### DAVIDSON DEFEATED.

#### The Mecklenburg Boys are Shut Out in an Interesting Game at Charlotte.

Carolina defeated Davidson at Charlotte last Saturday afternoon by a score of 6 to 0. It was the first game of the season for both teams and this fact lent an added interest to the contest. The Davidson team came down backed by supporters 300 strong and Davidson rooters soon o'erran the town. The Observer says "Chapel Hill (why will they call us Chapel Hill?) did not make much of a showing on the streets, but eleven strong, husky chaps, with powerful limbs and well knitted muscles, lay in wait at the Central Hotel. The Davidson rooters seemed excited and nervous." At the appointed hour more than 1,000 interested people were on the sidewalks. The following account of the game, the only available one, is from the columns of the Observer.

The game was called at 3:45 by time keepers Dr. J. P. Monroe and Col. Walter Murphey. Drs. Baxter S. Moore and Brodie C. Nalle were the referees. Davidson took the ball and the southside of the field. As the game commenced the crowd, about 1,000 strong, circled closer and began to break across the ropes. The spectators were enthusiastic from the very beginning. Davidson rooters were everywhere and very demonstrative. As the game progressed the crowd circled closer.

Davidson kicked off and put the ball in motion. It was caught on the 20-yard line. In the first or second mix up Parks McKay was knocked out for a moment or two. The ball remained with Carolina, but the Davidson boys kept it close to where it started. The Varsity team kicked the pigskin from behind the line and the Presbyterians carried it back. Carolina got the ball on the 47-yard line, and Abernethy made a drive for 12 yards. The ball was lost to Davidson on her 30-yard line. Lacey started for a run around the left end, but Sadler tackled him after he had gained about 17 yards. Davidson bucked the centre, but to no purpose. Two yards were made around the left end. The Presbyterians resorted to a kick; Sadler caught the ball and carried it back 25 yards around the left end. Roberson took the ball for a 5 yard gain, and Abernethy followed to the same effect. Roberson made 15 yards around the left. Abernethy hit the center for four yards, and Roberson followed with seven. Sadler tried the center, but failed to make a gain. Carolina was offside, and went back five yards. Carolina kicked and Lacey caught the ball, but Singletary made a brilliant run and landed right on top of him, before he could move out of his tracks Davidson kicked and Sadler caught

and carried the ball back 30 yards. Carolina lost 15 yards on a fumble, but Abernethy made 10 of it back around the left end.

This sort of playing kept up for the entire first half of the game which continued 20 minutes. Neither side made a point. It was very evident from the start that Carolina could hold the Davidson boys in check, but it was doubtful if the stronger team could score.

The Varsity boys made a touch-down and kicked a goal within six minutes after the second half was called. Abernethy, Gardner and Sadler bucked the center and made gain after gain. After that the Davidson boys rallied and made a desperate fight to keep the score at 6, and it was successful. The playing of Lacy, a tiny fellow, and Lane was very fine. Lane did some clean, clever tackling in the line. Abernethy and Gardner did first class work for the Varsity boys. Sadler, Winborne, Snipes and Roberson made a splendid quartette behind the line. Abernethy gained every time he struck Davidson's line.

When Carolina made the goal there was great excitement. The crowd scattered all over the grounds and it took some time to clear the field for the game to continue.

The last few minutes of the game were intensely interesting, for the Davidson boys put forth every effort to keep the Varsity boys from gaining. The game was exciting from start to finish and did well for green teams. The spectators were pleased. They felt as if they had gotten the worth of their money, and no serious accident had marred the pleasure of the afternoon.

The two teams lined up as follows:

### FRESHMEN ELECT SOME MORE.

#### At a Second Meeting a Second Ticket is Declared Elected—An Interesting Contest Follows.

THE TAR HEEL has received the following communication which it is asked to publish:

At a called meeting of the Freshman class at 11:30 p. m. Sept. 30th, '05, Mr. Ray took the chair and after the meeting had been called to order, the following officers were nominated and seconded; after which the ballot was taken which resulted in the election of the following officers.

