Nothing to Nothing.

Carolina vs. V. P. I. Neither Side Scores. Magnificent Game and Brilliant Playing.

One of the most brilliant games of football ever seen on the gridiron here was the hotly contested game Saturday afternoon between the University and Virginia Polytechnic Institute of Blacksburg. Every inch of ground was stubbornly fought for. The line bucking of both elevens was hard and low and the defensive work was superb. Each team did a great deal of punting and the Virginians came out ahead in kicking.

A large crowd witnessed the game, which was intensely exciting and great enthusiasm was manifested. Few end runs were made by either team, mostly line plays being used. The work of both lines was fine, each man playing his position for all it was worth. Graves and Bennett were both unwell, but grittily stuck in the game and did their usual strong work. Berkely at half was the star of the game and Foust was a power at tackle. Individual praise would be useless. Every man on both teams did his duty and did it well. For Blacksburg, Coxe's work at tackle, and Carpenter's at end were the features, while the whole eleven did good playing. The two elevens are about evenly matched and there is very little difference in the weights of the players. The offensive playing was stubbornly resisted by each side and the defensive work could not be improved upon.

There was very little fumbling and the playing at all times was fast and furious. The day was a little warm for football, but the men were gritty and stood up well, not a man being replaced until near the end of the last half when Ebbs succeeded McRae at half.

Following is the detailed report of the game:

The Virginia boys were "tickled to death" at the result of the game and they say it is by far the best game ever put up by them. Both teams showed clearly the great amount of work they have done and the good training they have received.

The visitors drove through the country to Durham where they spent the night, and returned home Sunday, much delighted with their North Carolina trip.

DEPARTURE OF THE TEAM.

Vanderbilt, Tennessee and Sewanee Our Enemies.

This morning at one o'clock, the foot ball team left in their special car on their Southern and Western trip to be gone till Tuesday. They go directly to Knoxville, where on Thursday they tackle the University of Tennessee. On Saturday we line up against Vanderbilt at Nashville, and on Sunday the boys will go to Atlanta and play Sewanee Monday. We have every reason for reposing the utmost confidence in our players. In Saturday's game they clearly demonstrated that they can play good and fast ball. They have been trained well and we expect them to defend their Alma Mater well. It is true we start out under a handicap. Graves is barely able to use his leg; and the loss of Graves means much. The men who go on the trip are as follows:

Council, Brem, Phifer, Rankin, Bennett, Foust, Roberts, Osborne, Smathers, Makely, Graves E., Graves L., McRae, Berkely, Ebbs, Carr, Donnelly and Coach Reynolds and Herman Weil.
