TENNESSEE SHUT OUT

Visitors No Match For The Carolinians. Score Carolina 10, Tennessee 0.

The game played here Tuesday was the second game with Tennessee and the visitors made by no means the same show against our team that they did in Winston the day before. It was a slow game from start to finish and at the outset one could see that Carolina had the game in a walk. Nothing can be said against the playing of our team for it was excellent and was an errorless game on their part up to the ending of the ninth. For the visitors Herring's fielding and Campbell's all-around playing were the features while for Carolina Lawson and Oldham have the honors.

Without a doubt the most noticeable feature of the game was the utter absence of any sort of rooting or cheering on the bleachers. The team had to play their own game, just as if they were on foreign grounds. It is true that the game was not inducive to an excessive amount of rooting, but there should have been one or two yells to start off the game. We have undoubtedly gotten to a low order of things when our own victorious team receives not the slightest backing on the home grounds. Don't let us have this state of affairs again!

The game was called at 3:40 with Carolina at the bat. Allison makes first on Bryan's error. Oldham gets single to left. Both move up on a passed ball. Lambeth is out from Murray to first. Lawson hits safe scoring Allison and Oldham and easily steals second, but is out trying to steal third. Woodard hits to Murray and is out at first.

OAK RIDGE DEFEATED.

The second game of the season played with Oak Ridge last Saturday in Greensboro was undoubtedly the prettiest game of the season. The ball played by our team was superb, as every man went in the game determined to win at any cost.
