## GOOD BALL THIS SPRING

**A HARD SCHEDULE OF GOOD GAMES—EIGHTEEN HERE.**

**PRIZES TO BE WON BY HISTORY STUDENTS.**

Baseball this spring is going to be the real article. We are going to have a good team, and Manager Masten has found good ones for us to play with. Besides our old rivals we have some new ones.

The game with Amherst ought to be a good one. Amherst beat Harvard last year, their battery allowing Harvard one hit. Colgate is said to have the best prospects that she has ever had. Among other things she has the battery of Amherst that put a crimp on Harvard.

Mercer beat Georgia last year, and will give us something to do to win from her. The Central University always has a formidable team. Davidson is almost new, since we have not had a game with her for some time. It might be well to state that we have never scored on her in baseball, but we expect to do more than that in the two games this spring.

The schedule represents hard work, both in arrangement and the games to be played. We have about everything necessary to a good season, good men, a good coach, and good games. The schedule follows:

March	
13	Bingham (Mebane), Chapel Hill.
20	Oak Ridge " "
26	Bingham (Asheville), " "
29	Amherst, " "
30	Amherst, " "
April	
1	Colgate, " "
2	Colgate, " "
3	Lafayette, " "
5	Lafayette, " "
8	Villanova, " "
10	Guilford, Greensboro.
12	Winston League, Winston.
13	St. Johns, Charlotte.
14	Davidson, " "
15	Delaware, Chapel Hill.
16	Delaware, " "
19	Virginia, Greensboro.
21	Guilford, Chapel Hill.
23	Davidson, " "
26	Mercer Univ., " "
27	Mercer Univ., " "
30	Virginia, Charlottesville.
May	
1	Villanova, Philadelphia.
3	Pennsylvania, " "
4	Georgetown, Washington.
7	Central Univ. of Ky., Chapel Hill.
8	Central Univ. of Ky., " "

## Prizes For Work in History

The North Carolina Society of Colonial Dames offers two prizes of \$50.00 and \$25.00 respectively for the best and second best essays on some subject relating to North Carolina during the colonial period, presented by students of the University of North Carolina.

## INTER - COLLEGIATE MEET

**GUILFORD-WAKE FOREST-A & M-DAVIDSON AND CAROLINA WILL PROBABLY ENTER TEAMS FOR TRACK MEET IN GREENSBORO, APR. 19.**

At a meeting of the Greensboro Chamber of Commerce Saturday night it was decided to have an inter-collegiate track meet in that city on the night of April 19th. The meeting was attended by the track team managers from Elon College, Guilford College, Wake Forest A. and M., and the University of North Carolina. All these institutions will be represented at the meet and it is understood that Davidson will also send a team.

The meet will be held indoors in the Greensboro Auditorium. The Virginia-Carolina baseball game will be played there on the same date, so this will insure a large attendance. The rules governing the meet will be the same as those adopted by the Inter-Collegiate Association of America. First place will count five points, second three points, third two points, and fourth one point. Those winning first place will be given gold medals, second-place men will get silver medals and those capturing third place will get bronze medals. The College winning the meet will be presented with a handsome silver cup. All the usual track events will be held except the two-mile race and the hammer throw. There will be a mile relay.

The Greensboro Chamber of Commerce has offered to pay the expenses of twenty men from each college that desires to enter the meet. This is one of the first steps toward the development of track athletics in North Carolina, and should meet with encouragement on all sides.

Carolina will send a team to the meet, and Captain Shaw especially desires that his team carry off the laurels. Carolina should make every effort to win as many of the events as possible. While all the events are open to the best man the need for men in the high and low hurdles, high jump, quarter mile run, shot-put, and pole vault is greatest. There is a fine opportunity for men who are good in any of these events to make a place on the team, and Captain Shaw will be glad to have all who wish to compete to come out each afternoon at four o'clock. Jaccocks has consented to help coach the short distance runners, and will be out to help each afternoon from 4:30 to 6 o'clock. Dr. Mangum will also assist with coaching whenever he gets time.

In addition to the meet in Greensboro, Manager Eames has about completed arrangements for meets with three Southern Colleges, two of which will be held here. He will have his schedule complete by the end of the month. There is something in store for the men who make the track team. It is to be hoped that the competition for places will be fierce, for in this way alone can a winning team be turned out.

