

### Campus Chat.

Mr. E. A. Abernethy spent Sunday on the Hill.

In the practice game Monday Watson dislocated his collar bone.

Mrs. H. B. Short and Miss Short are here on a visit to Mr. Henry Short.

Mr. Jack London spent a few days in Pittsboro with Mr. W. F. Smathers.

Sunday after-noon in the Chapel Prof. Collier Cobb lectured interestingly on "Bible Study."

The Freshmen played the Sophs a good game to a draw Saturday. The score was 5 to 5.

Messrs. Jim Webb, Browne and Cheshire Webb, and Paul Collins spent Monday on the Hill.

Miss Margaret Wood, of Wilmington, is here on a visit at the home of Mr. J. A. Holmes.

The students who were here last year are glad to welcome back Mr. Joe Martin, our gritty little quarter back of '99.

The October german will be held on the 12th. A goodly number of visiting maidens are expected. Metrah Makely is leader.

M. W. H. Webb '03 has been suffering from a bone felon so much that he was compelled to return home for a few days. He is improving, now.

We are sorry to see thoughtless students again beginning the practice of cutting the beautiful rectangle in front of the buildings into paths. The old adage "Haste makes waste" is peculiarly appropriate here.

It is queer how many men have dropped out of college a year or two and have returned this year. This seems to illustrate that love of alma mater which has done so much to make the University famous for over a century.

Does anyone know why Marvin Carr and J. C. Webb went to Hillsboro last Sunday. There must be a strong attraction to pull them 24 miles over a country road and back for the sake of an hour or two at Hillsboro.

Ask "Pick" how he enjoyed the Fresh election on his premises. The elusively eel-like Freshmen slipped thro' the Sophomore's fingers and elected Albert Cox captain of their football team, and Payne manager. Congratulations on your success, Freshmen.

There is talk of holding the second annual debate between this University and Vanderbilt in Raleigh next spring. The societies have appointed committees to look into the matter. The idea is an excellent one, for the debate will thus attract the attention and interest of the State.

Mr. T. C. Worth left last Monday evening for Columbia, S. C., to act as attendant at the marriage of Mr. Christopher Atkinson, his cousin. The knowing ones are whispering that Tom, is, ere long, to act as one of the principals in a like affair.

Crane is coaching Vanderbilt this fall.

### Meeting of Elisha Mitchell Scientific Society.

The first meeting of the Elisha Mitchell Scientific society for the college year was held in the Chemistry lecture room last Saturday. The election of officers for the year took place. Dr. Richard H. Whitehead was elected president. Prof. Howell, Vice President; Dr. Chas. Baskerville, Recording Secretary; President Venable, permanent secretary.

The Elisha Mitchell is one of the most active societies in the University. At its monthly meetings matters of world-wide interest in the scientific world are discussed in a scholarly manner.

### Exchanges.

As the colleges have just opened and gotten to work, exchanges are not at all numerous as yet.

All through the South, college enrollments have been unusually full this fall. Texas expects to lead Southern Colleges in numbers, with about eleven hundred students.

Reports of strong teams come from several colleges with whom we have games this fall. Virginia's prospects seem unusually good. They have a squad of fifty men out regularly, from which number they expect easily to be able to fill the few vacant places with good men. They have a strong new man in Walker, of Nashville, Tenn.

Sewanee is also highly pleased both with the quality and quantity of her material. She has a regular squad of thirty men who are giving Coach Suter great satisfaction.

Georgetown will be coached this fall by Dr. Alfred Bull, an old Pennsylvania centre-rush.

Tennessee is said to be looking forward to a victorious foot ball season with most of her last year's team back.

An effort is being made to get the Yale-Princeton game played on Manhattan field, New York.

Mr. J. H. Sneed, traveling salesman for Lambe & Lyon of Durham will be on the hill Wednesday and Thursday at N. C. Long & Bro's store.

Dr. S. Rappart, eye-specialist of Durham N. C., will be at Pickard's Hotel Saturday, Oct. 6., and those who would like to have their eyes examined would do well to see him.
