### The Societies.

"Resolved, That those students who make an average of ninety-five per cent on their term work should not be required to stand final examinations" was the query debated by the Di's Saturday night. It was decided that examinations are desirable, after all, and Mr. D. Z. Newton made the best speech.

The Phi's had the question, "Resolved, That the United State government should pass laws regulating the construction and maintenance of railway bridges and highways." The negative won and Mr. W. A. Jenkins was the successful speaker.

which resulted in a score of 9 to 5 in favor of '08. During the first inning things went all the Sophs' way, and the game looked good for them, but after that they did not stand a chance. The Juniors got together, Matthews got up steam, and the Sophs crossed the plate only twice afterward. Neither pitcher was batted especially hard, but Gaddy, for '09, fared slightly worse than Matthews, who twirled for '08.
