

LOCAL NOTES

Mr. B. O. Shannon, '08, came over for University Day.

Mr. T. T. Murphy, ex-10, of Atkinson, is spending the week on the Hill.

There was a meeting of the Oak Ridge Club in the Y. M. C. A. Building Wednesday night.

Dr. Louis R. Wilson returned Saturday from Lenoir where he had been to attend the funeral of his father.

Mr. Earle Crosswell, who has been sick at his home in Wilmington with appendicitis, returned to college Monday.

Mr. C. S. Venable is trying to arrange tennis matches with Wake Forest, Guilford, Davidson, and Virginia.

The directory of the faculty and students will be out in a few days. Mr. H. K. Clonts has charge of this publication of the Y. M. C. A.

Dr. H. F. La Flamme of Toronto, Canada, will make an address at the annual Mission study rally of the Y. M. C. A. Sunday afternoon at 3:30.

The query debated in the Di was: "Resolved, That the policies of W. H. Taft would be more beneficial than those of W. J. Bryan." The negative won and the best speech was made by Mr. C. W. Tillett, Jr.

A Halifax County Club has been organized. The officers are: M. V. Barnhill, President; B. H. Lewis, Vice-President; J. M. Shields, Secretary; and A. W. Dunn, Treasurer. A meeting was held Tuesday afternoon to hear the report of a committee appointed to draw up the constitution and by-laws.

Dr. Thomas Hume was invited to make an address at the fiftieth anniversary of the Y. M. C. A. of the University of Virginia, October 12th, but was unable to be present and sent a paper to be read on that occasion. Dr. Hume is also on the programme of the North Carolina Peace Congress at Greensboro.

Two more new members were initiated in the Phi Society last Saturday night. The query for the night was: "Resolved, That North Carolina should adopt a compulsory school law to apply to all children between the ages of seven and twelve". It was decided that the negative won and Mr. L. B. Farnell made the best speech.

Mr. G. M. Fountain is sick in the infirmary.

Mr. John Cooper is getting better slowly at his home in Clinton.

Mr. Pearl Masten spent Friday and Saturday at his home in Winston.

Mr. J. T. Johnston, who has typhoid fever, is getting along nicely.

Mr. J. W. Gaddy, brother of W. M. Gaddy, has entered the University to study pharmacy.

Guilford County Club met last Friday night and an interesting talk was made by Dr. C. L. Raper.

Mr. Adolph Vermont spoke to the students at the Tuesday night meeting of the Y. M. C. A. His subject was "The Philosophy of Christ."

The Cercle de Conversation Française met last night at 8:15 in the Y. M. C. A. Building. The program consisted of an interesting debate in French on the merits and demerits of Taft and Bryan.

The ladies of the Presbyterian Church gave a reception Friday evening at the home of Dr. and Mrs. A. S. Wheeler to the Presbyterian students in the University. The students attended in large numbers and enjoyed themselves immensely.

The Odd Number Club met Friday night and decided to withdraw from Sigma Upsilon, a Southern literary organization with which it has been allied for the preceding two years. Prof. Edward K. Graham was elected president for the ensuing year.

Juniors Win From Sophomores

The Junior foot ball team defeated the Sophs Monday afternoon by a score of 5 to 0. The Juniors played a much better game than they did against the Freshmen Friday, and kept the ball in Soph territory the greater part of the game. Avery's punting was a decided feature, and he got off several nice onside kicks. The only score was made toward the latter part of the first half, when Struthers seized an on-side kick on the Soph's 7 yard line and dashed across the goal line. For the Juniors, Avery, Johnston, Joyner, Rodriguez, and Struthers played the best ball, while Waters was the meteor of the Soph backfield.

The class teams are playing good ball now, and Mr. Jacobs is to be congratulated on his coaching.

Infant Club Officers.

That benevolent order for the protection of the little ones, generally known as the Infant Club, held its annual meeting Tuesday night and elected officers and members, as given below. So numerous were the applicants from the Freshman class that only a few of the more distinguished former members were allowed recognition in the 1908-09 organization; and so varied are the turns of these new members that, of necessity, several new offices have been created.

- Colors: Baby pink.
- Motto: Me for the sugar rag.
- Most Worshipful Exalted Ruler, C. S. Cook.
- Most Worthy Grand Asst. Ruler, J. P. Cordon.

