It has been announced that Mr. T. B. Parker, of the State Department of Agriculture, widely known as a practical and successful farmer and working Democrat, is a candidate for nomination for Commissioner of Agriculture at the hands of the Democratic party.

Mr. Addison Lambeth, '06, of Fayetteville, has returned to Chapel Hill and will open a hotel in the old Pickard House on April 1. Mr. Lambeth is an experienced hotel man and will no doubt give good service. Mr. Pickard is having a hotel building erected opposite the old one.

Dr. C. Alphonso Smith has accepted an invitation to speak before the Southern Society of New York City, the session of which will be at Hotel Plaza on April 10. His subject will be "The Literature of the South." On February 28 Dr. Smith spoke before the North Carolina Society of New York on "A Bit of News from the Past."

At the meeting of the Geological Seminary Tuesday evening L. G. Southard, grad., reviewed Dutton's High Plateaus of Utah. S. Rae Logan, '08, gave an account of The Volcanic Ash of Montana, Mr. H. N. The Tar Heel has been requested to announce that the twenty-fifth annual convention of the North Carolina Sunday School Association will be held in the Christian church at Burlington on April 7-9. The convention is inter-denominational and every Sunday school in the State is invited to send a representative. The music will be a feature. Any one wishing to attend should notify Mr. W. K. Holt, Burlington, and free entertainment will be provided.

Georgia's Debaters.

The speakers from Georgia in the Georgia-Carolina debate this spring are Sidney O. Smith and Y. B. Smith. According to the Red and Black the contest for places was one of the hottest ever held at Georgia.

"The Heart of Christ."

Mr. Vermont made the address before Y. M. C. A. Tuesday night. His subject was "The Heart of Christ." The speaker by his sincerity and earnestness held the attention of the good-sized crowd present. He traced the life of Christ from his birth to the death on the cross, pointing out the many evidences of his big, loving heart.

The speaker closed with a forceful plea for the students to emulate the example of Christ by encouraging the despondent, helping the sick, and in short by trying to have the sympathetic heart of Christ.

Mr. Hearn's Work.

The men from our laboratories have been so successful in securing positions in the government service through examinations, that the U. S. Department of Agriculture has for the past several years, recognized the importance of the training given here by detailing an expert from the Bureau of Soils for service in the Department of Geology. The expert detailed this year, Mr W. E. Hearn, B. S. (U. N. C. 1900) has just completed his course, which was attended with profit and enthusiasm by about a dozen men. This is Mr. Hearn's second season with us, and he has even improved the course he gave so successfully last year. Mr. Hearn has charge of the work in North Carolina which is carried on in cooperation with the N. C. Department of Agriculture.

Baseball Hits.

Howard was hard to find.

Judge Brockwell was at the game.

Nine out o' nine—a la Fullenwider.

Cole got his hit at just the proper moment.

Fountain's mouth is a valuable asset in a baseball game.

It is rumored that George needs his hair cut. Ask the coach about it.

Wonder what the outfielders can do. They didn't have a ghost of a show.

Captain James is a specimen of perpetual motion during a game. Just watch him.

Ham. is liable to get his feet tangled up ever and anon, but he holds down first base.

It's the unusual that makes a good newspaper story. Frank Graham missed a fly Monday afternoon.

It's useless to attempt to steal second on Hobbs, especially with Fountain and Monty at the receiving end.

The First Class Game.

The first class game of the season was played on the new tennis grounds Tuesday afternoon, when the Juniors defeated the Freshmen by the score of 16 to 13. The game from beginning to end was characterized by errors on the part of both teams. This was accounted for to a large extent by the rough condition of the ground.

At first it looked like a walk-over for the Freshmen, for they scored twelve runs in the first inning and kept the lead till the eighth. But the tide was turned in the fifth when Thomas knocked a home run with the bases full. Thereafter the Juniors gained steadily, till they passed the Freshmen in the eighth.

Score by innings:

Juniors	0	2	0	0	4	4	1	5	x	16
Freshmen	12	0	0	0	0	1	0	0	0	13

Batteries: Gaddy and Misenheimer; Thomas, Belk, Withington, and Long. Umpire, Matthews.
