

PERSONALS

Mr. T. Grier Miller '06 visited the Hill last week, returning Friday to his home in Statesville.

Mr. Francis Cox, '04 one of the finest ends that Carolina has ever boasted is on the Hill for a short visit. He will return to Harvard in a few days to resume his study of law.

Mr. O. Max Gardner, guard on our last year's football team is spending a short while with his friends on the Hill. He is now engaged in the practice of law at Shelby N. C.

Rev. A. L. Phillips, '80, D. D. 94, of Richmond, Va., filled the pulpit of the Presbyterian church last Sunday morning and evening. In the afternoon he addressed the students in Gerrard Hall.

Messrs. W. A. Houck and W. S. Dickson, two of '07's shining lights, spent Friday and Saturday on a squirrel hunt in the suburbs of University Station. No marked depletion in the squirrel population has been reported as yet.

Coach Warner, who trained our foot ball team last year and is this fall employed in the capacity of coach at Colgate University, has already sent in his subscription to the TAR HEEL. Let every man on the Hill follow Coach Warner's example by handing in his subscription at once.

The friends of L. F. Abernethy '06, the All-American full back of our last year's eleven, will learn with regret of his recent ill health. Blood poison resulting from an infected abrasion was the cause of his illness. His condition was critical for some time, but we are glad to state he is now improving.

It will be of general interest to all University men to know that we have with us Dr. Greene R. Berkeley, one of the best half backs Carolina has ever had. Last May Dr. Berkeley graduated at Jefferson Medical College one of the first in his class, winning a medal for his work in Gynecology. Dr. Berkeley will be associated with the Medical Department of the University as Demonstrator of Anatomy.

LOCAL NOTES

The surveying squad, under the command of Mr. Hickerson, were out for the first work on the campus Monday afternoon.

The Summer Law School for 1906 was the largest that has been held in the history of the University. It numbered sixty men. By far the larger part of the men who went before the Supreme Court in August passed.

Licentiatees have been appointed in the various departments as follows: Mathematics, J. R. Whitley, C. H. Keel, J. M. Porter, W. S. McGowan and W. S. O'B. Robinson; Latin, W. B. Davis; French, Q. S. Mills; German, E. E. Connor.

Commons Hall has resumed business under the same management as last year. Boys are already crowding the entry three times a day and "Ben" the corpulent canial signboard of the establishment still loafs in sight of prospective boarders as per instructions.

According to his custom Dr. Venable spoke to the student body in Gerrard Hall, Thursday Sept. 14th. His remarks were addressed largely to the new men whom he urged to take advantage of every opporeunity for development that the University offers. He impressed upon those present the loftiness of the University ideals and the necessity for upholding them.

A number of the members of '06, gathered in the chapel last Thursday night and held a general reunion. Old class songs were sung and different college yells were given. The meeting was entirely informal and the following members of the class gave in their experiences of the past vacation: Messrs. Love, Parker, Miller, Kibler, Dalton, Royal, McCain, Crawford, Allen Wood, Burwell, Calder, and Pogue.

Advisory Committee Meets.

The first meeting of the Advisory Committee of the Athletic Association for the current year was held in the President's office on the afternoon of Saturday, the 15th, at 2:30.

After some discussion it was decided to discontinue the football training-table which has been run for the benefit of the players for several seasons. In taking this action the University follows the lead of most of the larger Western Universities. The custom of supporting the training table has been deemed inadvisable at some of these for several years.

The schedule printed below of the football games for this fall has been decided upon. No contract has been made as yet for Thanksgiving Day. There is a possibility that the Richmond College game may be shifted from Oct. 13th to Oct. 12th. Beyond the filling of the vacant date no farther changes are to be made.

- Sept. 29 Davidson, at Charlotte.
- Oct. 6 University of Pennsylvania, at Philadelphia.
- Oct. 13 Richmond College, at Chapel Hill.
- Oct. 20 Lafayette, at Norfolk.
- Oct. 27 V. P. I., at Richmond.
- Nov. 3 Georgetown, at Norfolk.
- Nov. 10 A. & M. College, at Chapel Hill.
- Nov. 17 Navy, at Annapolis.
- Nov. 24 Open.

Messrs. W. C. Coughenour, Jr. and J. A. Gray, Jr. were appointed assistant managers of the football team.

It was also decided that the Secretary and Treasurer of the Athletic Association shall be henceforth a member of the Advisory Committee. Up to this time this office has been a mere figurehead. Mr. E. C. Herring is its present incumbent.

As there was a great deal of confusion evinced last year in regard to who belonged to the Board the TAR HEEL takes this opportunity to print the names of its members. They are as follows: President F. P. Venable, Professors C. H. Herty, C. S. Mangum, and E. K. Graham, and Messrs. Foy Roberston, Romy Story, J. M. Robinson, J. M. Thompson, W. S. O'B. Robinson, Stanley Winborne, T. A. McNeill, John A. Parker, W. H. M. Pittman, and E. C. Herring.

The Press Association.

Tuesday afternoon, at 2:15 the Press Association assembled for the first time this year with about ten members present. In the absence of President Farabee and Vice-president Shull the meeting was called to order by Secretary Gray. Mr. Gray made a few remarks relative to the purpose of the association, which is to attempt to get all of the representatives of the different papers together and render the correspondence work easier and more thorough.

Mr. J. E. Latta called the attention of the association to the drawer which is reserved in room No. 7, Alumni, as a receptacle for all news matter that comes into the hands of the association's members. The correspondents would find their work much easier, he said, if each of them would make it his business to put his news into this drawer. In the past the existence of this drawer has been considered as a myth, but Mr. Latta vouched for its being a reality if only the correspondents would look for it.

The correspondents present and their papers are as follows: W. D. McLean, Washington Post and Greensboro Telegram; James A. Gray, Jr., Twin-City Daily Sentinel; Victor Williams, Asheville Citizen; John A. Parker, Raleigh News and Observer; G. S. P. Holland, Norfolk Ledger-Dispatch and Richmond News Leader; Chas. G. Mullen, Charlotte Observer and Chronicle, Raleigh Evening Times, Richmond Times-Dispatch and Atlanta Journal.