A Card from Peasy Weasy.

Dear Mr. Tar Heel Man:
I don't know how to play baseball. I'm too little to play football. My legs are too short for the track.

DEPARTMENT OF MEDICINE

Undergraduate Department. The One Hundred and Forty-second Session will begin September 27, 1908. The course, which covers a period of four years, of eight and one-half months each, is eminently practical, and properly graded, beginning with laboratory introduction in the fundamental subjects, and concluding with a comprehensive system of clinical instruction, terminating in the Fourth Year with the assignment of students as clinical clerks in the Hospital.

A large proportion (at least 80 per cent.) of the graduating classes secure positions as Resident Physicians in Hospitals.

Summer School for Graduates. The clinics and laboratories of this Department are open throughout the year for the benefit of those who wish to engage in graduate work. For those whose time is more limited, a comprehensive course is given, beginning this year, May 13, and continuing for a period of six weeks. This course is designed to meet the needs of the practitioner.

For further information, apply to the

Dean of the Medical Department, University of Pennsylvania, Philadelphia.

HOW A WOMAN IN N. C. STARTED IN BUSINESS WITH ONLY ONE DOLLAR

She is now independent and cares not how bad times are. Can be done by others

A woman in North Carolina started in business with only one dollar and now has an income of more than 200 dollars a week.

One day she saw an advertisement in a monthly story paper of "WICKE'S SWISS HERB TEA" stating that it was the BEST REMEDY ON THE MARKET for all Kidney, Liver, and Stomach Troubles and while she had been troubled with all these complaints more than 7 years, she wrote to the Manufacturer for a 25 cent package, which she used carefully according to the directions. After one week's use she found that all her complaints had left her and she told the people, who had known her as a very sick lady, what she had used. All who saw the wonderful change in her condition, asked her to get them a package, and she sent one dollar to the manufacturer of the tea and asked him to send her as many packages as he could afford for the one dollar.

She got 8 packages which she sold at 25 cents each, which gave her a profit of one dollar on her investment, and 25 sample packages, which she distributed to other people and asked them to try this wonderful Herb Tea.

A week later she went to all these people again and asked them if they had tried the Tea and what they thought of it, and to her surprise she got an order for a package from every one of these, they all said "the Tea is wonderful." She at once sent for 100 packages and kept on distributing samples and sold them all in a week's time. Then she sent for 500 packages and now she had 59 other ladies and men working for her, selling "Wicke's Swiss Herb Tea" from house to house, and North Carolina has never been in so healthy condition as she is now; the call for a Doctor is only in rare cases or accident. A Druggist offered her the other day \$10,000 dollars for her Agency, but she declined his offer.

Any one, who has a little push and energy can do as well as she and while there are a few Agencies still open, we advise all who want to build up an independent business, to write to H. FELDSTEIN, 1375 Myrtle avenue, Brooklyn, N. Y., and send him a Money Order for one or more dollars to secure the Agency of their town. Write today and build up a business and be independent.

I'm too slow for tennis. And I'm too clumsy for the gym. But still my ambition to make a sweater flourishes like the bumps on the face of a school girl. I crave a sweater. I must wear the monogram of my Alma Mater on my manly breast.

So, Mr. Tar Heel man, I want you to help me along the golden path of glory. There is one thing that I can do, and do well—play mumble peg. Man, you ought to see me root a peg. My nose is like a spider web's nose would be if a spider web had a nose like a snipe's bill. My eyes are set back in my head like a snake's eyes would be if a snake's eyes grew on the end of his tail. My teeth are like a chicken's teeth would be if a chicken had teeth like an ice pick. Law! that combination can draw a peg out of the ground like a ballet-dancer drawing a raw oyster out of a greasy soup-plate. And a knife blade slips off my fingers like a piece of strong butter making a hundred-yard dash off a red-hot poker. So, Mr. Tar Heel man, if you know any other fellow like me send him over to the class athletic field and we'll begin practicing. There's a fellow from my town at Elon College who's going to get up a mumble-peg team over there. And Thanksgiving! Why 17 to 0 against Va. won't be in it.

(Signed) Peasy Weasy.
