effort, and McNeill, Story and Dunlap pushed steadily to the 10-yard line. Story carried it six yards further over the line and McNeill added a yard to this. Just three yards to go—and the ball went over on downs.

Georgetown kicked, of course, and the undaunted Tar Heels started to do the trick over again but got no further than the 35-yard line where Bocock grabbed a forward pass meant for McNeill. The Catholics got the ball but did very little with it in the remaining few minutes of the game. In fact when the referee's whistle sounded the end of the game the ball was on Georgetown's 25-yard line.

The teams lined up as follows:

Georgetown.		Carolina.
O'Boyle	r. e.	E. Morrow
		Pittman
Morton	r. t.	Green
Hodgkins	r. g.	J. Morrow
Woods	c.	Rogers
Glennon	l. g.	Thompson
Cullen	l. t.	Singletary
McLaughlin	l. e.	Davis
Stewart	r. h. b.	Dunlap
Dutcher	f. b.	Story
Devine	l. h. b.	McNeill
Bocock	q. b.	Sutton

In The Societies.

The Di Society debated last Saturday night the query, "Resolved, That all of the material used in the construction of the Panama Canal should be purchased from producers in the United States." The decision was rendered in favor of the foreign producers and Mr. Duls made the best speech.

In the Phi the question was, "Resolved, That the Chinese should be admitted to the United States under laws similar to those governing the admission of immigrants from other countries." It was decided to give the Chinaman no further privileges in regard to entering our country, and Mr. Teague was judged the best speaker.

Chemical Journal Club.

The Chemical Journal Club met in Chemistry Hall Monday night. The following papers were read and discussed:

"A New Method of Separating Barium, Strontium, and Calcium," Dr. A. S. Wheeler.

"A New Method of Making Esthers of Organic Acids", W. A. Houck.

"An Examination of the Mock Orange", Strowd Jordan.

"An Examination of the Poison of Poison Ivy", W. S. Dickson.

The Fresh-Junior game will come off tomorrow afternoon. It is expected to be one of the best of the season.

The Way It Sounds.

"The genius of Milton, the art of a Pope, And the wit of a Shakespere to boot, Could never describe the merit in-side Of an International Suit"—when worn by the agent, of course.

A Day of Games.

especially good coaching in fumbling, which they performed quite scientifically, keeping the crowd in a state of laughter from start to finish of the game. Altogether the fumbles were in favor of the Meds, the Lawyers never having a ghost of a show. Whitaker's end runs were the only features of the game that resembled football. The final score stood: Meds 15, Lawyers 0.

Sophs		Freshmen	
Meisenheimer	R. E.	Struthers	
McManus	R. T.	Williams	
Montsinger	R. G.	Hackney

Bagwell	Q. B.	Joyner	
Blalock	F. B.	McCoy	
Stevenson	R. H.	Davenport	
Montgomery	L. H.	Rawlings	

The Meds and Lawyers lined up thus:

Meds		Lawyers
Webb	R. E.	Lyon
Bunn	R. T.	Shaw
Harding	R. G.	Love
Stickland	C.	Hammond
Lyles	L. G.	Dameron
Absher	L. T.	Burgwyn
Morefield	L. E.	Martin
Griffin	Q. B.	Noble
Clark	F. B.	Davis
Whitaker	R. H.	Linnville
Williams	L. H.	Barnhardt.

Coach Simmons refereed both games; Foye Roberson umpired the first, and Dr. Berkeley the second.

As To The Freshmen.

A very wise suggestion has been offered—not by the co-eds this time, either—in regard to the regulation of Freshmen. Our new advisor hails from the Law class and suggests, for the consideration of the committee, that no Freshmen be allowed to appear on the campus save on his hands and knees. He suggests further that all Freshmen be required to bump their heads once for a Sophomore, twice for a Junior, three times for a Senior, five times for a professor, ten times for the dean, and fifteen for the president.

At first glance even, it will be seen that this is a very plausible suggestion, and it is to be hoped that the committee will consider it seriously and carefully.

DEPARTMENT OF MEDICINE

Undergraduate Department. The One Hundred and Forty-first Session will begin September 28, 1906. The course, which covers a period of four years, of eight and one-half months each, is eminently practical, and properly graded, beginning with laboratory instruction in the fundamental subjects, and concluding with a comprehensive system of clinical instruction, terminating in the Fourth Year with the assignment of students as clinical clerks in the Hospital.

A large proportion (at least 50 per cent.) of the graduating classes secure positions as Resident Physicians in Hospitals.

Summer School for Graduates. The clinics and laboratories of this Department are open throughout the year for the benefit of those who wish to engage in graduate work. For those whose time is more limited, a comprehensive course is given, beginning this year May 14, and continuing for a period of six weeks. This course is designed to meet the needs of the practitioner.
