

**PERSONALS**

Miss Mary Graves left Saturday for a month's stay in New York.

Dr. and Mrs. Chas. H. Herty, Dr. and Mrs. Jos. H. Pratt, Miss Margaret Alexander, Prof. E. V. Howell, and Mr. N. C. Curtis were among those who represented Chapel Hill at the Marshall's Ball at Raleigh last week.

Bernard O'Neil, who has been confined to the infirmary since he was wounded some time ago, left last week for Wilmington where he will undergo an operation for the removal of the bullet which lodged in a muscle of his leg.

Friends of Mr. Edgar D. Broadhurst will be interested to learn of his marriage last Thursday evening to Miss Mamie Strowd, of Greensboro. Mr. Broadhurst graduated at the University a few years ago and was for a time instructor in the law department. At present he is one of the most promising young lawyers of Greensboro.

Mr. C. L. Boynton, for three years past office secretary of the Student Department of the Y. M. C. A. at New York City, spent part of last week on the Hill. Mr. Boynton is on his way to Shanghai, China, to fill a similar position for the Student Department of the Y. M. C. A. in China. The Y. M. C. A. organizations of North Carolina will support Mr. Boynton in his new field.

L. F. Abernathy, '06, whose ill health resulting from blood poisoning has been previously referred to, is not improving as rapidly as his friends could wish. "Abby" is still at the Johns Hopkins Hospital, Baltimore, where he has been ever since the opening of college. For a time he improved after going to the hospital, but latterly he has suffered a relapse, and is in a serious condition again.

**The Societies.**

Up in the Phi they debated, Saturday night, the query, "Resolved, That the government should enact uniform and more stringent divorce laws." The negative won and Mr. L. C. Kerr made the best speech.

The Di society discussed the question, "Resolved, That United States Senators should be elected by the direct vote of the people." The decision was rendered in favor of the affirmative and Mr. L. P. Matthews was judged the best speaker.

The query for the Freshman debate in the Di society has been posted as follows: "Resolved, That the United States government should take the island of Cuba and hold it as a colonial possession." The Freshman debate was instituted experimentally last year, and proved a distinct success. It is to be hoped that the Freshmen will go at it in earnest again this year.

The Societies have elected their Soph-Junior debaters. They are: J. W. Hester, '08, and S. V. Bowen, '09, Phi, and T. W. Andrews, '08, and C. E. McIntosh, '09, Di. The query is the same as the one for the Di Fresh debate. No definite time has yet been set for the debate, but it will come off some time before Christmas.

**LOCAL NOTES**

—The Biological Journal Club met Saturday evening at the residence of Dr. W. C. Coker.

—A mass meeting for students only was held in the chapel last Thursday night. College songs were sung and yells were practiced, after which Chief Cheerer Freddie Stem rendered several charming selections on the bass drum.

—A prize of an annual has been offered by the Yackety Yack for the best collection of kodak pictures taken on the campus or in the vicinity of Chapel Hill. The collection winning out will be reproduced on a double page in the annual, as was done last year.

—To-day the enrollment of the University numbers 703—20 more than the total for last year. The University's academic department contains more students than the corresponding departments of any three colleges in the South taken together—excepting the University of Texas.

—The Economics Society met in the Economics Seminary, Alumni Hall, last Monday evening. The question for discussion was "Resolved, That the resources of the South are insufficient to manufacture its entire cotton crop." About thirty members were present, and both sides of the query were thoroughly debated.

—Jim Barry, who played on Virginia's eleven last year and on Carolina's two years ago, has organized a football team in Norfolk, Va., to be known as the Norfolk College Team. Weber, also of Carolina's '04 Varsity, is with him. The team is composed chiefly of ex-V. P. I. and ex-Virginia players.

—Owing to the fact that the Western Union Telegraph Co.'s lines in Norfolk were blown down during a severe storm Friday night it was impossible to obtain a continuous report of the Lafayette game last Saturday afternoon. There will be a report of the V. P. I. game, however, next Saturday afternoon at 3 o'clock in the chapel. Everybody turn out.

**TOUCHDOWNS**

We scored.  
McNeil did it.  
A muddy field again.  
John A. must come back.  
Yes—Horace gave a quiz.  
Fifty yards for a touchdown.  
Score 6 to 5 in our favor—but it didn't stay that way.  
Hasn't missed a goal yet. Who? Why, Story, of course.  
First time Lafayette's goal has been crossed this season.  
The sight of old Story on the field reminded the Norfolkites of Thanksgiving '05, and 17 to 0.

Coach Warner has done good work at Colgate. His team held West Point and Cornell to "0 to 0," and Saturday it defeated Syracuse.

Pickard and Strowd's "University Club Cigar" is made especially for the University students.

When you are hungry, call at Thompson's Cafe. Large Frys and Stews served. Opposite Pickard's Hotel.

**Brain and Eye**

HOW EYE-STRAIN RETARDS STUDY.

Many students possessing superior minds oftentimes fancy themselves dull because they fail in their studies.

The reason is simply this: They are afflicted with so much eye strain that it requires nearly all the nervous force they possess to fix the eye upon their books, thereby exhausting the energy of the brain.

Many students unwisely sacrifice their health in attaining an education, because of the large amount of brain-strain sustained in the close use of their eyes, though their vision seems excellent. This form of brain-strain is easily detected by an expert and most always remedied by glasses properly adjusted.

If you break your glasses don't send them away for repair, taking the chances of delay and mistakes. Just bring the pieces to the office and I will do the rest.
