WAKE FOREST IS DEFEATED

BY A SCORE OF SEVENTEEN TO NOTHING

Carolina Wins Easily—Both Teams Play Hard, but Show Lack of Practice

By a score of 17 to 0 Carolina defeated Wake Forest on the athletic field Saturday before a large crowd. The weather was warm and sultry, the field was covered with dust, and both teams showed a lack of practice. So it is not to be wondered that the game was devoid of special features. Both teams did good defensive work, especially Carolina, for Wake Forest could make only one first down. The offensive work was as good as could be expected this early in the season, and while the back-field work of Carolina was a little slow, and the interference ragged at times, a little more training will make things all right.

Wake Forest won the toss and chose to defend the east goal. Simmons kicked off to Belden on Carolina's 25 yard line, who returned the ball 10 yards. After making one first down, Carolina was held and the ball went to Wake Forest. On the second play a fumble was made, and Ruffin fell on the ball at the middle of the field. Then began Carolina's steady march to the goal. A series of line plunges and end runs by Ruffin and Wiggins carried the ball to Wake Forest's 6 yard line. Then Wiggins romped around right end, covered the intervening distance, and scored the first touchdown seven minutes after play began. Captain Thomas kicked a hard goal. Score, Carolina 6, Wake Forest 0.

The teams changed goals and again Wake Forest kicked off. Manning received the kick and returned it 15 yards. After an exchange of punts Carolina again rushed the ball to Wake Forest's 10 yard line, and Wiggins scored a second touchdown by circling right end. Thomas kicked goal from a very difficult angle. Score, Carolina 12, Wake Forest 0.

Carolina kicked off to Wake Forest. Wake Forest could make no gain and was forced to punt. Carolina then carried the ball to the 25 yard line. Thomas tried a drop kick but failed, and the half ended with the ball in Wake Forest's possession on her own twenty yard line. Score, Carolina 12, Wake Forest 0.

After an intermission of 15 minutes play was resumed. Carolina kicked off to Wake Forest. In this half both teams showed up well on defensive and for twelve minutes neither side could gain consistently. Then Mann made a thirty yard run after catching a punt, and again brought the ball within striking distance of the goal. A few line plunges and end runs placed the ball

on Wake Forest's 7 yard line. On the next rush Williams ploughed through the line rough shod, and laid the oval across the goal line. Thomas failed to kick goal. Score, Carolina 17, Wake Forest 0.

Carolina received the kick-off, but could not gain consistently, so an exchange of punts followed. One minute before time was up Thomas punted to Wake Forest's 7 yard line, and Lester recovered the ball. Mann dashed around right end for a gain of 6 5-6 yards, and the whistle blew with the ball in Carolina's possession on Wake Forest's 6 inch line. Score, Carolina 17, Wake Forest 0.

For Wake Forest Captain Simmons, Legget, E., and Dawson played good ball. Carolina's line was like a stone wall on defense, and the two tackles, Garrett and Norwood, did well on offense. Ruffin, Wiggins and Mann were the best ground gainers, and Captain Thomas' goal kicking was a decided feature.

This was the first game of intercollegiate foot ball Wake Forest has played since 1895. They have some good material and before the season closes should get out a fast team.

Bible Study Conference.

The third annual conference of North Carolina Student Association will be held here October 2nd, 3rd, 4th, the first session Friday night and the last, Sunday night. Delegates will arrive tomorrow night from the schools and colleges of the state. These delegates will be entertained by the members of the faculty, the people of Chapel Hill, and the students of the University. The total number of delegates will be one hundred. A strong list of speakers has been secured, including Dr. H. F. Laflamme, of New York; Rev. G. H. Detwiler, D. D., of Greensboro; President Venable, of the University; W. D. Weatherford, International Student Secretary; W. E. Willis, Interstate Student Secretary; E. E. Barnett and J. W. Bergthold, General Secretaries; J. E. Johnson, of Charlotte, and others.

The first entertainment of the Star Course series will be given in Memorial Hall this afternoon at 2:30 o'clock by Victor's Venetian Band. This band is well known over the country and the press notices are all very complimentary.

