Graham Andrews has been elected toast master of the society banquet at commencement.

Dr. Howard Rondthaler, of Salem, University preacher, preached in the Chapel on Sunday night. His subject was the constraining influence of Christ's love. Dr. Rondthaler is an earnest talker and knows how to reach his hearers.

On last Saturday the Med team won their first game of the season. This time they met the Sophomores and won from them by a score of 10 to 6. Several men on both teams were away, and their places had to be filled by men who had not played on the teams before. On account of this the game was slow and uninteresting. Berkeley, for the Meds, played the star game of the day. Six hits were made by each side. The errors were, Meds 5, Sophs 6.

Dr. Bruner will speak at the West End Chapel Sunday morning. Next week he will deliver a literary address before the teachers and pupils of the Burlington graded schools.

At the thirteenth regular meeting of the Chicago Section of the American Mathematical Society, held in Armour Institute, Chicago, April 11, Dr. Archibald Henderson read two papers both of which are soon to be published in the mathematical journals of the North. These are entitled "On the construction of a double-six" and "On the graphic representation of the straight lines upon the the twenty-one different types of the cubic surface." Dr. Henderson has published a number of articles in the mathematical journals since he has been at the University of Chicago. It is indeed a pleasure to his Alma Mater and to us all to know that his ability has received due recognition in the North. May continued success be his.

Invitations are out announcing the marriage of Mr. Paul Jones, Law '88, to Miss Rose Adams, of Tarboro, on April 29th.

Messrs. Kugimiya and Hinohara, of Japan, students at Trinity College, led the Y. M. C. A. Tuesday night. They had a very large crowd out to hear them who greatly enjoyed their interesting talks.

The Freshman baseball team defeated the Mebane team last Saturday by the score of 7 to 4.

Dr. Venable has been in Richmond this week attending the meeting of the Southern Educational Board.

The Senior baseball team defeated the Sophomores last week by the score of 8 to 0. The Seniors played an errorless game.