- President, R. M. Bryant.
- 1st Vice Pres., Tom S. Dalton.
- 2nd " " Sam N. Clark.
- Secretary, M. S. Huske.
- Treasurer, Donald Ray.
- Historian, H. P. Osborne.
- Class Representative, W. G. Thomas.

- Poet, Donnell Gilliam, Jr.
- Prophet, J. E. Cooper.
- Statistician, Duncan McRae.
- Captain Foot Ball Team, Leslie Perry.
- Manager Foot Ball Team, Jas. T. Hanes.

After the election of officers it was moved that a copy of these minutes be sent to The Dean and Editors of "Tar Heel" respectively. Carried. There being no further business the meeting adjourned.

D. Ray, Act'g Chairman.  
M. S. Huske, Sec'y.  
There were present (and by proxies) ninety three (93) qualified Freshmen, which constituted a quorum, and also a majority of the Freshman class.

Our readers will perhaps remember that our initial issue contained an account of a Freshman class election, the ticket being headed by Freeman for president. The place of this meeting, as announced heretofore, was the third story of the New West; the time thereof a reasonable time before breakfast. We supposed at the time that this closed the season of politics, but this, it seems, was not the case. Some of the members of '09, being more ambitious than last year's class, which was abundantly satisfied with one election, straightway held another, the time of which was a half hour before the beginning of Sunday, October 1st, and the place the new athletic field on the west goal's 45 yard line. At this meeting an entirely new ticket, headed by "Red Buck" Bryant for president was nominated and elected. Then came the peculiar part. After having held two meetings and having declared two different tickets elected nobody seemed willing for both elections to stand. Those who had voted in one declined to recognize the other and as the class was divided against itself the matter was referred to the dean of the academic department, Dr. Alexander, for

arbitrament.

Those who voted in the first election contended that in all corporate bodies a quorum is the only thing necessary to elect officers or transact any other business at a called meeting. They contended that they had a quorum, and as proof of this submitted to the dean 66 signed proxies. They maintained that inasmuch as their election was the first one held, was held in accordance with all Faculty rules and as a quorum was present, their election should take precedence of all subsequent elections, no matter how many voted in them.

Those who participated in the second election held (whether admitting or denying the contention of the others as to the general principles governing elections, we do not know) that it was customary in the University for a ticket, in order to be elected, to have a majority of the registered vote of the class; that the first ticket was not voted for by a majority and therefore was not elected; that the second ticket did receive such a vote, and in proof of this submitted for the dean's inspection ninety-three proxies.

Dr. Alexander's statement in regard to the matter in question is substantially as follows: "So far as power to decide such elections one way or another is concerned I have none; but since the matter was referred to me I have looked into it the best I could. So far as I can learn, it has for a long time been the custom in the University to have a majority before declaring a ticket elected. If we follow this custom it seems to me there was no election except the second."

And there you are. Meantime let the good work go on. We're waiting for a third election. It shall have a place in these columns no matter what it displaces.

#### Dr. Hume to Lecture.

Dr. Thomas Hume will leave Saturday for Norfolk, Va., to attend and to participate in the exercises of the centennial celebration of the First Baptist church of Norfolk, Dr. Hume's former home.

On Sunday night Dr. Hume will deliver the address of the evening on "Denominational Literature."

Next Thursday, 19th, he will deliver a reminiscent address at the dedication of the new Y. M. C. A. building at the University of Virginia, Charlottesville. This is also the occasion of a reunion of the surviving alumni of the University who established in Charlottesville in 1858 the first College Y. M. C. A. society in the world. Dr. Hume was the first charter member and the second president. His name is first on the roll.

"Bill Reid," the head coach at Harvard this year, will receive \$7,000 for his three month's work. This is at the rate of \$28,000 a year. It is estimated that Yost gets about \$5,000.
