One college man after another has learned that

FATIMA

TURKISH CIGARETTES

are just the kind he likes, and has told his friends about them. Thus their popularity grew until today "Fatimas" are very popular among college men everywhere.

No Land So Rich That Fertilizer Cannot Make It Better

You use fertilizers for the profit you get out of them—and the better the land the more profitably a good fertilizer can be used on it. Do not imagine because land will produce a fair crop without

Virginia-Carolina Fertilizers

that these fertilizers cannot be profitably used on it, or that they were made only for land too poor to produce without them. If poor land will show a normal increase when fertilizer is used, good land will show at least double the increase. Use Virginia-Carolina Fertilizers to increase the *quality*, as well as the *quantity* of the crop—and you will increase the profits from your land.

"I have been using your fertilizers for a number of years" says Mr. William Fraiser, of Glasburg, La., "and find that it not only pays to fertilize, but to do plenty of it, and use the best fertilizers to be had, such as your brands. I have used a number of them and found them to be as recommended and to give better results than any other fertilizers that I have ever used."

Every planter and farmer should have a copy of the new 1909 Virginia-Carolina Farmers' Year-Book. Get a free copy from your fertilizer dealer, or write our nearest sales office.