## SOPHOMORES HOLD BANQUET

**MARSE JESSE SPREADS HIMSELF AND SO DO THE SOPHS.**

**RESOLUTIONS OF WEARERS OF N. C.**

The Sophomore Class held its banquet at the University Inn last Friday night, President C. W. Gunter acting as Toastmaster.

Promptly at nine o'clock Dr. Eben Alexander was presented and gave an excellent address upon the effectiveness of "Class Spirit", to which Mr. E. F. McCulloch responded, his subject being "The Ideal Sophomore."

After the first course, Dr. George Howe spoke on the advantages and importance of "Class Union", emphasizing his points with many humorous illustrations. Mr. W. T. Joyner replied, giving an excellent description of "Sophomore Life."

The second course was then served and followed by the address of Mr. W. S. Bernard upon "Ideal Citizenship in The University". Mr. J. P. Watters replied in a short but characteristic speech.

As a fitting climax to the third course came the address of Professor M. C. S. Noble upon "The Present Sophomore Class and that of Former Days" in which he vividly pictured the conditions of his sophomore year. Mr. W. A. Dees replied, giving the class statistics in the various phases of college life.

The program ended with cigars and coffee, and many impromptu speeches by members of the class. About one o'clock the banquet adjourned.

### Sweater Men Meet

At a recent meeting of the Wearers of the N. C. resolutions were adopted to the effect that none but those entitled to an N. C. shall be allowed to wear any part or parts of the uniforms characteristic of the different Varsity teams, it being the opinion of the club that the uniform should be as distinctive of the Varsity man as the N. C. sweater. The wearing of parts of the varsity uniforms has become quite a common practice in class athletics, and the Wearers of the N. C. wish to state through this article that a continuation of this practice by anyone not entitled to an N. C. will be considered as an infringement on their rights.

The Wearers of the N. C. wish to discountenance the wearing, by others than varsity men, of the following articles: first, blue stockings with a white band around calf, which constitute a part of the uniform of the varsity football and baseball teams; secondly, blue jerseys with a series of white stripes around the arm, which constitute a part of the uniform of the varsity football team; thirdly, white jerseys with a series of blue stripes around the arm, which constitute a part of the uniform of the varsity baseball team.

## 8 TO 10 P. M. IT IS

**FACULTY WILL BE AT HOME TO THE STUDENT BODY SUN. DAY EVENINGS.**

**IN LIMELIGHT WITH THE ORATORS.**

The lack and need of social intercourse between the members of the faculty and of the student body have been felt by both. The former lament the fact that they know the great majority of students only officially, and that the members of their families know but few of them at all. The students have accepted the situation as they found it, and the habit of calling is limited to an exceedingly small number of them. The result has been a loss which has been felt and deplored, no less by the members of the faculty than by the students.

This social segregation cannot be corrected by the holding of public receptions, or by any other functions so formal. These expedients have been tried and are now in use. To the faculty they are distracting occasions of meeting, and at once forgetting the great throng of strange students. To the students, they are principally occasions in which they are made to run the gauntlet of introductions, after which they can retire to the campus without having begun one new permanent acquaintance.

A plan has been adopted, however, by the faculty after consultation with a number of students, which should be the means of bringing faculty and students more closely together. Beginning next week the faculty will be "at home" to the members of the student body every Sunday from eight to ten P. M. This means that any and every student will be welcome for an informal call.

### Society News

The first section of the regular Junior-Senior debate was held in the Phi Society Saturday night. The query: "Resolved, That it would be unwise policy for the United States to establish postal savings banks" was warmly discussed. It was decided that the affirmative won and that Mr. H. C. Barbee made the best speech.

The regular Friday night section of the Di Society debated the query: "Resolved, That the influence of labor unions for the last thirty years has been detrimental to the industrial development of the United States." The affirmative won. Mr. I. C. Moser was the best speaker and Mr. Wharton received honorable mention. At the regular Saturday night meeting of the society the affirmative again won the decision and Mr. Boling Hall made the best speech while Mr. T. J. Armstrong deserved creditable mention.