MR. E. C. MERGER SPEAKS

AND MAKES A VERY PROFOUND IMPRESSION

Mr. W. D. Weatherford also Makes Several Forceful Addresses to Students

Mr. E. C. Mercer of New York City, a noted speaker before college men in the country who is now on a speaking tour of Southern and Western colleges and who is soon to speak at Cambridge, Oxford and other noted seats of learning, addressed an audience of students in the Chapel last Thursday night that almost filled that building from pit to dome. He held the closest attention of every man present throughout the hour that he spoke, and undoubtedly made one of the most impressive talks of its kind ever heard here.

His subject was the story of his life as a college student at the University of Virginia and the influence of the habits of drinking, gambling, and other forms of dissipation contracted during that time. He told how these habits followed him after he left college, growing stronger and stronger year by year and dragging him lower and lower till he became a disgrace to himself and his family, was disowned by his father, abandoned by his wife, and landed at the entrance to Brooklyn bridge four years ago begging for money with which to buy a glass of wine. While in this condition, he was picked up by his cousin, sent to the Jerry McAuley Mission in New York City, and the next day became a Christian.

For three years after his reform, while engaged in work among the prisons and slums of New York, Mr. Mercer came in contact with many college men who had lost the fight, and his experience with college men has given him many instances where defeat has been turned into victory. His address was, therefore, of peculiar interest to every college man.

Mr. Mercer addressed another large crowd in the chapel at 12:30 P. M. Saturday, this time speaking of Rescue Missions in New York City, and of Jerry McAuley, the founder of this work. That part of his address in which he told of the number and class of college men who get into these missions was especially interesting. Twenty per cent. of all the thousands that go into them every year are college men. Four hundred in one month was the record at one mission, and at various times they have had the honor men of Cambridge, Oxford, Princeton, University of Pennsylvania, and other leading institutions, besides many other prominent men, such as judges, lawyers and leading business men. Mr. Mercer has a rich vein of hu-

ATHLETIC NEWS OF INTEREST

TRACK, TENNIS, AND THE ATHLETIC BROTHERHOOD

Shaw Succeeds Phillips—Tennis Contest—Sweater Men Organize

At a recent meeting of the track team, Mr. W. A. Shaw was elected captain to succeed Mr. D. McN. Phillips who did not return to college. Prospects for the track are very encouraging. Messrs. Bridgers, Everett, Eames, Williams, and Rutzler of last year's team are back. The track has been put into condition for the fall practice. Several meets are being arranged by Manager Eames.

The work on the tennis courts back of the gymnasium has already begun: the poles for the wire netting are being hauled from the woods and the netting will be put up as soon as they are planted. It is hoped that the courts will be ready to play on in the course of a week or two. The following twelve men have entered their names in the 'Varsity tournament: Venable, C. S., Douglas, Lasley, Cook, Lambe, L., Baily, K. B., Tillett, C. W. Jr., Fountain, G. M., Hunter, W. B., Hyman, Osborne, H. P., and Battle, K. D. In this number there is one man who made 'Varsity last year, Fountain. There are also four that made their class teams and several promising new men. For the past three years there has been only three men to enter this tournament each year. As soon as the Tennis Association completes its enrollment the racket tournament will be started. All those wishing to join the association should hand in their names to C. S. Venable, or O. W. Hyman.

A meeting of the men who have won their letters on the foot ball, base ball, track, gymnasium, and tennis teams was held in the Chapel Saturday night. "Coach" Simmons explained that the purpose of the meeting was to organize an athletic brotherhood of the letter men here in College, and afterwards let it extend to the Alumni. Mr. W. P. Jacobs was elected President, G. O. Rogers, Vice-President, and Richard Eames, Secretary and Treasurer. Another meeting will be held in the Chapel on Thursday at 7.00 P. M., and every letter man is urged to be present, as some important business will be transacted, and several committees appointed.

T. Holt Haywood, John de J. Pemberton, H. L. Sloan, W. S. O'B. Robinson, and Q. S. Mills—these five held the first reunion of the Class of 1907. The meeting was called at Times Square, New York City, at midnight, September 22, 1908. They got together by chance. New York is pretty big, but not big enough to lose Carolina or '07.
