our day, we have a sort of brotherly feeling—a feeling of kinship towards them that makes us rejoice at their good fortune and take pride in their achievements. Prof. Gore read a letter at chapel exercises one morning last week that he had just received from W. C. Harlee, ex-'96, now a member of the graduating class at West Point.

In referring to the high standing taken by the University boys at the Military Academy, Mr. Harlee said that E. P. Wooten, ex-'97, also a member of the senior class, is regarded as the brightest man who has ever entered West Point. Not only does he lead his class but he is the most popular man in the corps. He said also that F. N. Cooke, ex-'96, and W. G. Peace, ex-'98, stand very high in their classes. Prof. Gore also stated that he had been informed that W. B. Ferguson, Jr. and H. T. Winston, both ex-members of the class of '97, led their class in mathematics and drawing, respectively, in the March examinations at the Naval Academy.
