# THE TAR HEEL.

OFFICIAL ORGAN OF THE UNIVERSITY OF NORTH CAROLINA ATHLETIC ASSOCIATION.

## TO BE A LIVELY WEEK-END.

### GEORGIA GAMES BIG FEATURES AMONG THE AMUSEMENTS.

#### The University Musical Association to Open its Season — Two Dances On.

Now that Lent has passed the University is to enjoy a period of true revelry. The week-end will be crowded with amusements. The first of these occurs this afternoon in the shape of the Delaware game. On tomorrow and Saturday afternoons will come the big athletic features of the week's amusements in the shape of the two games with the University of Georgia. This will be the first time that Georgia and Carolina have crossed bats in a number of years. Tonight the Order of Gimgghouls will give its annual dance in the Bynum Gymnasium, and tomorrow night the German Club will hold its April german. The profusion of amusements should make the week-end an entertaining one for the seventy-five young ladies who are expected to attend these dances.

The recital of the University Orchestra and Glee Club, in Gerard Hall from eight to ten tomorrow night, will furnish probably the biggest attraction of the week. The hall will be decorated in white and blue and red and white, the colors of the Carolina and Georgia teams which will be the guests of the Musical Association at the recital.

The Glee Club and Orchestra have been in training for the past four or five months, and the opinion of those most capable of judging is that the music they render is of a very high quality. Judging from the number of tickets sold, a packed house will greet the boys at their maiden effort, and anyone who misses this performance will deprive himself of a rare treat in the shape of good music. The Glee Club and Orchestra leave Monday on their Eastern trip, their first engagement being at Wilson on Monday night.

#### A Suggestion.

In connection with the withdrawal from the class teams of the use of the Varsity diamond Mr. Rankin, who has charge of class athletics, offers a suggestion that is well worth while. A special field for the use of the class teams is badly needed. Enough grading can be done on the field back of the Carr building for \$1500 to give the students a very good ground. Mr. Rankin suggests that the students start out to get this sum by subscription among themselves. If twenty per cent of it can be raised here the rest can be secured readily outside. Every student should be willing to contribute his part, and it would not take long to raise \$300. Why not start the movement going?

## DAVIDSON THE WINNER.

### CAROLINA TEAM LOSES IN THE EIGHTH AGAIN.

#### Thompson Pitches Pretty game—Presbyterians Do Some Star Fielding

In a biting cold wind and on wet and muddy grounds Davidson College defeated the University in a well played game of ball, at Winston Monday, by a score of 2 to 0. It was a remarkably good game, considering the weather conditions, for few baseball games have been played on colder days. One thousand and shivering spectators witnessed the contest, not from the grandstand, as it was too cold for sitting still, but from spots around the field.

The game was essentially a pitcher's battle, and for eight innings it was nip and tuck. Davidson scored the only two runs of the game in her half of the eighth when McRae got first on Whitaker's fumble, and second when "Bull" threw badly catch him there. Morrow caught McMillan's fly, but Guerrant's high fly to right hit in a buggy and prevented Raney from getting it. With McRae on third and Guerrant on second, Sherill bunted toward third, the ball bounded badly, and McRae scored. Johnston's single scored Guerrant for the second run.

Carolina had men on bases in nearly every inning, but could not get a man farther than third during the entire game. Lanford was not particularly effective with men on bases, but was saved by wonderful support in his outfield. McMillan and Boggs pulling down drives, labored for extra sacks. He however kept his hits pretty well scattered, not allowing more than two in one inning.

Thompson's hoodoo is still pursuing him. Although he held Davidson down to 3 hits, struck out 10 men, got 2 hits himself, and had his team make 7 behind him, he was still unable to win.

Score by innings:

	R.	H.	E.
Carolina	0 0 0 0 0 0 0 0	9	4
Davidson	0 0 0 0 0 0 2 x	3	1

Batteries: Thompson and Rogers.

Umpire: Dr. B. E. Nalle, of Charlotte.

#### A Blaze.

Thursday afternoon immediately after the ringing of the supper bell the fence around the new athletic field was discovered to be on fire at a point on the further side of the field about even with the grandstand. A party of students immediately went to the scene and tore down the panel of the fence that was in flames, thus preventing the spreading of the blaze. Circumstances indicate that the fence was set on fire intentionally, although there is no clue as to who could have been the perpetrator of the deed.

