CLEMSON IS VICTORIOUS THE SUMMER BALL RULE GUILFORD VERSUS CAROLINA NEW BOOKS AT THE LIBRARY

DEFEATS CAROLINA BY THE SCORE OF 15 TO 6.

Great Surprise Evinced Here Over the Result—Clemson Has a Fast Team.

The Clemson Tigers defeated the upholders of the White and Blue in a fast game of football at Columbia last Thursday by the score of 15 to 6.

Great surprise was evinced here when the result was learned. It was known that Clemson had a strong team, but the idea had not entered the heads of the students generally that we would be defeated. But the boys from Clemson did the trick.

One thing which undoubtedly accounts in some degree for the defeat was the fact that Carolina's men had been keyed to a high tension for the Virginia game, and when that defeat came the reaction set in and caused the men to be in rather bad trim. But nevertheless, from what we can gather from the reports of the game in South Carolina papers, our boys put up a great game.

The first scoring was done by Clemson, when after seven minutes of play Captain McLaurin carried the ball across. McFaddin kicked goal. Just nine minutes later Davis carried the ball across Clemson's line, and Croswell kicked goal, making the score 6-6. Shortly after this McFaddin, Clemson's left end, kicked a field goal from the forty yard line. In the second half Clemson made one more touchdown, the ball being carried over by Caughman after it had been advanced to the half yard line by McLaurin.

McLaurin was easily the star of the game, and the Columbia State says of his work:

"Capt. McLaurin of the Clemson team played a brilliant tackle. His gains through the line and on longer runs was nothing short of spectacular. He was a fierce tackler on defense and none of the North Carolina men were able to run a play over him. On offensive work he was equally good and whenever he was given the ball he did not fail to make gains, and he was called on again and again during the game. It would not be a bad guess to say that McLaurin will make the All-Southern this year and judging by his work in yesterday's game he is entitled to it."

The State also gives special mention to Coles, McFaddin, and Lee, and in speaking of the Carolina players, says:

"For North Carolina the work of Mann at quarter attracted favorable comment and he was especially good in receiving punts. On the latter plays he usually made good gains for his team and was a diffi-

IS DENOUNCED BY ATHLETIC ASSOCIATION.

Speeches by Various Students—Mr. T. R. Eagles Elected Treasurer.

At a meeting of the Athletic Association Friday night Mr. T. R. Eagles, former secretary and treasurer, was elected treasurer. Formerly one man was both secretary and treasurer, but the new constitution requires that the offices be separate and distinct, and at a former meeting Mr. J. W. Hester had been chosen as secretary.

After the election had been held, the meeting was thrown open for a discussion of the summer ball rule which debars from the athletic teams a student who has received money above expenses for playing summer ball. A free and frank discussion followed, and the burden of each speaker's remarks was that the rule should be abolished. It was moved that a committee be appointed to see what could be done toward securing its abolition, and the motion was unanimously carried. President Parker appointed on this committee Messrs. F. P. Graham, W. H. S. Burgwyn, G. M. Fountain, and H. B. Gunter.

A Bridge Party.

Mrs. Archibald Henderson gave a delightful bridge party Monday afternoon in honor of Miss Millie Archer. Those present were Mesdames Joseph H. Pratt, George Howe, Alvin S. Wheeler, Charles S. Mangum, Robert W. Prince, Charles H. Herty, and Misses Millie Archer, Eugenia Harris, Mary Graves, Lawton, Nellie and Bessie Roberson, Mary Hume, Dora MacRae, Nell Cobb, Louise and Cantey Venable, Lewis, Dameron, and Francis Archer.

The guest prize, a beautiful leather traveling case containing drinking glasses, was presented to Miss Millie Archer. The first prize, a bridge score-pad, was won by Mrs. George Howe, and the consolation was cut by Mrs. Wheeler.

A Linen Shower

Mrs. George Howe gave a Linen Shower in honor of Miss Millie Archer Saturday afternoon. A large number of the ladies of the village were present and the occasion was a distinct success.

Each lady had brought a piece of linen to present to Miss Archer and upon each piece was a quotation expressing good wishes for Miss Archer, who was to be married Tuesday. The linen was displayed, the quotations were compared, and to Mrs. C. Alphonso Smith was voted the prize for having the most appropriate quotation.

Elegant and delicious refreshments were served.

TENNIS TOURNAMENT ON NOVEMBER 7 AND 8.

The Association Needs Money to Complete the New Tennis Park.

At last tennis promises to take its proper place as a sport at the University. In the past neither the faculty nor the athletic association has taken any interest in the affairs of the tennis association. This year the association has been given the old athletic field back of the gymnasium for a tennis park. The grading for eight first class tennis courts has been started on this field. It is planned to make these eight courts first class in every particular. When this is done the old unsightly courts scattered around over the campus will be done away with.

As yet the funds for the completion of these courts are not in sight. The association can grade and level up the grounds with funds now in sight. The enclosing and marking off of the courts is yet to be provided for.

The only sources from which the association can procure funds are the membership fees, proceeds of intercollegiate meets, and contributions from friends and the faculty. The faculty is undergoing the process of being touched. The intercollegiate meets are being pushed as far as is practicable. As the matter now stands it is up to the student body. There are many men in college who play tennis who have not joined the association and paid the small fee of \$1.00. If every student who plays tennis would join the association there would be no trouble in making the eight or more first class courts that are planned. Every student that plays tennis or who intends to learn to play tennis owes it to himself and to the University to join the association.

The tennis meet scheduled with Guilford has been postponed until Thursday and Friday, November 7 and 8. The doubles will be played Thursday and the singles Friday. Guilford has a strong team, but we hope to win the match. Meets will probably be arranged with A. & M. and Davidson for this fall.

The Historical Society.

At a meeting of the Historical Society Monday night, Dr. Hamilton read a paper on the life and services of Kenneth Rayner; and Dr. Wagstaff gave a review of two books—Reynold's "Reconstruction in South Carolina," and Dr. Hamilton's "Reconstruction in North Carolina."

The regular weekly meeting of the "Deutscher Verein" was held Monday night in the Y. M. C. A. building.
