

PERSONALS

Mr. Louis Graves, one of the University's star quarters, who has been for some time with the New York Times, is now with the publication department of the Pennsylvania Railway.

Mr. Albert W. Latta, who left the University a year ago, after having taken advanced work in physics and applied electricity here, has been appointed to a permanent position on the erecting engineering staff of the General Electric Co., with headquarters at Philadelphia.

Mr. Floyd Simmons, formerly a student at Washington and Jefferson and a noted athlete at that institution, is now on the Hill as assistant football coach. Mr. Simmons is taking law and will remain here the entire year. He will coach the baseball team next spring.

Mr. Ivey F. Lewis, '02, who will be a student at Johns Hopkins this year, has been visiting his grandparents, Dr. and Mrs. Kemp Plummer Battle. Last year Mr. Lewis was professor of biology at Randolph Macon college while the regular professor in that department was away on leave of absence.

Jefferson has always received a large share of our medical students, but this year our representation there is unusually large. Nine of last year's second year meds are now taking the third year there. They are: O. H. Terrell, John Berry, F. C. Hyatt, T. H. Smith, T. D. Kitchen, R. T. Upchurch, W. H. Braddy, J. V. Howard and T. M. Smith.

Advisory Committee.

The Advisory Committee met on Monday afternoon to transact business relative to the expenses of the team on its trip North at the end of the week. In the future all appropriations for athletic teams will be made through the treasurer of the athletic association. Hitherto there has been no such arrangement, and for this reason, more or less confusion has arisen in keeping the accounts each season.

It was announced that Mr. Floyd Simmons, now assistant coach on the football team would coach the Varsity baseball team next spring.

A committee was appointed to consider the advisability of securing a coach for the track team next spring.

As most of the Varsity football material will come in the future from the class teams, steps were taken relative to supplying the class teams with coaching this fall.

The order of the Gorgon's Head has initiated the following men: Robert Smallwood, Foye Roberson, Frank Daniels, William J. Boylen, Tom McNeill and Manlius Orr.
