WE WON EASILY

In the Game at Charlotte Last Saturday.

CAROLINA, 27; DAVIDSON, 0.

The Davidson Men Could Not Cope with Their Heavier Opponents—Berkeley Makes an 80-Yard Run—Graves Kicks Two Goals from the Field—The Line-up.

In its report of the Carolina-Davidson game, played in Charlotte last Saturday, the Charlotte Observer has the following to say:

In the game of foot ball between the University and Davidson, yesterday, the University won by a score of 27 to 0. The University made her first touch-down in six minutes and kicked a goal. Fourteen minutes later Graves, University's quarterback, kicked a goal, making the score 11 to 0. Before the first half was ended Graves distinguished himself by kicking a second goal from the field, making the score 16 to 0.

In the second half both the teams played only eight minutes, owing to the lateness of the hour; but in this brief space the University scored two touch-downs, failing to kick goal on the first score. This gave the University a total of 27 points.

The line-up was as follows:
University—Fisher, L. E., Foust, (Capt.) L. T., Shepherd, L. G., Stewart, C., Farlow, R. G., Jones, R. T., Townsend, R. E., Graves, Q. B., Berkeley, L. H., Jacocks, R. H., Engel, F. B.

Davidson—Currie, L. E., Gibson, J., L. T., Lentz, L. G., Johnson, C., Hutchinson, R. G., McFayden, R. T., Caldwell, (Capt.) R. E., Kirkpatrick, Q. B., Fetzer, L. H., Dixon, R. H., McLeon, F. B.

THE GAME.

Davidson kicked off and the University got the ball, and carried it down the field with a succession of heavy rushes until it was fumbled and secured by Davidson. Davidson advanced the ball for several downs, but fumbled, and Carolina again secured the pig skin. With plunging through the centre and sharp end rushes, aided by the fact that Davidson was penalized ten yards, the University resistlessly swept down the grid-iron and scored without difficulty. In the first part of the game Berkeley did good work, materially assisting his team by a 20-yard run.

Davidson kicked off, and Carolina secured the ball on the 33-yard line. They advanced the ball one or two downs. Davidson obtained the ball and made steady gains for six downs; but Carolina gained the leather on a fumble. Carolina, after rushing heavily, was compelled to kick. Carolina next attempted

plunging tactics altogether, but not being able to make the distance after a dozen rushes the ball went over. After bucking at Carolina's centre half a dozen times Caldwell, Davidson's captain and right tackle, made a brilliant 25-yard run around Carolina's left end. Further line smashing by Davidson brought that team to the point where another kick necessary. Carolina returned the kick, and Davidson gained 15 yards by the exchange of full back amenities. For some time both sides handled the pigskin frequently, and suddenly the most spectacular play of the game was made, when Berkeley broke loose from his pursuers and carried the ball in Davidson's territory for the distance of 80 yards and within 18 yards of the goal line. Here Graves made a beautiful kick that sent the ball right between the posts.

Davidson kicked off, and the ball was kept in Davidson's ground until it was again near the latter's goal, when Graves' foot came into heady use again and he kicked another goal from the field.

There were no features in the second half of the game. The University maintained an easy superiority and scored without any effort.

Both teams played good, snappy ball, but the University men were much too heavy for their opponents, outweighing them, man to man, about 18 pounds.

For Davidson Caldwell did first rate playing, as did Johnson at centre and McLeon at full back. Graves and Berkeley were the stars for the University. Coach H. B. Olcott, expressed himself as decidedly pleased at the playing of all of his men.

The officials of the game were: Mr. L. M. Dodsworth, umpire; Dr. J. P. Munroe, referee; time-keeper, Dr. J. M. Douglass.

The attendance was about 500 and included warm friends of both teams, who kept things lively with incessant yelling. The Davidson boys returned home last night. The University boys stayed over night at the Central and will leave for Chapel Hill this morning.

Another View of Indain Summer.

There's a haze in the air—
In Indain Summer;
There's contentment everywhere,
In this pleasing season of the year;
How better to do away with care,
Than to give oneself to fancy,
At this season of the year,
Wheresoever she may lead you,
Whether here or whether there;
Put yourself in passive mood,
To nature lend an ear,
Let your soul dilate with drinking,
Sounds and sights far and near.

"U. N. C."

It is a peculiar coincidence that the ground plan of our campus seems to be laid out on the letters U. N. C.

At the top left hand tip of the "U" is the Carr building, opposite to this on the right hand tip is the University Library. Half way down the left branch of the "U" is the New East building, just across from this on the right branch is the Old East. At the bottom of the curve is the Alumni building.

At the top left hand tip of the "N" is the South building, and on the right hand tip is Gerrard Hall. Half way down the left hand side is the dear old college well, and at the lower tip of the same side is the historic Davie poplar. Midway down the right hand side is the Old West building, and below this at the end of the same side is the Chemical Laboratory.

At the one point of the "C" is Memorial Hall, at the other tip is the Mary Ann Smith building, and midway between these on the curve of the "C" is the New West.

If you lay out these points you will find that you have a pretty accurate plan of the campus of our beloved U. N. C.