## CAROLINA DOWNS CORNELL.

### TAR HEELS SHUT OUT ITHACA BOYS IN SNAPPY GAME.

#### Score 2 to 0—Some Brilliant Stunts—The Stars for Carolina.

The Carolina boys shut the Cornell team out on the home diamond Thursday afternoon by a score of 2 to 0. The game was a snappy one and came as a great relief after the second LaFayette game, which dragged through three long hours. Carolina had the best of the encounter straight through, playing all around her opponents at practically every point. The team showed up much better in this game than it has done heretofore this season.

Carolina made her scores that won the game in the first half of the first inning, and after that neither side scored. Several times the home team had the opportunity, but each time it failed to make good. Twice Cornell had two men on bases with two down, but each time the batter was so injudicious as to try center field, in which "Old Romy" presides, with the result that two bids for three cushions were promptly cut off.

Thompson had decidedly the better of it against Lovejoy, Cornell's left-handed twirler. Carolina tried practically all of her outfielders during the contest, and all showed up well, as is proved by the home team's errorless game. Hamilton did some nice stretching on first and Rogers caught a pretty game. Roger's work has improved so much that there is no comparison between his catching this spring and the way he played last year.

The teams lined up as follows: Carolina: James, 3rd.; Whitaker, s. s.; Montgomery, 2nd.; Hanes and Orr, 1. f. Story, c. f.; Raney and Davis, r. f.; Thompson, p.; Rogers, c. Cornell: Brown, 3rd.; Heilman, s. s.; Reeves, 2nd.; Watson, 1st.; Biglow, 1. f.; Mantell, c. f.; Ebling, r. f.; Lovejoy, p.; Hastings, c.

Score by innings:

	R.	H.	E.
N. Carolina	2 0 0 0 0 0 0 0	2	4 0
Cornell	0 0 0 0 0 0 0 0	0	5 2

Umpire, Dr. Lawson.

#### Games Ahead.

Five games are to be played on the Hill before THE TAR HEEL makes its next appearance. Three of them, Delaware this afternoon, and Georgia Friday and Saturday, come this week. Of these, the two Georgia games are expected to be among the best of the season. Georgia has a splendid team, as is proved by the fact that it recently held the New York Americans down to a score of 7 to 2, and defeated several minor league teams in Georgia. Monday will come the Oak Ridge game and the George Washington game follows on Wednesday.

## THE QUAKERS VICTORIOUS.

### GUILFORD NINE DEFEATS VARSITY FOR FIRST TIME.

#### The Hobbs Battery too Much for the Carolina Batters—Guilford, 8; Carolina, 2.

For the first time in the history of Guilford-Carolina athletics the Guilford boys defeated the University nine Saturday. Eight to two was the final score. The game was played at the Cone Athletic Park, Greensboro, and was witnessed by an enthusiastic crowd of followers of both teams. In a conspicuous place in the grandstand were seated the members of the LaFayette University team.

Although the odds were believed from the first to be against Carolina by the Greensboro fans all were surprised by the extent of the defeat she suffered at the hands of Guilford. After the second inning things were all her way. The end of this inning found four goose eggs on the board. It had looked as if the Guilford boys might score in the second when two bases were full, but Carolina, by hard work, prevented them, much to the discontent of the Guilford people. In the third inning the majority of the runs were made; Guilford getting four and Carolina two in this inning.

The home run by Murrow at a time when two men were on bases was the most spectacular and interesting feature of the afternoon. Murrow was the hero of the hour with the Quakers. After this the Guilford boys did fairly good work and held their own. One more run in the third and three others in the fifth innings were made and the victory was assured.

According to the opinion expressed by the Greensboro press the Guilford players outclassed the University team at every point. Quoting from the same source Carolina has "the weakest that she has ever sent out". That the game was not a satisfactory one in the eyes of the University sympathizers the Carolina players realize and are doing some hard work with a view to putting a different complexion on the game they are to play in Greensboro on the 20th.

	R.	H.	E.
Guilford	0 0 4 1 3 0 0 0	8	9 5
